TRADEMARK RELEASE

THIS TRADEMARK RELEASE is given as of October 10, 2006 by ING BANK N.V., London Branch, as security agent for certain lenders ("Assignor"), to Eliokem, Inc., a Delaware corporation (the "Assignee"), as follows:

WHEREAS, Assignor and Assignee entered into the Grant of Security Interest in United States Trademarks, dated as of December 21, 2001 (the "Trademark Grant") which was recorded in the United States Patent and Trademark Office on March 13, 2002 at Real 2478, Frame 0288, pursuant to which the Assignee granted to the Assignor a continuing security interest in the Trademarks (as defined in the Trademark Grant) and interests of the Assignee in the Trademarks referred to in Schedule A thereto, and identified in Exhibit A to this Release, and all goodwill of the business symbolized by and associated with the Trademarks and the applications and registrations thereof, and all proceeds, products, offspring, rents, issues, profits and returns of and from any of the foregoing, and the right to sue for all past, present and future infringements of any of the foregoing; to secure the prompt payment, performance and observance of the obligations and liabilities arising out of the Security Agreement (as defined in the Trademark Grant);

WHEREAS, Assignee has fully paid all its Obligations (as defined in the Security Agreement) and Assignor desires to release its security interests in and liens upon the Collateral (as defined in the Security Agreement) pledged pursuant to the Security Agreement, including, but not limited to the Trademarks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby releases its continuing security interest in and lien upon the Trademarks and interests of the Assignee in the Trademarks and reassigns any and all interest it may have in such Trademark to the Assignee.

IN WITNESS WHEREOF, Assignor has caused this TRADEMARK RELEASE to be duly executed by its officer thereunto duly authorized as of this October __, 2006.
