month of rent. Upon the occurrence and continuance of a Default, such authorization may be revoked by the Trustee in accordance with what is provided for by Law; in such a case, the Trustee may exercise as it deems appropriate, to the exclusion of the Grantor, all rights, claims, privileges and hypothecs (legal or conventional) of the Grantor in order to maintain, renew, grant or terminate any lease, and to further protect or collect rents, annuities and revenues from the Immovables.

7.2 Pursuits

The Trustee shall have the right to bring an action for recovery of rentals provided the Trustee impleads the Grantor, it being understood that the Trustee shall be under no obligation to exercise such right and shall not be liable for any loss or damage which may result from its failure to collect such rentals. The Trustee shall have the right to deduct a ten per cent (10%) collection fee from any rentals collected as well as any commission usually charged by the Trustee for the collection of rentals, miscellaneous costs and expenses (copies, service fees, legal counsel fees and others, opening files, surveillance fees, execution fees or fees for cancellation of lease) incurred as a result of such collection.

8. ADDITIONAL PROVISIONS TO THE HYPOTHEC ON CLAIMS (OTHER THAN RENTALS)

8.1 Authorization to Recover

Save and except for insurance and expropriation claims, the Trustee hereby authorizes the Grantor to recover all claims and other Charged Property referred to in Section 4.5 (collectively, the "Hypothecated Claims"). However, upon the occurrence and continuance of a Default, such authorization may be revoked at any time by the Trustee by written notice with respect to all or any part of the Hypothecated Claims, whereupon the Trustee shall be free to itself effect such recovery and to exercise any of the rights referred to in Section 8.2 below; the Grantor shall then remit to the Trustee all records, books, invoices, bills, contracts, titles, papers and other documents related to the Hypothecated Claims. If, after such authorization is revoked (and even if such revocation is not yet registered or delivered to the holders of such claims), sums payable under such Hypothecated Claims and property are paid to the Grantor, it shall receive same as mandatary of the Trustee and shall remit same to the Trustee promptly without the necessity of any demand to this effect.

8.2 Recovery

The Trustee may, upon the occurrence and continuance of a Default, recover all Hypothecated Claims in accordance with what is provided for by Law; it may further exercise any rights regarding such Hypothecated Claims and more particularly, it may grant or refuse any consent which may be required from the Grantor in its capacity as owner of such Hypothecated Claims, and shall not, in the exercise of such right, be required to obtain the consent of the Grantor or serve the Grantor any notice thereof, nor shall it be under any obligation to establish that the Grantor has refused or neglected to exercise such rights, and it may further grant delays, take or abandon any security, make arrangements with debtors of any Hypothecated Claims, make compromises, grant releases and generally deal at its discretion with matters concerning all Hypothecated Claims without the intervention or consent of the Grantor.

9. ADDITIONAL PROVISIONS TO THE HYPOTHEC ON SECURITIES

The Trustee may, upon the occurrence and continuance of a Default, transfer any securities or any part thereof into its own name or that of a third party appointed by it so that, the Trustee or its nominee(s) may appear as the sole registered holder thereof, in which case:

9.1 Voting Rights

All voting rights and any other right attached to such securities may be exercised by the Trustee (without any obligation of the Trustee to do so) or on behalf of the Trustee.

9.2 Revenues, Dividends and Others

The Trustee shall collect revenues, dividends and capital distributions and the Grantor shall cease to have any right thereto and the Trustee may either hold same as Charged Property or apply them in reduction of the Secured Obligations.

9.3 Proxy

The Trustee may give the Grantor a proxy, revocable at any time, authorizing it to exercise, in whole or in part, all voting rights and any other rights attached to such securities.

For the purpose of this Article 9, the Grantor hereby irrevocably appoints any officer or employee of the Trustee as its attorney with full power of substitution and authority to execute such documents necessary to render effective the rights granted to the Trustee pursuant to this Article 9.

10. ASSIGNMENT OF CLAIMS SUBJECT TO THE FINANCIAL ADMINISTRATION ACT

The Grantor hereby assigns to the Trustee by way of absolute assignment all its present and future claims which are subject to Sections 67 and 68 of the *Financial Administration Act* (Canada) or analogous legislation, as collateral and continuing security for the performance of all Secured Obligations. The Trustee may, at any time, fulfill any of the formalities required by Law to make such transfer enforceable.

