ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks and Servicemarks is made as of July 31, 2007 by CHEMTURA CORPORATION, a Delaware corporation ("Assignor"), to Pergan Marshall LLC, a Texas limited liability company ("Assignee").

PRELIMINARY STATEMENT

A. As of May 3, 2007, Assignor and PERGAN Nordamerika GmbH, a German company with limited liability ("Pergan Nordamerika"), entered into an Asset Purchase Agreement (the "Agreement") pursuant to which Assignor has agreed to sell to Pergan Nordamerika and Pergan Nordamerika has agreed to buy from Assignor the Assets (as defined in the Agreement), including trademarks, service marks, and similar intellectual property of Assignor.

B. Pergan Nordamerika assigned certain rights under the Agreement to Assignee.

C. Pursuant to the Agreement, Assignor has agreed to execute such instruments of assignment as Assignee may reasonably request.

D. Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's name, Assignor's registered and unregistered domestic and foreign trademarks and service marks, all associated registrations and applications and any renewals and extensions for those trademarks and service marks listed on Schedule A, attached (all of the foregoing being referred to herein as the "Marks").

AGREEMENT

Assignor, for and in acknowledgement of receipt of the consideration set forth in the Agreement, hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, and all causes of action, rights of recovery and claims for damages and other relief referring or pertaining to the Marks, including claims for past and future infringement, that may hereafter be secured under the laws now or hereafter in effect in the United States of America, the same to be held and enjoyed by Assignee, its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Except to the extent that federal law preempts state law with respect to the matters covered by this Assignment, it will be governed by and construed under the laws of the state of New York without regard to conflicts of laws principles that would require the application of any other law.
