**SECTION 1. provided, that notwithstanding any of the other provisions set forth in this Section 1, this Agreement shall not constitute a grant of a security interest in (A) any property to the extent that such grant of a security interest in such property is prohibited by any Requirement of Law of a Governmental Authority, requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law, or is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, license, shareholder agreement, instrument or other document or agreement evidencing, governing or giving rise to such property, except (i) to the extent that the terms in such contract, license, shareholder agreement, instrument or other document or agreement providing for such prohibition, breach, default or termination, or requiring such consent are not permitted