11. REPRESENTATIONS AND WARRANTIES

The Grantor hereby represents and warrants that:

11.1 Shareholders' Agreement

There exists no shareholders' or other agreement in connection with securities (including shares, debentures, units, bonds, obligations, rights, options, warrants, debt securities, investment certificates, units in mutual funds, certificates or other instruments representing such property) which are charged under this Deed. There is no restriction in the articles or other constating documents of the issuer of such securities regarding the assignment or transfer thereof other than the restrictions pertaining to a publicly traded corporation pursuant to the applicable Laws thereto and those declared in writing to the Trustee.

11.2 Disposition of Charged Property

14. TRUSTEE'S RECOURSES IN CASE OF DEFAULT

14.1 Exercise of Rights

In case of a Default, the Trustee shall, upon receipt of a Bondholders' Instrument, by notice in writing to the Grantor, demand payment of the principal of and interest on all Bonds then outstanding and other moneys secured hereby or owing by the Grantor hereunder and the same shall forthwith be and become immediately due and payable by the Grantor to the Trustee and the Grantor shall forthwith pay to the Trustee for the benefit of the Bondholders all such principal, interest and other moneys. Any such payment then made by the Grantor shall be deemed to have been made in discharge of its obligations hereunder or under the Bonds, and any monies so received by the Trustee shall be applied in the same manner as if they were proceeds of realization of the Charged Property.

In case of a Default and the Grantor shall have failed to pay the Trustee, on demand, the principal of and interest on all Bonds outstanding together with any other amounts secured hereby or owing by the Grantor hereunder, the Trustee may, upon receipt of a Bondholders' Instrument, proceed to realize the security created by this Deed and to exercise any right, recourse or remedy of the Trustee and of the Bondholders under this Deed or provided for by Law, including without limitation any of the hypothecary rights and recourses provided for under the Civil Code.

No holder of Bonds shall have any right to institute any action or proceeding or to exercise any other remedy authorized by this Deed or by Law for the purpose of enforcing payment of principal or interest or of realizing any security, other than in accordance with the terms hereof, unless a Bondholders' Instrument shall have been tendered to the Trustee and the Trustee shall have failed to act within a reasonable time thereafter. In such case, but not otherwise, any Bondholder acting on behalf of itself and all other Bondholders shall be entitled to take proceedings such as the Trustee might have taken pursuant to the Bondholders' Instrument, for the equal benefit of all Bondholders.

14.2 Rights of the Trustee

Whatever hypothecary rights the Trustee elects to exercise, the following provisions shall apply:

14.2.1 the Trustee may, in its discretion, at the Grantor's expense:

14.2.1.1 pursue the transformation of the Charged Property or any work in process or unfinished goods comprised in the Charged Property and complete the manufacture or processing thereof or proceed with any operations to which such property is submitted by the Grantor in the ordinary course of its business and acquire property for such purposes;

14.2.1.2 alienate or dispose of any Charged Property which may be obsolete, may perish or is likely to depreciate rapidly;

14.2.1.3 use for its benefit all information obtained while exercising its rights;

14.2.1.4 perform any of the Grantor's obligations or covenants hereunder;

14.2.1.5 exercise any right attached to the Charged Property on such conditions and in such manner as it may determine, acting reasonably, including without restriction the granting of licences whether general or special on an exclusive or non exclusive basis, of any intellectual property charged hereunder;

- 14.2.1.6 for the exercise of any of its rights, utilize without charge the Grantor's plant, equipment, machinery, process, informations, records, computer programs and intellectual property;
- 14.2.1.7 borrow monies or lend monies and, in such cases, the monies borrowed or lent by the Trustee shall bear interest at the rate then obtained or charged by the Trustee for such borrowing or loan; these monies shall be reimbursed by the Grantor on demand and, until they have been repaid in full, such monies and interest thereon shall be secured by the present Hypothec and be paid in priority to any other sums secured hereunder;
- 14.2.1.8 maintain or repair, restore or renovate, begin or complete any construction work on or related to the Charged Property;
- 14.2.2 the Trustee shall exercise its rights in good faith in order to attempt to reduce the Secured Obligations, in a reasonable manner, taking into account all circumstances;

