NOTICE OF RELEASE OF  
SECURITY INTEREST IN TRADEMARKS

WHEREAS, pursuant to that certain Trademark Security Agreement, dated as of December 3, 2001 (the "Trademark Security Agreement"), by Enron Corp. (the "Borrower") and the other Grantors party thereto in favor of JPMorgan Chase Bank, as Collateral Agent (the "Grantee"), the Grantors assigned and granted to the Grantee a security interest in all of such Grantors' right, title and interest in and to the Trademark Collateral, including the Trademarks listed on Exhibit A hereto; and

WHEREAS, the Grantee wishes to provide a document suitable for recording in the United States Patent and Trademark Office for purposes of recording the release, relinquishment and discharge of its security interest in the Trademark Collateral, including, without limitation, the Trademarks listed on Exhibit A hereto;

NOW THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantee does hereby agree as follows:

1. Release. The Grantee hereby relinquishes, releases and discharges its security interest in the Trademark Collateral, including, without limitation, the Trademarks listed on Exhibit A hereto.

2. Further Assurances. The Grantee hereby agrees, at the Borrower's expense, to execute such instruments and to take such other actions as the Grantors may reasonably request to terminate the Grantee's security interest in the Trademark Collateral, and otherwise to effectuate the release of the Trademark Collateral from the Grantee's security interest.

3. Governing Law. This Notice of Release of Security Interest in Trademarks shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

4. Definitions. Capitalized terms used herein and not defined shall have the respective meaning ascribed to such terms in the Trademark Security Agreement.
