TRADEMARK SECURITY AGREEMENT

WHEREAS, Johnson Rubber Company, Inc., a Delaware corporation (the "Assignor") has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the annexed Schedule 1A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Assignor, has entered into a Financing Agreement, dated as of December 8, 2005 (as amended, supplemented, restated or otherwise modified from time to time, the "Financing Agreement") with The CIT Group/Business Credit, Inc., a New York corporation, ("CIT") and any other entity becoming a Lender under the Financing Agreement (together with CIT, each such entity individually, a "Lender" and collectively, the "Lenders"), and CIT as Agent for the Lenders (in such capacity, the "Agent");

WHEREAS, pursuant to the Financing Agreement, the Assignor has assigned and granted to the Agent, for the benefit of the Lenders, a continuing security interest in all right, title and interest of the Assignor in, to and under the Trademarks, together with, among other things, the good-will of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Obligations (as defined in the Financing Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge and grant to the Agent a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations.

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the Collateral are more fully set forth in the Financing Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. For the avoidance of doubt the Assignor makes no assignment nor grants any right to assign or perform any other action with respect to any intent to use trademark applications.

Upon the indefeasible satisfaction in full of the obligations of Assignor pursuant to the terms of the Financing Agreement (i) this Trademark Security Agreement and the security interests created hereby shall terminate and all rights to the Collateral shall revert to the Assignor and (ii) Agent shall (a) return to the Assignor all of the Collateral and (b) execute and deliver to the Assignor such documents as the Assignor shall reasonably request to evidence such termination, all without any representation, warranty or recourse whatsoever.

This Trademark Security Agreement will be governed by the laws of the State of New York without regard to its principles of conflict of laws other than Sections 5-1401 and 5 1402 of the New York General Obligations Law.

IN WITNESS WHEREOF, the Assignor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of December 8, 2005.