- 14.2.4 the Trustee, when exercising its rights, may waive any right of the Grantor, with or without consideration therefor;
- 14.2.5 the Trustee shall have no obligation to make an inventory of the Charged Property, to take out any kind of insurance with respect thereto or to grant any security whatsoever;
- 14.2.6 the Trustee shall not be bound to continue to carry on the Grantor's enterprise or to make any productive use of the Charged Property or to maintain such property in operating condition;
- 14.2.7 the Grantor shall, upon request of the Trustee, move the Charged Property and render it available to the Trustee unto premises designated by the Trustee and which, in its opinion, shall be more suitable in the circumstances.

14.3 Grantor's Remedy

If the Grantor remedies the Default mentioned in the prior notice of exercise of hypothecary rights, the Grantor shall, as required by Law, pay all reasonable fees incurred by the Trustee by reason of the Default; these fees shall include without limitation the administrative fees of the Trustee, the legal fees of its legal advisers and fees paid to experts.

14.4 Taking in Payment

If the Trustee elects to exercise its right to take in payment the Charged Property and the Grantor requires that the Trustee instead sell, by itself or under judicial authority, the Charged Property on which such right is exercised, the Grantor hereby acknowledges that the Trustee shall not be bound to abandon its recourse of taking in payment unless, prior to the expiry of the time period allocated for surrender, the Trustee (i) has been granted a security satisfactory to it, to ensure that the proceeds of the sale of the Charged Property will be sufficient to pay the Secured Obligations in full, (ii) has been reimbursed for all reasonable costs and expenses incurred in connection with this Deed, including all fees of consultants and legal counsel and (iii) has been advanced the necessary sums for the sale of said

Charged Property; the Grantor further acknowledges that the Trustee alone is entitled to select the type of sale it may wish to conduct or have conducted.

14.5 Surrender of Charged Property

Upon notice by the Trustee declaring due and payable the principal of and interest on the Bonds and all other moneys secured hereby or owing by the Grantor hereunder, the Grantor shall surrender the Charged Property to the Trustee. The Grantor will be deemed to have surrendered the Charged Property which is in the possession of the Trustee, or of a third party on its behalf, if the Trustee has not, within the delays determined by Law or by a tribunal to surrender, received written notice from the Grantor to the effect that it intends to contest the exercise of the hypothecary recourse set forth in the prior notice.

14.6 Evaluation

Where the Trustee sells the Charged Property itself, it shall not be required to obtain any prior evaluation by a third party.

14.7 Sale of Charged Property

The Trustee may elect to sell the Charged Property after giving such prior notices as may be required by Law; the sale may be made with legal warranty given by the Grantor or with complete or partial exclusion of such warranty; the sale may also be made for cash or with a term or under such reasonable conditions as are determined by the Trustee; upon failure of payment of the purchase price, the Trustee may resiliate or resolve such sale and such Charged Property may then be resold.

14.8 Use of Premises

In order to exercise any of its rights, the Trustee may use the premises located in the Immovables.

14.9 Several Creditors

Where several creditors are involved, the parties hereto waive the application of Articles 1332 to 1338 inclusively of the Civil Code.

14.10 Appointment of Agent

The Trustee may appoint an agent or a receiver and manager (collectively a "Receiver") over all or any portion of the Charged Property by written instrument in accordance with Section 14.11 or may apply to a court for the appointment of a Receiver to take possession of all or such part of the Charged Property as the Trustee shall designate, with such duties, powers and obligations as the court making the appointment shall confer, and the Grantor hereby irrevocably consents to the appointment of such Receiver.

