## EXHIBIT B

### GRANT OF SECURITY INTEREST IN TRADEMARKS AND PATENTS

WHEREAS, SNORKEL INTERNATIONAL, INC., a Delaware corporation (the “Grantor”) is the owner of all right, title and interest in and to the trademarks, trademark registrations, trademark applications, patents, and any and all goodwill associated therewith, set forth on Schedule A attached hereto; and

WHEREAS, LASALLE BANK NATIONAL ASSOCIATION having its principal offices at 135 South LaSalle Street, Chicago, Illinois 60603 (the “Grantee”), desires to acquire a security interest in, and lien on, all of Grantor’s right, title and interest in and to Grantor’s trademarks, trademark registrations, trademark applications, patents, and any and all goodwill associated therewith; and

WHEREAS, the Grantor is willing to assign and grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications, patents, and any and all goodwill associated therewith, described above.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, and subject to the terms and conditions of the Trademark, Patent and Copyright Security Agreement, dated as of June 30, 2005, between the Grantor and the Grantee (as amended from time to time, the “Security Agreement”), the Grantor hereby assigns and grants to the Grantee a security interest in, and a lien upon, all of Grantor’s right, title and interest in and to (i) all of Grantor’s right, title and interest in and to the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the “Marks”) set forth on Schedule A attached hereto, (ii) all of Grantor’s rights, title and interest in and to the patents (the “Patents”) set forth on Schedule B attached hereto, in each case together with (iii) all Proceeds (as such term is defined in the Security Agreement) and products of the Marks, (iv) all of the goodwill of the businesses with which the Marks are associated, and (v) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Marks and/or Patents or unfair competition regarding the same.

This GRANT OF SECURITY INTEREST is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Security Agreement) of the Grantor and shall be effective as of the date of the Security Agreement.

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of

Security Interest are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

IN WITNESS WHEREOF, the undersigned have executed this Grant of Security Interest as of the 30 day of June, 2005.

**GRANTOR:**

SNORKEL INTERNATIONAL, INC.,  
a Delaware corporation

By: Allen T. Hahn  
Printed Name: Allen T. Hahn
