This TRADEMARK SECURITY AGREEMENT (this "Agreement") is made this ^{28th} day of March, 2008, by and among **INTERTAPE POLYMER CORP.**, a Delaware corporation ("Intertape"), **IPG (US) INC.**, a Delaware corporation ("US2"), **IPG (US) HOLDINGS, INC.**, a Delaware corporation ("US2"; together with Intertape and US1, collectively, the "US Borrowers" and each individually, a "US Borrower"), **IPG HOLDINGS LP**, a Delaware limited partnership ("LP"), **INTERTAPE POLYMER US INC.**, a Delaware corporation ("US3"), **POLYMER INTERNATIONAL CORP.**, a Virginia corporation ("Polymer"), **IPG FINANCIAL SERVICES INC.**, a Delaware corporation ("Fin Serv"; together with LP, US3 and Polymer, collectively, the "US Guarantors" and each individually, a "US Guarantor"; the US Borrowers and US Guarantors are referred to herein collectively as the "Companies," and each individually as a "Company"), and **BANK OF AMERICA, N.A.**, a national banking association, in its capacity as collateral and administrative agent (together with its successors in such capacity, the "Agent") for the Lenders (as defined below).

Recitals:

The Companies desire to obtain loans and other financial accommodations from certain financial institutions ("Lenders") that are parties from time to time to that certain Loan and Security Agreement dated on or about the date hereof (as at any time amended, restated, extended, supplemented or otherwise modified, the "Loan Agreement") by and among the Companies, Agent, Lenders, and certain other parties thereto.

A condition to Agent's and the Lenders' willingness to make loans or extend other financial accommodations under the Loan Agreement is each Company's execution and delivery of this Agreement. To induce Agent and Lenders to make loans and otherwise extend credit pursuant to the Loan Agreement, each Company has agreed to grant a continuing security interest in and to the Trademark Collateral (as hereinafter defined) to Agent, for the benefit of itself and the Lenders, as security for the timely payment and performance of the Secured Obligations (as hereinafter defined).

It is in the interests of each Company that Agent and Lenders extend credit pursuant to the Loan Agreement, and therefore, each Company is prepared to ensure that in all circumstances all such credits and the Secured Obligations are secured by the Trademark Collateral as hereinafter set forth.

Each Company acknowledges that it will receive substantial direct and indirect benefits by reason of the making of loans and other financial accommodations as provided in the Loan Agreement and by virtue of the Companies' various inter-relationships.

NOW, THEREFORE, for Ten Dollars (\$10.00) in hand paid and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Companies hereby agree with Agent as follows:

1. Each capitalized term used herein (including those used in the Recitals hereto), unless otherwise defined, shall have the meaning ascribed to such term in the Loan Agreement. In addition, as used herein, the term "Secured Obligations" shall mean (a) with respect to any Company that is a

Borrower under (and as defined in) the Loan Agreement, all of the "Obligations" under (and as defined in) the Loan Agreement and all of the obligations of such Borrower under any Guaranty of such Borrower (including, without limitation, all of the "Guaranteed Obligations" under (and as defined in) any Guaranty executed by such Borrower on or about the date hereof), (b) with respect to any Company that is a Guarantor under (and as defined in) the Loan Agreement, all of the obligations of such Guarantor under any Guaranty of such Guarantor (including without limitation, all of the "Guaranteed Obligations" under (and as defined in) any Guaranty executed by such Guarantor on or about the date hereof, and (c) with respect to all Companies, all of the Companies' debts, liabilities, obligations and agreements under this Agreement.

2. To secure the prompt payment and performance of all of the Secured Obligations, each Company hereby grants, assigns and pledges to Agent, for its benefit and the benefit of the Secured Parties, a continuing security interest in and Lien upon all of the following property of such Company, whether now owned or existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all trademarks, trademark registrations, trade names and trademark applications, including, without limitation, the trademarks and applications listed on Exhibit A attached hereto and made a part hereof (as the same may be amended from time to time), and (i) all renewals thereof, (ii) all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trademark registrations, trade names and applications, together with the items described in clauses (i)-(iv), are hereinafter collectively referred to as the "Trademarks");

(b) the goodwill of such Company's business connected with and symbolized by the Trademarks; and

(c) all proceeds of the foregoing (such as, by way of example, license royalties and proceeds of infringement suits).

