## RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This release (the "Release") is made as of August <sup>24th</sup> 2006, by BANK OF AMERICA, N.A., as administrative agent for the Lenders (as defined below) (the "Secured Party").

### RECITALS

Russell Corporation, a Delaware corporation (the "Corporation") and certain of its subsidiaries (collectively, the "Borrowers"), the financial institutions from time to time party thereto (the "Lenders"), and the Secured Party entered into that certain Amended and Restated Loan and Security Agreement dated as of June 30, 2006 (as at any time amended, supplemented, restated, or otherwise modified, the "Loan Agreement"; capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Loan Agreement).

Whereby the Secured Party has, pursuant to the Loan Agreement and other Loan Documents, a security interest in and has taken a collateral assignment of the registered trademarks, trademark applications and patents listed on Exhibit A (the "Intellectual Property") attached hereto and incorporated herein, and since the obligation underlying the security interest and collateral assignment is no longer owed, the Secured Party has no further interest in the Intellectual Property.

Accordingly, the Secured Party hereby releases all of its interest in and to the Intellectual Property and hereby conveys the same, without recourse, representation or warranty to the applicable Borrower owner of record.

NOW, THEREFORE, in consideration of the premises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Secured Party does hereby release, without any representation, recourse or undertaking by the Secured Party, its security interest in the Intellectual Property.

Secured Party agrees to execute such further instruments and documents and perform such further acts as the Borrowers may deem necessary to release the Secured Party's security interest in the Intellectual Property.
