**Trademark U.S. Security Agreement**

**Trademark U.S. Security Agreement**, dated as of February 24, 2006, by each Guarantor listed on Schedule II hereto ("Pledgors") in favor of UBS AG, STAMFORD BRANCH, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, Pledgors are party to a U.S. Security Agreement, dated as of February 12, 2004 (the "U.S. Security Agreement") in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark U.S. Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into Credit Agreement, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the U.S. Security Agreement and used herein have the meaning given to them in the U.S. Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of such Pledgor:

(a) Trademarks of such Pledgor listed on Schedule I attached hereto, but not including any Trademarks subject to an "intent to use" application until such time as a statement of use has been filed with the United States Patent and Trademark Office;

(b) all Goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. U.S. Security Agreement. The security interest granted pursuant to this Trademark U.S. Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the U.S. Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Trustee with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the U.S. Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark U.S. Security Agreement is deemed to conflict with the U.S. Security Agreement, the provisions of the U.S. Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the full performance of the Obligations, the Collateral Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark U.S. Security Agreement.

[signature page follows]

IN WITNESS WHEREOF, each Pledgor has caused this Trademark U.S. Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
