## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of May 31, 2007, is executed by WESTRIM, INC., a Delaware corporation (the "Grantor"), in favor of BANK OF AMERICA, N.A. (the "Bank").

### WITNESSETH:

WHEREAS, Grantor and Bank have entered into a Credit Agreement of even date herewith (the "Credit Agreement") pursuant to which Bank has agreed to make certain Credit Extensions to Grantor; and

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered to Bank a Security Agreement of even date herewith (the "Security Agreement"); and

WHEREAS, as a condition precedent to the making of the Credit Extensions under the Credit Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Bank a continuing security interest in all of the Trademark Property (as defined below) to secure all Liabilities; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Credit Agreement. The following terms (whether or not underscored) when used in this Agreement, including its preamble and recitals, shall have the following meanings (such definitions to be equally applicable to the singular and plural forms thereof):

"Agreement" is defined in the Preamble.

"Bank" is defined in the Preamble.

"Credit Agreement" is defined in the Recitals.

"Grantor" is defined in the Preamble.

"Security Agreement" is defined in the Recitals.

"Trademark" is defined in Section 2.

"Trademark Property" is defined in Section 2.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Liabilities, the

Grantor hereby assigns and pledges to the Bank a security interest in all of the following property, whether now owned or hereafter acquired or existing (the "Trademark Property"):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and General Intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office, or in any office or agency of the United States Federal or state government, and corresponding offices in other countries of the world, including those referred to in Item A of Schedule I attached hereto;

(b) all Trademark licenses, including each Trademark license referred to in Item B of Schedule I attached hereto;

(c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b) above;

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b) above; and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Item A and Item B of Schedule I attached hereto, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license.

**SECTION 3. Credit Agreement.** This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Bank in the Trademark Property with the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Bank under the Security Agreement. The Credit Agreement, the Security Agreement and all other Collateral Documents (and all rights and remedies of the Bank thereunder) shall remain in full force and effect in accordance with their respective terms.

**SECTION 4. No Further Trademark Registrations Without Security Interest on File.** The Grantor hereby covenants that it shall promptly, but no later than thirty days, after filing any new Trademark applications with the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world, it shall execute and file (at its expense) a supplement substantially

identical to this Agreement covering such application in the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world immediately after a serial number or other identifier has been assigned to such application or such other documents or instruments as the Bank shall have notified Grantor are necessary or appropriate, in each case, for the full perfection of a first priority security interest in favor of the Bank in such applications and related trademarks, such documents reflecting such security interests in favor of the Bank to be on file in any event in all requisite offices within three months after the filing by Grantor of any application.

SECTION 5. Release of Security Interest. Upon payment in full of all Liabilities and the termination of all Commitments of the Bank under the Credit Agreement, the Bank shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Property which has been granted hereunder.

SECTION 6. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Bank with respect to the security interest in the Trademark Property granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 7. Covenants. In addition to and not in limitation of the covenants and agreements contained in the Security Agreement, Grantor hereby covenants and agrees that it will not enter into any new Trademark licenses or any other new agreements that provide Grantor with the right to use Trademarks after the date hereof which would restrict the ability of Grantor to grant a security interest in favor of the Bank therein unless it obtains the prior written consent of the Bank. Grantor shall not, without the Bank's prior written consent, grant any new exclusive licenses, or otherwise transfer all or substantially all Grantor's rights, with respect to any item comprising Trademark Property, except as permitted under the Credit Agreement and the Security Agreement.

SECTION 8. Grant of License to Use Trademark Property. For the purpose of enabling the Bank to exercise rights and remedies under this Agreement, the Security Agreement, the Credit Agreement and all other Loan Documents, at such time as the Bank shall be lawfully entitled to exercise such rights and remedies, and as a supplement to and not in limitation of any and all rights and remedies available to the Bank, to the extent the Bank chooses to avail itself of the following, upon and subject to the occurrence and during the continuance of an Event of Default, the Grantor grants, to the extent not prohibited by applicable law or currently existing licenses granted in the ordinary course of business (unless and until appropriate consents have been obtained), to the Bank an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Grantor) to use, license or sublicense any Trademark Property now owned or hereafter acquired by Grantor; provided, however, that to the extent such Trademark Property consists of Trademark licenses or other agreements that provide Grantor with the right to use Trademarks the non-exclusive license granted hereby to the Bank shall be subject to the terms and conditions contained in such Trademark licenses or such other agreements.

SECTION 9. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof. The provisions of this Agreement are in addition to, and not intended to be a limitation of, the duties of Grantor and the rights of the Bank under the Credit Agreement or any of the other Loan Documents. To the extent there exists any conflict or ambiguity between the terms, covenants and conditions of this Agreement and any of the other Loan Documents, the terms, covenants and conditions which shall enlarge the rights and remedies of the Bank and the interest of the Bank in the Collateral, afford the Bank greater financial security in the Collateral and better assure payment of the Liabilities in full, shall control.

SECTION 10. Section Captions. Section captions used in this Agreement are for convenience of reference only, and shall not affect the construction of this Agreement.

SECTION 11. Severability. Wherever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

SECTION 12. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA (WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF), EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF CALIFORNIA.

SECTION 13. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed and delivered by its officers thereunto duly authorized as of the day and year first above written.
