3.8. Security Interest. This Agreement creates a valid security interest in the Collateral, enforceable against the Company and all third parties, securing payment of the Obligations, which security interest will be perfected, with respect to rights in the United States, upon (a) the recording of this Agreement in the Office of the Commissioner of Patents and Trademarks and the United States Copyright Office, and (b) the filing of Uniform Commercial Code financing statements with the Secretary of State of Texas.

3.9. Registrations. The Company has duly and properly applied for registration of the Copyrights, Trademarks and Patents listed in Exhibits A, B and D hereto as indicated thereon, respectively, in the United States Patent and Trademark Office or the Copyright Office, as applicable.

4. COVENANTS.

From the date of this Agreement, and thereafter until this Agreement is terminated:

4.1. Inspection. The Company will permit the Agent, by representatives and agents, to examine and make copies of the records of the Company relating to the Collateral, and to discuss the Collateral and the records of the Company with respect thereto with, and to be advised as to the same by, the Company's officers and employees at such reasonable times and intervals as the Agent may designate.

4.5. Financing Statements and Other Actions. The Company will execute and deliver to the Agent all financing statements and other documents from time to time requested by the Agent or any Lender in order to maintain a perfected security interest in the Collateral.

4.6. Disposition of Collateral. Except for non-exclusive licensing agreements or as permitted under the Credit Agreement, the Company will not sell, lease or otherwise dispose of the Collateral.

4.7. Liens. The Company will not create, incur or suffer to exist any Lien upon the Collateral except the security interest created by this Agreement and as otherwise permitted by Section 6.18 of the Credit Agreement.

4.8. Other Financing Statements. The Company will not sign or authorize the signing on its behalf of any financing statement naming it as debtor covering all or any portion of the Collateral, except financing statements naming the lenders under the DMC Credit Agreement and the Agent, on behalf of the Lenders, as secured parties.

4.10. Collateral Royalties; Term. The Company hereby agrees that any use by the Agent, on behalf of the Lenders, of any Patents, Copyrights, Trademarks and Licenses as described above shall be worldwide, to the extent possessed by the Company, and without any liability for royalties or other related charges from the Agent or any Lender to the Company. The term of the security interests granted herein shall extend until the expiration of each of the respective Copyrights, Trademarks, Patents and Licenses pledged hereunder, or until the Obligations have been indefeasibly paid in full, no commitment by the Agent or any Lender exists that could give rise to any obligations and the Credit Agreement and this Agreement have been terminated, whichever first occurs.

4.11. Annual Report. The Company shall provide the Agent upon request, and in any event prior to April 15 of each year, with a list of all new applications for United States and foreign copyrights, patents and trademarks, which new applications shall be subject to the terms and conditions of this Agreement. The Company hereby authorizes the Agent to modify this Agreement by amending the Exhibits hereto to include any such new Trademarks, Patents, Copyrights or Licenses and to re-record this Agreement from time to time as the Agent sees fit.

4.12. Duties of Company. The Company shall have the duty (a) to prosecute diligently any application to register the Patents, Trademarks and Copyrights pending as of the date hereof or thereafter until all obligations have been indefeasibly paid in full, (b) to make application on unpatented but patentable material inventions and on material Trademarks and Copyrights, as appropriate or as requested by the Agent, and (c) to preserve and maintain all rights in all applications to register material Patents, Trademarks and Copyrights. Any expenses incurred in connection with such applications shall be borne by the Company. The Company shall not abandon any right to file an application to register material Patents, Trademarks and Copyrights without the prior written consent of the Agent.

4.13. Delivery of Certificates. Upon the request of the Agent, the Company shall deliver to the Agent copies of all existing and future official Certificates of Registration for the Patents, Trademarks and Copyrights.

4.14. Notice of Proceedings. The Company shall promptly notify the Agent and the Lenders of the institution of, and any adverse determination in, any proceeding in the United States Patent and Trademark Office or any agency of any state or any court regarding the Company's right, title and interest in any material Patent, Trademark or Copyright or the Company's right to register any material Patent, Trademark or Copyright.