14.11 Appointment of Receiver

The Trustee may with or without taking possession, by instrument executed by the Trustee, appoint a Receiver of all or any part of the Charged Property and of the rents, income and profits therefrom and may from time to time by similar instrument remove any Receiver and appoint another in its place and upon the appointment of any such Receiver from time to time the following provisions shall apply:

14.11.1 every such Receiver shall be vested with all of the rights, powers, remedies and discretions of the Trustee set forth in subsections 14.2.1.1 to 14.2.1.8 inclusively, including, without limitation, the power to sell, for cash or credit or part cash and part credit, lease or dispose of all or any part of the Charged Property, whether by public auction or by private sale or lease in such manner and on such terms as it may determine in its absolute discretion acting reasonably and to do all acts, exercise all discretions and make all determinations of the Trustee described therein;

14.11.2 every such Receiver shall have the power to borrow money on the security of the Charged Property in priority to the security created by this Deed for the purpose of the preservation, maintenance, completion or protection of the Charged Property or any part thereof or for making any replacements thereof or improvements and additions thereto or for carrying on all or any part of the business of the Grantor relating to the Charged Property, and in so doing the Receiver may issue certificates designated as "Receiver's Certificates" which may be payable either to order or to bearer and may be payable at such time or times as the Receiver may think expedient and shall bear interest at such rates of interest as the Receiver may consider reasonable, and the amounts from time to time payable pursuant to such Receiver's Certificates shall form a charge upon the Charged Property in priority to the security created by this Deed;

14.11.3 the Trustee may from time to time fix the remuneration of every such Receiver who shall be entitled to deduct the same out of the receipts derived from or comprising part of the Charged Property or the proceeds thereof;

14.11.4 every such Receiver shall be deemed to be an agent of the Grantor and not of the Trustee for the purposes of:

14.11.4.1 carrying on and managing the business and affairs of the Grantor, and

14.11.4.2 establishing liability for all of the acts or omissions of the Receiver while acting as such and the Trustee shall not be in any way responsible for any acts or omissions on the part of any such Receiver, its officers, employees and agents,

the Grantor hereby irrevocably authorizing the Trustee to give instructions to the Receiver relating to the performance of its powers and discretions as set out herein;

14.11.5 the appointment of every such Receiver by the Trustee or anything which may be done by any such Receiver or the removal of any such Receiver or the termination of any such receivership shall not have the effect of constituting the Trustee a mortgagee in possession in respect of the Charged Property or any part thereof;

14.11.6 no such Receiver shall be liable to the Grantor to account for monies other than monies actually received by such Receiver in respect of the Charged Property and every such Receiver shall apply such monies so received in the manner provided in Section 14.12; and

14.11.7 the Trustee may at any time and from time to time terminate any such receivership by notice in writing executed by the Trustee to any such Receiver.

14.12 Imputation of Payments

Except as herein otherwise expressly provided, all monies arising from any sale or realization of the Charged Property, in whole or in part, whether under any sale by the Trustee or by judicial process or otherwise, shall be applied, together with any other monies then in the hands of the Trustee and available for such purpose, in the first place to pay or reimburse the Trustee's fees, charges, expenses, borrowing, advances and all other monies provided or obtained by it or at its request in or about the execution of its powers and rights with respect to these presents, with interest thereon as herein provided, and, secondly, the residue of the said monies shall be applied on account of the Secured Obligations or, at the option of the Trustee, may be held unappropriated in a collateral account in order to provide for payment of any charge ranking prior to the Hypothec. The Grantor shall only be credited with amounts received by the Trustee in cash from the possession, sale, lease or other disposition of, or realization upon, the Charged Property as and when such cash is received.

14.13 Liability of Grantor

Except if the right of taking in payment is exercised, the Grantor shall remain liable to the Trustee for any deficiency remaining after the application of the proceeds of any sale, lease or disposition of the Charged Property by the Trustee.

15. GENERAL PROVISIONS

15.1 Additional Security

The Hypothec is in addition to and not in substitution of or in replacement for any other hypothec or security held or which may hereafter be held by the Trustee and shall not affect the Trustee's rights of compensation and set-off.

15.2 Investments

The Trustee may, at its entire discretion, invest any monies or instruments received or held by it pursuant to this Deed or deposit them in an interest bearing account without having to comply with any legal provisions concerning the investment of property of others.

15.3 Set-off

Provided the Secured Obligations are due and exigible or that the Trustee is entitled to declare them owing and exigible, the Trustee may compensate and set-off any Secured Obligations with any and all amounts then owed to the Grantor by the Trustee in any capacity, whether such amount be exigible or not, and the Trustee shall then be deemed to have exercised such right to compensate and set-off as at the time the decision was taken by it even though the appropriate entries have not yet been made in its records.

