TRADEMARK SECURITY AGREEMENT (FIRST LIEN)

This TRADEMARK SECURITY AGREEMENT, dated as of February 17, 2006 (this "Agreement"), is made by E K Success Ltd., a New York corporation (the "Grantor"), in favor of PNC Bank, National Association, as administrative agent (together with its successor(s) thereto in such capacity, the "Administrative Agent") for each of the Secured Parties.

W I T N E S S E T H :

WHEREAS, pursuant to a Credit and Guaranty Agreement (First Lien), dated as of February 17, 2006 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Holdings, the various financial institutions and other Persons from time to time parties thereto (each a "Lender"), and the Administrative Agent, the Lenders and the Issuers have extended Commitments to make Credit Extensions to the Borrower;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Pledge and Security Agreement (Second Lien), dated as of February 17, 2006 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Credit Agreement and pursuant to clause (e) of Section 4.5 of the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Administrative Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Secured Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby grants to the Administrative Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of the following property, whether now or hereafter existing or acquired by the Grantor, and wherever located (the "Trademark Collateral"): all of the Grantor's right, title and interest throughout the world in and to:

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, now existing or hereafter adopted or acquired including those which are the subject of a registration or application referred to in Schedule I hereto, whether currently in use or not, all

registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the U.S. Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and all renewals of the foregoing (collectively referred to as the "Trademarks");

(b) all express or implied Trademark licenses and other agreements for the grant by or to the Grantor of any right to use any Trademark (each a "Trademark License");

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a), and to the extent applicable clause (b);

(d) the right to sue third parties for past, present and future infringements or dilution of any Trademarks owned by the Grantor or for any injury to the goodwill connected with the use of or symbolized by any such Trademarks and for breach or enforcement of any Trademark License; and

(e) all proceeds of the foregoing, including Proceeds, licenses, royalties, income, payments, claims, damages and proceeds of infringement suits.

Notwithstanding the foregoing, the term "Trademark Collateral" shall not include the items set forth in clauses (i) through (v) of Section 2.1 of the Security Agreement.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest of the Administrative Agent in the Trademark Collateral with the U.S. Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms. In the event of an irreconcilable conflict, the Security Agreement shall control.

SECTION 4. Release of Liens. Upon (i) the Disposition of Trademark Collateral in accordance with the Credit Agreement or (ii) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (A) such Trademark Collateral (in the case of clause (i)) or (B) all Trademark Collateral (in the case of clause (ii)). Upon any such Disposition or termination, the Administrative Agent will, at the Grantor's sole expense, deliver to the Grantor, without any representations, warranties or recourse of any kind whatsoever, all Trademark Collateral held by the Administrative Agent hereunder, and execute and deliver to the Grantor such Documents as the Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security

Agreement, the terms and provisions of which (including the remedies provided for therein and the Governing Law provisions set forth in Section 7.10 thereof) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document and Secured Instrument. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article XII thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered by Authorized Officer as of the date first above written.
