Trademark Security Agreement

Trademark Security Agreement, dated as of April 29, 2004, by AMERICAN SAFETY RAZOR COMPANY (the "Borrower") and each Guarantor listed on Schedule II hereto (collectively, the "Original Guarantors," together with the Borrower, the "Pledgors"), in favor of UBS AG, STAMFORD BRANCH, in its capacity as First Lien Collateral Agent (in such capacity, the "First Lien Collateral Agent") and Second Lien Collateral Agent (in such capacity, the "Second Lien Collateral Agent") pursuant to the Credit Agreement (the First Lien Collateral Agent and the Second Lien Collateral Agent, collectively, the "Collateral Agents").

WITNESSETH:

WHEREAS, Pledgors are party to a Security Agreement of even date herewith (the "Security Agreement") in favor of the Collateral Agents pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce each Collateral Agent, for the benefit of the applicable Secured Parties, to enter into Credit Agreement, the Pledgors hereby agree with each Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to each Collateral Agent for the benefit of the applicable Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of such Pledgor:

- (a) Trademarks of such Pledgor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. Security Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agents pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agents with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral

Agents shall otherwise reasonably determine with the consent of the Pledgors, which consents shall not be unreasonably delayed or withheld.

SECTION 4. Termination. Upon the full performance of the Obligations (other than indemnity obligations under the Loan Documents that are not then due and payable or for which any events or claims that would give rise thereto are not pending), the Collateral Agents shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.