3. Each of the Companies represents and warrants to Agent and Lenders that:

(a) Each of the Trademarks is subsisting and has not been adjudged invalid or unenforceable;

(b) Upon filing of a UCC-1 financing statement in the applicable recording office of such Company's jurisdiction or organization, such financing statement and this Agreement will create a legal, valid and perfected Lien upon and security interest in the Trademark Collateral that is listed on Exhibit A attached hereto, enforceable against such Company and all third Persons in accordance with its terms;

(c) No claim has been made that the use of any of the Trademarks does or may violate the rights of any Person;

(d) Each of the Trademarks is valid and enforceable; and

(e) Such Company is now and shall continue to be the sole and exclusive owner of the entire and unencumbered right, title and interest in and to all of its Trademark Collateral, free and clear of any Liens, charges and encumbrances (except licenses permitted pursuant to paragraph 6 below and Permitted Liens), including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by such Company not to sue third Persons.

4. Each of the Companies covenants and agrees with Agent and Lenders that except for Trademarks abandoned by such Company in the Ordinary Course of Business, or as otherwise permitted in the Loan Agreement, such Company has maintained and will continue to maintain for the duration of this Agreement, the registration of its registered Trademarks, including, without limitation, renewing its registered Trademarks and filing an affidavit of use with the United States Patent and Trademark Office and any applicable foreign filing office for each registered Trademark as required by Applicable Law to maintain the registration thereof without loss of protection therefor.

5. Each Company hereby grants to Agent, and its employees and agents (and any Lender or Lenders and their respective employees and agents), the visitation, audit, and inspection rights with respect to such Company and its Collateral as set forth in the Loan Agreement.

6. Until Full Payment of the Obligations, no Company shall enter into any license agreement relating to any of the Trademarks with any Person except licenses to customers, vendors, suppliers, agents or other service providers of the Companies in the Ordinary Course of Business.

7. If, before Full Payment of all of the Obligations, any Company shall obtain rights to any new trademarks, or become entitled to the benefit of any trademark application or registered trademark or any renewal of any Trademark, the provisions of paragraph 2 hereof shall automatically apply thereto, and such Company shall give to Agent prompt notice thereof in writing.

8. Each Company irrevocably authorizes and empowers Agent to modify this Agreement by amending Exhibit A to include any future trademarks and trademark applications under paragraph 2 or paragraph 7 hereof. Agent shall use reasonable efforts to give notice to the applicable Company in connection with Agent's amendment of Exhibit A.

9. At any time that an Event of Default exists, Agent shall have, in addition to all other rights and remedies given it by this Agreement and the other Loan Documents, all rights and remedies of a secured party under the UCC and all other rights and remedies under any other Applicable Law. Without limiting the generality of the foregoing, if an Event of Default exists, Agent may immediately, for the benefit of Secured Parties, without demand of performance and without notice (except as described in the next sentence, if required by Applicable Law), or demand whatsoever to any Company, each of which each Company hereby expressly waives, and without advertisement (except as other required by Applicable Law), collect directly any payments due to any Company in respect of the Trademark Collateral, or sell at public or private sale or otherwise realize upon all or from time to time, any of the Trademark Collateral. Each Company hereby agrees that ten (10) days written notice to such Company of any public or private sale or other disposition of any of the Trademark Collateral shall be reasonable notice; provided, however, that no notice shall be required hereunder if not otherwise required by Applicable Law. At any such sale or

disposition, Agent may, to the extent permitted by Applicable Law, purchase the whole or any part of the Trademark Collateral sold, free from any right of redemption on the part of any Company, which right each of the Companies hereby waives and releases. After deducting from the proceeds of such sale or other disposition of the Trademark Collateral all reasonable costs and expenses incurred by Agent in enforcing its rights hereunder (including, without limitation, all reasonable attorneys' fees), Agent shall apply the remainder of such proceeds to the payment of the Obligations, in such order or manner as may be authorized or required by the Loan Agreement. Any remainder of the proceeds after Full Payment of all of the Obligations shall be paid over to the Companies. If any deficiency shall arise, the Companies and each Guarantor of the Obligations shall remain jointly and severally liable therefor.

10. Each Company hereby makes, constitutes and appoints Agent, and any officer or agent of Agent as Agent may select, as such Company's true and lawful attorney-in-fact, with full power to do any or all of the following if an Event of Default shall exist: to endorse such Company's name on all applications, documents, papers and instruments necessary for Agent to continue the registration of or to use the Trademarks, or to grant or issue any exclusive or nonexclusive license under the Trademarks to any other Person, or to assign, pledge, convey or otherwise transfer title in or dispose of any Trademark Collateral to any other Person. Each Company hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable until Full Payment of all of the Obligations.

