TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") made this 18th day of August, 2005, by **GIBSON GUITAR CORP.**, a Delaware corporation (the "Borrower"), having its chief executive office at 309 Plus Park Boulevard, Nashville, Tennessee 37217, and **AMERICAN CAPITAL FINANCIAL SERVICES, INC.**, a Delaware corporation, in its capacity as agent for itself and the other Purchasers (as such term is defined in the "Purchase Agreement" as defined below) (hereinafter referred to as "Agent").

WITNESSETH:

WHEREAS, Borrower, Agent and Purchasers are parties to a certain Note Purchase and Security Agreement, dated as of the date hereof (the Note Purchase and Security Agreement, as amended, modified, supplemented or restated from time to time, being referred to as the "**Purchase Agreement**"), which Purchase Agreement provides (i) for Purchasers to extend credit to or for the account of Borrower and (ii) for the grant by Borrowers to Agent for the benefit of Purchasers of security interests in substantially all of each Borrower's assets, including, without limitation, Borrower's trademarks, trademark applications, trade names and goodwill;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower agrees as follows:

1. **Incorporation of Purchase Agreement.** The Purchase Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto.

2. **Grant of Security Interest.** To secure the complete and timely payment and satisfaction of all of the "Obligations" (as defined in the Purchase Agreement), Borrower hereby grants to Agent for the benefit of Purchasers a first and valid security interest in all of Borrower's right, title and interest, in the United States and throughout the world, in and to the following property, in each case whether now existing or hereafter acquired or arising and whether registered and unregistered and wherever the same may be located (the "Trademark Collateral"):

(i) all state (including common law), federal and foreign trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, domain names, designs and general intangibles of like natures, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Borrower (unless otherwise prohibited by any license or related licensing agreement under circumstances where the granting of the security interest would have the effect under applicable law of the termination or permitting termination of the license for breach and where the licensor has elected such termination remedy), and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office, any State of the United States or any other country or any political subdivision thereof,

and all extensions or renewals thereof, including any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of Borrower or in the name of Purchaser for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Borrower's business symbolized by the Trademarks or associated therewith; and

(iv) all proceeds of any and all of the foregoing Trademark Collateral, including, without limitation, license royalties, rights to payment, accounts receivable, proceeds of infringement suits and all payments under insurance or any indemnity, warranty or guaranty payable by reason or loss or damage to or otherwise with respect to the foregoing Trademark Collateral.

3. **Restrictions on Future Agreements.** Borrower agrees that until the Obligations shall have been paid and satisfied in full and the Purchase Agreement shall have been terminated in writing, Borrower will not, without Agent's prior written consent, enter into any agreement (for example, a license agreement) which is inconsistent with Borrower's obligations under this Agreement and Borrower further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights granted to Agent under this Agreement.

4. **New Trademarks.** Borrower represents and warrants that the Trademarks listed on Schedule A constitute all of the Trademarks registered or owned by Borrower. If, before the Obligations shall have been satisfied in full, Borrower shall (i) obtain rights to any new trademarks, trademark registrations or trade names, or (ii) become entitled to the benefit of any trademark application, trademark, trademark registration or license renewal, the provisions of paragraph 2 above shall automatically apply thereto and Borrower shall give the Agent prompt written notice thereof. Borrower hereby authorizes Agent to modify this Agreement by amending Schedule A to include any future trademark applications, trademarks, trademark registrations and trade names which are Trademarks, as under paragraph 2 above or under this paragraph 4.

5. **Payments Under Trademarks.** During the term of this Agreement, all income, royalties, payments and damages due and payable to Borrower under the Trademarks shall be payable to Borrower; provided, however, upon the occurrence of an "Event of Default" (as such term is defined in the Purchase Agreement) under the Purchase Agreement, all income, royalties, payments and damages received thereafter shall be paid directly to Agent for the benefit of Purchasers and shall be applied by Agent on account of Borrowers' Obligations owed under the

Purchase Agreement. Agent shall have the right to notify payors to make their payments directly to it upon the occurrence of an Event of Default under the Purchase Agreement.

6. **Duties of Borrower.** Except for those Trademarks which Borrower reasonably determines are no longer necessary or desirable to maintain in force, Borrower shall have the duty (i) to prosecute diligently any trademark application of the Trademarks pending as of the date hereof or thereafter until the Obligations shall have been paid and satisfied in full, (ii) to make application on trademarks and trade names, as appropriate, and (iii) to preserve and maintain all rights in trademark applications, trademarks and trademark registrations of the Trademarks. Any expenses incurred in connection with such applications shall be borne by Borrower.

7. **Waivers.** No course of dealing between Borrower and Agent or any Purchaser, or any failure to exercise, nor any delay in exercising, on the part of Agent or any Purchaser, any right, power or privilege hereunder or under the Purchase Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

8. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

9. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 4 hereof or by a writing signed by the parties hereto.

10. **Release of Security Interest.** Upon full and complete payment and performance of Borrower's Obligations under the Purchase Agreement, this Agreement and the power of attorney granted herein shall automatically terminate and Agent shall release the Trademarks from this Agreement and the Purchase Agreement, and shall execute and deliver (at Borrower's sole cost and expense, either directly or in reimbursement of costs and expenses reasonably incurred by Agent) all documents as may be reasonably necessary to render the Trademarks free and clear of any security interest created pursuant to this Agreement or the Purchase Agreement.

11. **Power of Attorney.** Subject to any other express provision of this Agreement, upon the occurrence of an Event of Default or upon the failure, neglect or refusal by Borrower to file, prosecute, defend, issue, maintain, enforce or otherwise take action in respect to the Trademarks as required hereby, or to carry out any of its other obligations or duties under this Agreement, then Borrower hereby appoints and designates Agent its attorney to take any such action as Agent reasonably deems necessary under the circumstances, including, without limitation, the employment of counsel, and Borrower shall pay all fees and expenses, including attorneys' fees and expenses, incurred by Agent or any Purchaser in connection with such action.

12. **Notices.** Borrower shall promptly notify Agent, in writing, of any suit, action, proceeding or counterclaim brought against Borrower relating to, concerned with, or affecting the Trademarks, and shall, on request, deliver to Agent a copy of all pleadings, papers, orders or decrees theretofore and thereafter filed in any such suit, action or proceeding, and shall keep Agent fully advised in writing of the progress of any such suit.

13. **Cumulative Remedies; Effect on Purchase Agreement.** All of Agent's and any Purchaser's rights and remedies with respect to the Trademarks whether established hereby or by the Purchase Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Borrower acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent or any Purchaser under the Purchase Agreement but rather is intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Borrower and its successors and assigns, and shall inure to the benefit of Agent and each Purchaser and their respective successors and assigns.

15. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Maryland and the laws of the United States.
