W I T N E S S E T H :

WHEREAS, Rayovac Corporation (the "Company") has entered into a Third Amended and Restated Credit Agreement dated as of October 1, 2002 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement") with VARTA Gerätebatterie GmbH (the "Subsidiary Borrower"), various financial institutions and the Administrative Agent, pursuant to which such financial institutions have agreed to make financial accommodations available to the Company and the Subsidiary Borrower;

WHEREAS, the Grantor has on September 30, 2003 executed a supplement to the Guaranty dated as of October 1, 2002 (as amended, supplemented or otherwise modified from time to time, the "ROV Guaranty") pursuant to which the Grantor guaranteed the obligations of the Company under the Credit Agreement;

WHEREAS, the Grantor has on September 30, 2003 executed a supplement to the Restated Security Agreement dated as of October 1, 2002 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement") with the Administrative Agent;

WHEREAS, the obligations of the Grantor under the ROV Guaranty are to be secured pursuant to this Agreement and the Security Agreement; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby assigns to the Administrative Agent for the benefit of the Lender Parties, and grants to the Administrative Agent for the benefit of the Lender Parties a continuing security interest in, the Grantor's right, title and interest in and to the following, whether now or hereafter existing or acquired: all trademarks, service marks, business names, designs, logos, indicia and other source and/or business identifiers, and the goodwill of the business relating thereto and all registrations and applications for registrations which have heretofore been or may hereafter be issued or filed thereon throughout the world (including those listed on Schedule I hereto), all renewals of any of the foregoing, and all proceeds of, and rights associated with, the foregoing (including license royalties and proceeds of infringement suits), the right to sue for all past, present or future

The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent under the Security Agreement. The Security Agreement (and all rights and remedies of the Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Security Interest. Upon payment in full of all Liabilities and the termination of all commitments of the Lenders under the Credit Agreement, the Administrative Agent shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

SECTION 5. Acknowledgment. The Grantor acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.
