INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**IP Security Agreement**”) dated August 14, 2006, is made by the person listed on the signature page hereof (the “**Grantor**”) in favor of Citicorp Trustee Company Limited, as Security Trustee (the “**Security Trustee**”) for the Secured Parties (as defined in the Security Agreement referred to below).

WHEREAS, Elmira 1 B.V. (the “**Parent**”) and certain of its Subsidiaries (including the Grantor) have entered into a Senior Facilities Agreement dated April 27, 2006 and amended and restated on May 9, 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Senior Facilities Agreement**”) with Citigroup Global Markets Limited, Credit Suisse, London Branch, Fortis Bank (Nederland) N.V. as Arrangers, Citibank International plc as Agent, Citibank International plc and Fortis Bank (Nederland) N.V. as Issuing Banks, the Security Trustee on behalf of the Secured Parties and the Lenders named therein (each as defined therein).

WHEREAS, the Parent and certain of its Subsidiaries (including the Grantor) have entered into a Mezzanine Facility Agreement dated April 28, 2006 and amended and restated on May 9, 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Mezzanine Facility Agreement**”) with Citigroup Global Markets Limited, Credit Suisse, London Branch, FB Acquisition Finance Holding B.V. as Arrangers, Credit Suisse, London Branch, as Agent, the Security Trustee on behalf of the Secured Parties and the Lenders named therein (each as defined therein).

WHEREAS, the Parent and certain of its Subsidiaries (including the Grantor) have entered into an Intercreditor Agreement dated May 9, 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time) with, among others, Citibank International plc as Senior Facility Agent, Credit Suisse, London Branch, as Mezzanine Facility Agent, the Security Trustee and the Lenders (each as defined therein).

WHEREAS, as a condition precedent to the making of Utilisations by the Lenders under the Senior Facilities Agreement and the Mezzanine Facility Agreement, as applicable, and the entry into Hedging Agreements by the Hedge Counterparties from time to time, the Grantor has executed and delivered that certain Security Agreement dated May 24, 2006 made by the Grantor and others to the Security Trustee (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”). Terms defined in the Security Agreement and not otherwise defined herein are used herein as defined in the Security Agreement.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Security Trustee, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed as a condition thereof to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Security Trustee for the ratable benefit of the Secured Parties a security interest in all of the Grantor's right, title and interest in and to the following (the "Collateral"):

- (i) the patents and patent applications set forth in Schedule A hereto (the "Patents");
- (ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "Trademarks");
- (iii) all copyrights, whether registered or unregistered, now owned or hereafter acquired by the Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "Copyrights");
- (iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;
- (v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this IP Security Agreement secures the payment of the Secured Obligations. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the Secured Obligations and that would be owed by the Grantor to any Secured Party under the Finance Documents but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving an Obligor.

SECTION 3. Recordation. The Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Security Trustee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
