TRADEMARK AND INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment is effective as of the 1st day of June, 2007, by and between Healthpoint, Ltd, having a current mailing address at 3909 Hulen Street, Fort Worth, Texas 76107 (“**ASSIGNOR**”) and Coria Laboratories, Ltd., a Delaware corporation, having a principal place of business and mailing address at 3908 Hulen Street, Fort Worth, Texas 76107 (“**ASSIGNEE**”).

WITNESSETH:

WHEREAS, **ASSIGNOR** is the owner of any and all rights associated with all the marks identified in the Schedule “A” hereto (“marks”), including, without limitation, common law rights, state, and federal trademark applications associated with the **ASSIGNOR**, and any copyrights, trade dress rights, and other intellectual property rights associated with the packaging and advertising of products used in connection with the marks identified in the Schedule “A” hereto.

WHEREAS, **ASSIGNEE** is desirous to acquire all rights and good will associated with the marks identified in the Schedule “A” hereto.

NOW, THEREFORE, in consideration of monies and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **ASSIGNOR** hereby sells, assigns, and transfers unto **ASSIGNEE**, its successors, assigns, and legal representatives, the full and exclusive worldwide right, title, and interest in and to any and all rights associated with the marks identified in the Schedule “A”, including, without limitation:

1. The common law trademark rights associated with the marks, any and all State trademark applications associated with the marks, any and all United States trademark applications associated with the marks, and any foreign trademark rights associated with the marks, including the goodwill embodied with all of these marks, any and all stylized and typed versions of these marks, the right to obtain further trademark registrations related thereto, and the right to sue for infringements and past infringements thereof;

2. Any and all copyrights associated with the packaging and advertising of products used in connection with the marks, including but not limited to the right to obtain subsequent registrations of copyright therein with the United States Copyright Office, rights in all variations or any other derivative or similar artwork, and all rights corresponding thereto throughout the world, including the right to sue for infringement of these copyrights, including any and all past infringements and damages resulting therefrom;

3. Any and all trade dress rights associated with the packaging and advertising of products used in connection with the marks and all rights corresponding thereto throughout the world, including the right to sue for infringement of these trade dress rights, and including any and all past infringements and damages resulting therefrom; and,

4. Any and all domain names owned or controlled by **ASSIGNOR** that include the marks or similar formatives thereof; and

ASSIGNOR hereby requests the Commissioner of Trademarks of the United States and any Official of any country or countries foreign to the United States whose duty it is to receive or register trademarks or applications therefor to record **ASSIGNEE** as the owner of the marks and to issue all registrations for said marks, to be in the name of **ASSIGNEE**, as assignee of the marks, for the sole use of **ASSIGNEE**, its successors, legal representatives, and assigns, in accordance with the terms of this Assignment.
