U.S. TRADEMARK ASSIGNMENT

This U.S. TRADEMARK ASSIGNMENT ("Assignment") made as of February 29, 2008 by Alcoa Inc., a Pennsylvania corporation having a place of business at 201 Isabella Street, Pittsburgh, Pennsylvania 15212 ("Assignor"), and Reynolds Foil Inc., a Delaware corporation, having a principal place of business at 6603 West Broad Street, Richmond, Virginia 23230 ("Assignee").

WHEREAS, Assignor and Rank Group Limited are parties to the Acquisition Agreement, dated December 21, 2007 (the "Agreement"), providing for the execution and delivery of this Assignment;

WHEREAS, Assignor is the sole owner of all right, title and interest in and to the trademarks set forth in Schedule A, which are registered in, or for which application for registration has been filed in, the United States Patent and Trademark Office (collectively, the "Assigned Marks");

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Assigned Marks and all of the goodwill associated therewith; and

WHEREAS, Assignee and Assignor are desirous of executing an instrument of assignment for recordation with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby assign to Assignee all of Assignor's right, title and interest in and to the Assigned Marks and the goodwill of the business connected with the use of and symbolized by the Assigned Marks and the right to sue and recover damages and profits for third-party infringements, including past infringements, if any.

Assignor agrees on behalf of itself, its directors, officers, employees, agents, successors, assigns, and legal representatives to execute any and all papers and instruments and to do any and all acts which may be necessary or reasonably requested by Assignee, in order to carry into full force and effect this sale, assignment and transfer, including without limitation to vest in Assignee or its assigns title in and to the Assigned Marks.

This Assignment may be executed and delivered (including by facsimile transmission or otherwise electronically) simultaneously in counterparts, each of which when executed will be deemed an original but all of which together will constitute one and the same instrument.

This Assignment shall be governed by, and construed in accordance with, the laws of the United States in respect to trademark issues, and in all other respects, including as to validity, interpretation and effect by the internal laws of the State of New York applicable to agreements made and to be performed entirely within such State.