11. Any and all reasonable fees, costs and expenses, of whatever kind or nature (including, without limitation, reasonable attorneys' fees and legal expenses) incurred by Agent in connection with the preparation of this Agreement and any other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including, without limitation, all taxes in connection therewith) with the United States Patent and Trademark Office or in any other public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, Liens or otherwise in protecting, maintaining, or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall be borne and paid by the Companies, jointly and severally (it being the intent of the Companies and Agent that the Companies shall be responsible for the payment of all sums, fees, costs and expenses, including, without limitation, all renewal fees with respect to the Trademarks) or, if paid by Agent in its sole discretion, shall be reimbursed by the Companies, jointly and severally to Agent within ten (10) days after demand by Agent and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the per annum rate of interest then applicable to U.S. Base Rate Loans.

12. Each Company shall use its commercially reasonable efforts to detect any infringers of the Trademarks and shall notify Agent in writing of material infringements detected. The Companies shall have the duty, through counsel reasonably acceptable to Agent, to prosecute diligently any trademark application for a Trademark pending as of the date of this Agreement or thereafter until Full Payment of the Obligations, to make federal application on registrable but unregistered Trademarks (subject to the Companies' reasonable discretion in the ordinary course of business, or, if an Event of Default exists, promptly upon Agent's request), to file and prosecute opposition and cancellation proceedings, to file and prosecute lawsuits to enforce the Trademarks and to do any and all acts which are reasonably deemed necessary or desirable by Agent to preserve and maintain all rights in the Trademarks. Any expenses incurred in connection with such

applications or proceedings shall be borne by the Companies, jointly and severally. No Company shall abandon any right to file a trademark application, or any pending trademark application or Trademark without the prior written consent of Agent; provided, however, that each Company shall be permitted to (i) license Trademarks in the Ordinary Course of Business, and (ii) abandon, fail to maintain, not renew or cancel any Trademarks that are not material to the business of such Company in such Company's reasonable business judgment.

13. Notwithstanding anything to the contrary contained in paragraph 12 hereof, at any time that an Event of Default exists, Agent shall have the right, but shall in no way be obligated, to bring suit instead in its own name to enforce the Trademarks and any license hereunder, or to defend any suit or counterclaim in its own name to protect the Trademarks or any license hereunder, in either of which events the Companies shall at the request of Agent do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Agent to aid such enforcement, or defense, and the Companies shall, within ten (10) days after demand, reimburse and indemnify Agent for all reasonable costs and expenses incurred in the exercise of its rights under this paragraph 13.

14. If any Company fails to comply with any of its obligations hereunder and at the time of such failure or as a result thereof an Event of Default exists, then to the extent permitted by Applicable Law, Agent may discharge such obligations in such Company's name or in Agent's name, in Agent's sole discretion, but at the Companies' expense, and the Companies agree jointly and severally to reimburse Agent in full for all expenses, including, without limitation, reasonable attorneys' fees, incurred by Agent in prosecuting, defending or maintaining the Trademarks or Agent's interest therein pursuant to this Agreement.

15. No course of dealing between the Companies and Agent or any Lender, nor any failure to exercise, nor any delay in exercising, on the part of Agent or any Lender, any right, power or privilege hereunder or under any of the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or future exercise thereof or the exercise of any other right, power or privilege.

16. All of Agent's rights and remedies with respect to the Trademark Collateral, whether established by this Agreement or by any of the other Loan Documents, or by any other agreements or by Applicable Law shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part, in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. This Agreement, together with the other Loan Documents, constitutes and expresses the entire understanding of the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings, inducements or conditions, whether express or implied, oral or written. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 8 hereof.

19. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of each Secured Party and upon the successors and permitted assigns of each Company. No Company shall assign its rights or delegate its rights or assign its duties hereunder without the prior written consent of Agent.

20. Each Company hereby waives notice of Agent's acceptance hereof.

21. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to conflict of law principles thereof other than Section 5-1401 of the New York General Obligations Law.

22. To the fullest extent permitted by Applicable Law, each Company and Agent each waives the right to trial by jury in any action, suit, proceeding or counterclaim of any kind arising out of or related to this Agreement or the Trademark Collateral.
