**INTELLECTUAL PROPERTY SECURITY AGREEMENT**

**THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT**, dated as of September 23, 2003, is made by **GREENLEAF AUTO RECYCLERS, LLC**, a Delaware limited liability company ("**Grantor**"), in favor of **CHATHAM INVESTMENT FUND I, LLC**, a Delaware limited liability company, individually and in its capacity as Agent for Lenders ("**Agent**").

**W I T N E S S E T H:**

WHEREAS, pursuant to that certain Credit Agreement dated as of June 4, 2003, by and among Grantor, Agent, the Persons named therein as Credit Parties, and the Persons signatory from time to time as Lenders (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "**Credit Agreement**"), Agent has agreed, subject to certain terms and conditions, to make Loans to the Grantor; and

WHEREAS, in order to induce Agent and Lenders to enter into the Credit Agreement and the other Loan Documents and to induce Lenders to make Loans as provided for in the Credit Agreement, Grantor has agreed to grant a continuing Lien on the Intellectual Property Collateral (as hereinafter defined) to secure the Obligations.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement or in that certain Borrower Security Agreement dated as of June 4, 2003 by and among Grantor and Agent (the "**Security Agreement**"), as applicable.

2. **GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY COLLATERAL**. To secure the complete and timely payment of all the Obligations of Grantor now or hereafter existing from time to time, Grantor hereby pledges and grants to Agent, for itself and for the benefit of Lenders, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "**Intellectual Property Collateral**"):

(a) all of its Patents, Patent Applications and Patent Licenses to which it is a party, including those referred to on Schedule I hereto;

(b) all of its Trademarks, Trademark Applications and Trademark Licenses to which it is a party, including those referred to on Schedule I hereto;

(c) all of its Copyrights, Copyright Applications and Copyright Licenses to which it is a party, including those referred to on Schedule I hereto;

(d) all reissues, continuations or extensions of the foregoing;

(e) all goodwill of the business connected with the use of, and symbolized by, each Patent, each Patent License, each Trademark, each Trademark License, each Copyright and each Copyright License; and

(f) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Patent or Patent licensed under any Patent License, (ii) injury to the goodwill associated with any Patent or any Patent licensed under any Patent License, (iii) infringement or dilution of any Trademark or Trademark licensed under any Trademark License, (iv) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License, (v) infringement or dilution of any Copyright or Copyright licensed under any Copyright License, and (vi) injury to the goodwill associated with any Copyright or any Copyright licensed under any Copyright License.

3. **REPRESENTATIONS AND WARRANTIES.** Grantor represents and warrants that Grantor does not have any interest in, or title to, any Patent, Trademark or registered Copyright except as set forth in Schedule I. This Intellectual Property Security Agreement is effective to create a valid and continuing Lien on and, upon the filing hereof with the United States Patent and Trademark Office and the United States Copyright Office, perfected security interests in favor of Agent, for itself and the benefit of Lenders, in all of Grantor's Patents, Trademarks and Copyrights and such perfected security interests are enforceable as such as against any and all agents of, and purchasers from, Grantor. Upon filing of this Intellectual Property Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office and the filing of appropriate financing statements all action necessary or desirable to protect and perfect Agent's Lien on Grantor's Patents, Trademarks and Copyrights shall have been duly taken.

4. **COVENANTS.** Grantor covenants and agrees with Agent that from and after the date of this Intellectual Property Security Agreement and until the Termination Date:

(a) Grantor shall notify Agent immediately if it knows or has reason to know that any application or registration relating to any material Patent, Trademark or Copyright (now or hereafter existing) may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding Grantor's ownership of any material Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(b) In no event shall Grantor, either directly or through any agent, employee, licensee or designee, file an application for the registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency without giving Agent prior written notice thereof, and, upon request of Agent, Grantor shall execute and deliver a supplement hereto (in form and substance satisfactory to Agent) to evidence Agent's Lien on such Patent, Trademark or Copyright, and the General Intangibles of Grantor relating thereto or represented thereby.

(c) Grantor shall take all actions necessary or requested by Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Patents or Trademarks (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings unless the Grantor shall determine that such Patent or Trademark is not material to the conduct of its business.

(d) In the event that any of the Intellectual Property Collateral is infringed upon, or misappropriated or diluted by a third party, Grantor shall notify Agent promptly after Grantor learns thereof. Grantor shall, unless it shall reasonably determine that such Intellectual Property Collateral is in no way material to the conduct of its business or operations, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as Agent shall deem appropriate under the circumstances to protect such Intellectual Property Collateral.

5. **SECURITY AGREEMENT.** The security interests granted pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interests granted to Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

6. **REINSTATEMENT.** This Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of any agent or agents or should a receiver or trustee be appointed for all or any significant part of Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

7. **NOTICES.** Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

8. **TERMINATION OF THIS SECURITY AGREEMENT.** Subject to Section 6 hereof, this Intellectual Property Security Agreement shall terminate upon the Termination Date.