15.4 Imputation of Payments

The Trustee may, in its entire discretion, reasonably impute and apply any amounts collected in the exercise of its rights or received by the Trustee prior to or after any Default in any manner as it may choose without having to comply with any provisions of the Civil Code concerning the imputation of payments.

15.5 Delays

The Trustee may grant delays, take any security or renounce thereto, accept compromises, grant quittances and releases and generally deal, in its entire discretion, with any matters related to the Charged Property, the whole without limiting the rights of the Trustee and without limiting the liability of the Grantor.

15.6 Continuing Security

The Hypothec shall be continuing security and shall remain in full force and effect despite the repayment from time to time of the whole or of any part of the obligations secured hereunder or as a result of receipt of any insurance indemnities arising from the loss or damage to any of the Charged Property or by reason of the collection of any claims hypothecated hereunder; it shall remain in full force until the execution of a final release and discharge by the Trustee, with the consent of the Bondholders by Bondholders' Instrument should any Bonds then be outstanding.

15.7 Time of Essence

The Grantor shall be deemed "*en demeure*" by the mere lapse of time provided for the Grantor to perform its obligations or the expiry of any term therefore, without the Trustee being obliged to serve any notice or prior notice upon the Grantor.

15.8 Cumulative Rights

The rights and recourses of the Trustee hereunder are cumulative and do not exclude any other rights and recourses which the Trustee might have. No omission or delay on the part of the Trustee in the exercise of any right shall have the effect of operating as a waiver of such right. The partial or sole exercise of a right or power will not prevent the Trustee from exercising thereafter any other right or power. The Trustee may exercise its rights hereunder without any obligation to exercise any right against any other person liable for payment of the Secured Obligations and without having to enforce any other security granted with respect to the Secured Obligations.

15.9 Irrevocable Power of Attorney

The Trustee is hereby designated as the irrevocable attorney of the Grantor with full powers of substitution for the purposes hereof or for the purpose of carrying out any and all acts and executing any and all deeds, proxies or other documents which the Trustee may deem useful, upon the occurrence or continuance of a Default in order to exercise its rights or which the Grantor neglects or refuses to execute or to carry out.

15.10 Grantor to Execute Confirmatory Deeds

In case of any sale under the provisions of this Deed or at Law, whether by the Trustee or under judicial proceedings, the Grantor agrees that it will execute and deliver to the purchaser on demand any instrument reasonably necessary to confirm to the purchaser the title of the property so sold and, in case of any such sale, the Trustee is hereby irrevocably authorized by the Grantor to execute, on its behalf and in its name, any such confirmatory instrument.

15.11 Performance

The Trustee may, at its entire discretion, perform any of the Grantor's obligations under this Deed, should the Grantor fail timely to do so. It may then

immediately request payment of any expense incurred in doing so, including interest at the rate provided for in Section 12.5 above, and such repayment is secured by the Hypothec.

15.12 Delegation

The Trustee may, at its entire discretion, appoint any person for the purpose of exercising any of its rights, actions or the performance of any covenant resulting from this Deed or from Law; in such case, the Trustee may supply such person with any information it holds relating to the Grantor or to the Charged Property.

15.13 Title Deeds

All titles of ownership, land surveys, certificates of location and other documents related to the Immovables shall upon request be remitted to the Trustee who is entitled to keep them until a final release and discharge of the Hypothec is obtained.

15.14 Waiver

Where the Grantor has taken an Immovable in payment for an hypothecated claim ranking prior to the Hypothec, the Grantor waives its right to take advantage of the provisions of Article 2771 of the Civil Code.

15.15 Solidary Liability

Where several Grantors have signed the present Deed or further become liable for the obligations of the Grantor, each such person shall be solidarily (jointly and severally) liable toward the Trustee for the performance of all the Secured Obligations. "Solidary" means that each such person is liable individually for the whole amount due.

15.16 Liability

The Trustee shall not be liable for material injuries or damages resulting from its fault, or the fault of its agents, officers, consultants, unless such fault is gross or intentional.

15.17 Successors

The rights hereby conferred upon the Trustee shall benefit all its successors, including any entity resulting from the merger of the Trustee with any other person or persons.

15.18 Severance

In the event that any provision of this Deed is declared null and void or is deemed not to have been written, the other provisions of this Deed shall be severable from such provision and shall continue to have full force and effect.
