**AMENDMENT TO PATENT, COPYRIGHT
AND TRADEMARK SECURITY AGREEMENT**

THIS AMENDMENT TO PATENT, COPYRIGHT AND TRADEMARK SECURITY AGREEMENT (the "Amendment") is made as of the ~~1st~~ day of ~~January~~^{February}, 2005 between **ORTHMAN MANUFACTURING INC.**, a Nebraska corporation ("Debtor") and **TEXTRON FINANCIAL CORPORATION**, a Delaware corporation ("Secured Party").

RECITALS

A. Debtor and Secured Party are parties to a certain Loan and Security Agreement dated as of November 30, 2004, pursuant to which Secured Party has agreed to extend credit to Debtor in the maximum amount of \$7,500,000 (as amended, restated, modified and supplemented from time to time, the "Loan Agreement"). All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Loan Agreement (as this term is defined below).

B. In order to induce Secured Party to enter into the Loan Agreement and the transactions contemplated thereby, and as a condition thereto, Debtor has executed and delivered to Secured Party a Patent and Trademark Security Agreement dated as of November 30, 2004 (the "Security Agreement") pursuant to which Debtor has assigned and granted to Secured Party a security interest in and to all of Debtor's right, title, and interest in and to the Intellectual Property described on Schedule A thereto.

C. Since the date of the Security Agreement, Debtor has acquired additional Intellectual Property and wishes to amend the Security Agreement to confirm that such additional Intellectual Property is included within the definition of Intellectual Property Collateral under the Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. As of the date hereof, Schedule A of the Security Agreement is amended to add the additional Intellectual Property set forth on Schedule A-1 attached hereto. All other items of Intellectual Property set forth on Schedule A continue to be owned by the Debtor and remain subject to Secured Party's security interest.

2. Debtor hereby confirms that, as collateral security for the prompt and punctual payment and performance of the Obligations by Debtor and for the prompt performance by Debtor of its obligations and undertakings under the Security Agreement as amended, Debtor hereby grants to Secured Party, its successors and assigns, a security interest in all of the Intellectual Property Collateral, whether now owned or hereafter acquired by Debtor, and hereby grants, pledges and hypothecates such Intellectual Property Collateral to Secured Party. Debtor acknowledges that the security interest granted to the Secured Party pursuant to Section 1 of the Security Agreement is and continues to be a first lien and security interest upon the

Collateral. This Amendment is not intended to create a new lending relationship between the Secured Party and Debtor but rather to confirm the terms, conditions, and provisions of an existing relationship. Debtor hereby confirms that the provisions of this Section 2 shall be deemed to ratify the existing security interest of the Secured Party in the Intellectual Property Collateral to the extent such security interest existed prior to the date hereof, and to create a security interest to the extent that no security interest therein existed in favor of the Secured Party.

3. Debtor hereby agrees with, reaffirms and acknowledges the representations and warranties contained in the Security Agreement and further acknowledges and agrees that such representations and warranties apply to the Intellectual Property Collateral added pursuant to Section A-1. Furthermore, Debtor represents that, as of the date hereof, all representations and warranties contained in the Security Agreement continue to be true and in full force and effect. This agreement, reaffirmation and acknowledgment is given to Secured Party by Debtor without defense, set-off, claim or counterclaim of any kind. To the extent that any defenses, set-offs, claims or counterclaims against Lender may exist, Debtor waives and releases Lender from same.

4. Debtor ratifies and reaffirms all terms, covenants, conditions and agreements contained in the Security Agreement.

5. All other terms and conditions of the Security Agreement shall remain unchanged and in full force and effect.

6. This Amendment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The parties hereby acknowledge and agree that facsimile signatures of this Agreement shall have the same force and effect as original signatures.
