TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of April 28, 2005, between each of the undersigned (each, a "Grantor"), and Wilmington Trust Company, acting in the capacity of agent for the benefit of itself and the other Secured Parties (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS pursuant to the terms of that certain Term Loan Credit Agreement, dated as of April 28, 2005 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Term Loan Credit Agreement"), by and among Polaroid Corporation (together with each other Person that becomes a party to the Term Loan Credit Agreement as a Borrower, individually, a "Borrower" and, collectively, the "Borrowers"), the Lenders party thereto from time to time, the Collateral Agent and JPMorgan Chase Bank, N.A., as Administrative Agent, such Lenders have agreed to extend credit to the Borrower;

WHEREAS pursuant to the Term Loan Pledge and Security Agreement, dated as of April 28, 2005 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Term Loan Security Agreement"), between the Grantors and the Collateral Agent, each Grantor granted to the Collateral Agent a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under all Collateral (as defined in the Term Loan Security Agreement), including the Trademark Collateral (as defined below), and all Collateral, in each case whether now owned or existing or hereafter acquired or arising and wherever located, to secure the prompt and complete payment and performance of all Security Agreement Secured Obligations (as defined in the Term Loan Security Agreement), including the obligations of the Borrowers under the Term Loan Credit Agreement; and

WHEREAS pursuant to the Term Loan Credit Agreement, the Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor agrees as follows:

Section 1. Defined Terms

Unless otherwise defined herein, capitalized terms defined in the Term Loan Security Agreement and used herein have the meaning given to them in the Term Loan Security Agreement.

Section 2. Grant of Security Interest in Trademarks

Each Grantor hereby grants to the Collateral Agent a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under the Trademarks, including the Trademarks listed in Schedule A, in each case whether owned or existing or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral"); provided that applications filed in the U.S. Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such marks will not be deemed Trademark Collateral unless and until the filing of a "Statement of Use" or "Amendment to

"Allege Use" has been filed and accepted in the United States Patent and Trademark Office, whereupon such applications shall be automatically subject to the lien granted herein and deemed included in the Collateral.

Section 3. Security for Obligations

This Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment and performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a) (and any successor provision thereof)), of all Security Agreement Secured Obligations.

Section 4. Security Agreement

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Collateral Agent pursuant to the Term Loan Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Term Loan Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Term Loan Security Agreement, the terms of the Term Loan Security Agreement shall control.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be duly executed and delivered by its duly authorized officer as of the date first set forth above.
