ABL NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

THIS ABL NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Agreement"), dated as of August 30, 2007, is made by each of the signatories hereto (each, a "Grantor") in favor of MERRILL LYNCH CAPITAL, a division of MERRILL LYNCH BUSINESS FINANCIAL SERVICES INC. ("Merrill Lynch"), as administrative agent and collateral agent for the banks and other financial institutions (the "Lenders") that are parties to the ABL Credit Agreement (in such capacities, respectively, the "Administrative Agent" and the "U.S. ABL Collateral Agent"), dated as of August 30, 2007 (as amended, amended and restated, waived, supplemented or otherwise modified from time to time, together with any agreement extending the maturity of, or restructuring, refunding, refinancing or increasing the indebtedness under such agreement or successor agreements, the "ABL Credit Agreement"), among HDS ACQUISITION SUBSIDIARY, INC., to be merged with and into HD SUPPLY, INC., a Texas corporation (the "Borrower"), MERRILL LYNCH CAPITAL, a division of MERRILL LYNCH BUSINESS FINANCIAL SERVICES INC., as administrative agent, collateral agent and Issuing Lender (as such term is defined in the ABL Credit Agreement), and the other parties thereto.

WHEREAS, pursuant to the ABL Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the ABL Credit Agreement, the Borrower, the Grantors, and certain other Domestic Subsidiaries of Borrower executed and delivered a U.S. Guarantee and Collateral Agreement, dated as of August 30, 2007, in favor of the U.S. ABL Collateral Agent (as the same may be amended, restated, supplemented, waived or otherwise modified from time to time, the "U.S. Guarantee and Collateral Agreement");

WHEREAS, pursuant to the U.S. Guarantee and Collateral Agreement, each Grantor granted to the U.S. ABL Collateral Agent a security interest in its Intellectual Property, including Trademarks; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Grantors on the terms and subject to the conditions of the ABL Credit Agreement, each Grantor agrees, for the benefit of the U.S. ABL Collateral Agent, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the

meanings provided or provided by reference in the ABL Credit Agreement and the U.S. Guarantee and Collateral Agreement.

SECTION 2. Confirmation of Security Interest. Each Grantor hereby confirms that pursuant to the U.S. Guarantee and Collateral Agreement, subject to existing licenses to use the Trademarks granted by such Grantor in the ordinary course of its business, it granted to the U.S. ABL Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Trademarks of such Grantor (including, without limitation, those items listed on Schedule A hereto under such Grantor's name) and to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, except that no security interest is or will be granted pursuant thereto in any right, title or interest of such Grantor under or in any Trademark Licenses with Persons other than Holding, Borrower, a Restricted Subsidiary or an Affiliate thereof for so long as, and to the extent that, the granting of such a security interest pursuant thereto would result in a breach, default or termination of such Trademark Licenses.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantors for the purpose of recording the security interest granted pursuant to the U.S. Guarantee and Collateral Agreement with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the U.S. Guarantee and Collateral Agreement. The U.S. Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are fully set forth in the ABL Credit Agreement and the U.S. Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
