SECURITY AGREEMENT

This Security Agreement ("Agreement") is made and entered into as of the 15th day of February, 2001 by and between Felix Dennis, an individual, whose address is 9-11 Kingly Street, 2nd Floor, London, W1R 5LD, ENGLAND ("Dennis") and Robert Bartner, an individual, whose address is 1156 Main Street (P.O. Box 710), Branford, CT 06405, United States of America ("Bartner").

WHEREAS, Dennis uses or licenses the use and is the proprietor of the registrations MAXIM and STUFF on the Principal Register of the U.S. Patent and Trademark Office (USPTO), as identified on the annexed Exhibit A for the goods and/or services identified in said Exhibit A, and has also filed various applications for MAXIM and STUFF and formatives thereof, in connection with goods and services and in classes beyond those covered by said registrations, on the Principal Register of the USPTO, with such applications and corresponding additional classes of goods and services also identified in Exhibit A (the "Trademarks"); and

WHEREAS, Dennis owns applicable common law rights in the trademarks MAXIM and STUFF to the extent of his use or the licensing of his use of such marks ("Common Law Rights"); and

WHEREAS, Dennis intends to attempt to expand the use and exploitation of the Trademarks to other goods and services in the United States and around the world and intends to register the Trademarks in foreign jurisdictions, as he considers (in his sole discretion) appropriate, for said contemplated expanded uses and exploitations. The registrations, and pending applications, as set forth in Exhibit A, as well as any future MAXIM and STUFF trademark registrations and applications filed or secured in the United States by Dennis, or on his behalf, covering the contemplated expanded uses and exploitations, together with all goodwill of the businesses appurtenant thereto as may be owned by Dennis, and Dennis' Common Law Rights, constitute the secured property which is the subject of this Agreement ("Collateral");

WHEREAS, Dennis, Bartner and Peter Godfrey ("Godfrey") have entered into an agreement whereby Bartner and Godfrey have acquired rights to share in the revenue generated by exploitation of the Collateral ("Revenue Sharing Agreement");

WHEREAS, Bartner has paid Dennis a sum of money in consideration of receiving an interest in the anticipated revenue from the business of exploiting the Trademarks in the U.S. as well as around the world, and this Agreement is being entered into to secure to Bartner, pursuant to the Revenue Sharing Agreement, his share of the proceeds of any sale of said Collateral, and Dennis is willing to grant to Bartner such security interest;

NOW THEREFORE, in consideration of the execution and delivery of this Agreement by Dennis and said payment by Bartner, Dennis hereby grants to Bartner a continuing security interest in the Collateral on the following terms and conditions:

1. Upon the sale of the Collateral, or any part thereof, Bartner shall be entitled to receive his share of the proceeds thereof, as provided in the Revenue Sharing Agreement.
2. In the event of the sale of the Collateral to a third party in an arms-length transaction, upon Bartner's then receiving the payment due him under the Revenue Sharing Agreement, this Agreement shall terminate, and Bartner shall execute and deliver to Dennis all documents then reasonably required by Dennis' attorneys in order to extinguish the security interest hereunder and to confirm the termination of this Agreement..
3. In the event of a sale of i) only a part of the Collateral, or ii) the Collateral, or any part thereof, that is not to a third party in an arms-length transaction, Bartner shall be entitled to receive his share of the proceeds thereof, as provided in the Revenue Sharing Agreement, and this Agreement shall continue in force; provided, however, upon the sale of the balance of the Collateral to a third party in an arms-length transaction, Bartner shall be entitled to receive his share of the proceeds thereof, as provided under the Revenue Sharing Agreement, and upon Bartner's then receiving the payment due him under the Revenue Sharing Agreement, this Agreement shall then terminate and Bartner shall execute and deliver to Dennis all documents then reasonably required by Dennis' attorneys to extinguish the security interest hereunder and confirm the termination of this Agreement.
4. Bartner shall have the right to record this Agreement where appropriate in the United States, including in the U.S. Patent and Trademark Office, but not without the written consent of Dennis in any territory beyond the United States.
5. Dennis represents and warrants that he is the sole legal and equitable owner of the Trademarks and that he has the full power and authority to enter into this Agreement and to grant the security interest herein granted.
6. Dennis represents and warrants that he has not granted, and will not grant, to any other person or entity any rights or security interests superior to those herein granted in the Collateral, except that he may (and intends to) grant a security interest in the Collateral to Godfrey which is equal in amount and priority to that granted to Bartner herein.
7. Dennis represents and warrants that, in the event of a sale of the Collateral, he will advise the purchaser before the purchase has been consummated of the existence and continuing validity of this Agreement and of the security interest herein granted.
8. Dennis represents and warrants that he will advise Bartner at least one week in advance of any sale of the Collateral or any part thereof that said sale is being

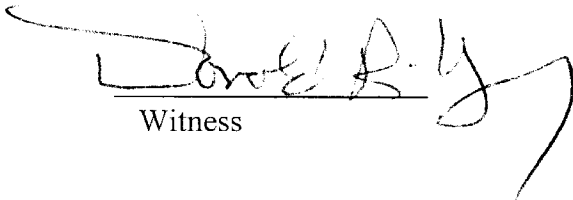

contemplated and will advise Bartner of the anticipated closing date of any such sale and any adjourned closing dates.

9. Bartner shall have the right to appear at the closing of any sale of all or any portion of the Collateral and to have his share of the proceeds of the sale of the Collateral, as provided under the Revenue Sharing Agreement, paid directly to him by the purchaser of the Collateral, and, to the extent of such obligation, shall be a third-party beneficiary of any such contract for the sale of the Collateral.
10. Upon any default in Bartner's so receiving his share of such proceeds,, Bartner shall not have any right to take possession of the Collateral but shall have a right to proceed against Dennis and/or the purchaser (if permissible under governing law) for his unpaid share of the payment then due him under the Revenue Sharing Agreement, as a result of the sale of the Collateral.
11. This Agreement and all of the provisions thereof shall be binding on and inure to the benefit of the parties hereto and their respective heirs, successors and assigns.
12. This Agreement shall be governed by the laws of the United States and the laws of the State of New York, as applicable, without regard to its law regarding conflict of laws.
13. This Agreement may not be modified except by an instrument in writing signed by the Parties or their duly authorized attorneys.
14. Any notices required to be given shall be given as provided in the Revenue Sharing Agreement.
15. In the event of any conflict between the Revenue Sharing Agreement and this Agreement, the Revenue Sharing Agreement shall prevail.

IN WITNESS WHEREOF, the parties, intending to be bound thereby, have executed this Agreement as of the date first above written.