5. DEFAULT.

5.1. The occurrence of any one or more of the following events shall constitute a Default:

5.1.1. Any representation or warranty made or deemed made by or on behalf of the Company to the Agent or the Lenders under or in connection with this Agreement shall be false in any material respect as of the date on which made or deemed made.

5.1.2. The breach by the Company of any of the terms or provisions of Section 4.4, 4.5, 4.6, 4.7, 4.8, 4.9 or 8.5 hereof.

5.1.3. The breach by the Company (other than a breach which constitutes a Default under Section 5.1.1 or 5.1.2 hereof) of any of the terms or provisions of this Agreement which is not remedied within twenty (20) days after the giving of written notice by the Agent.

5.1.4. The occurrence of any "Default" under and as defined in the Credit Agreement.

5.2. Acceleration and Remedies. If any Default described in the Credit Agreement occurs with respect to the Company, the obligations of the Lenders to make Loans thereunder and the right of the Lenders to declare the obligations to be due and payable shall be determined in accordance with the Credit Agreement.

5.3. Company's obligations Upon Default. Upon the request of the Agent after a Default occurs and is continuing, the Company will:

5.3.1. Assembly of Collateral. Assemble and make available to the Agent the Collateral and all records relating thereto at the main office of the Company or at such other place or places reasonably specified by the Agent.

5.3.2. Secured Party Access. Permit the Agent, by the Agent's representatives and agents, to enter and remain on any premises where all or any part of the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or such books and records and to remove all or any part of the Collateral or such books and records.

6. WAIVERS, AMENDMENTS AND REMEDIES.

6.1. Remedies. In the event that any Default has occurred and is continuing, the Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon the Company or any other person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, assign, give option or options to purchase, contract to sell or otherwise dispose of and deliver said Collateral, or any part thereof, in one or more portions at public or private sale or sales or dispositions, at any exchange,

broker's board or at any of the Agent's offices or elsewhere upon such terms and conditions as the Agent may deem advisable and at such prices as the Agent may deem best, for any combination of cash or on credit or for future delivery without assumption of any credit risk, with the right to the Agent or any Lender upon any such sale or sales or dispositions, public or private, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption in the Company, which right or equity is hereby expressly waived and released.

6.2. Waivers and Amendments. No delay or omission of the Agent or any Lender to exercise any right or remedy granted under this Agreement shall impair such right or remedy or be construed to be a waiver of any Unmatured Default or Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude other or further exercise thereof or the exercise of any other right or remedy, and no waiver, amendment or other variation of the terms, conditions or provisions of this Agreement whatsoever shall be valid unless in writing signed by the Agent and the Required Lenders (if so required by the Credit Agreement), and then only to the extent specifically set forth in such writing; provided, however, that any amendment purporting to release all or substantially all of the Collateral shall be valid only if signed by the Agent and all of the Lenders. All rights and remedies contained in this Agreement or by law afforded shall be cumulative and all shall be available to the Agent and the Lenders until the Obligations have been indefeasibly paid in full.

7. PROCEEDS.

7.1. Special Collateral Account. After a Default has occurred and is continuing, all cash proceeds of the Collateral received by the Agent shall be deposited in a special cash collateral account with the Agent and held there as security for the Obligations.

7.2. Application of Proceeds. The proceeds of the Collateral shall be applied by the Agent to payment of the Obligations in the following order unless a court of competent jurisdiction shall otherwise direct:

(a) FIRST, to payment of all reasonable costs and expenses of the Agent and the Lenders incurred in connection with the collection and enforcement of the Obligations or of the security interest granted to the Agent and the Lenders pursuant to this Agreement, including all costs and expenses of any sale pursuant hereto, and of any judicial or private proceedings in which such sale may be made, and of all other expenses, liabilities and advances made or incurred by the Agent, the Lenders and the agents and attorneys of each of them, together with interest at the Default Rate on such costs, expenses and liabilities and on all advances made by the Agent or any Lender from the date any such cost, expense or liability is due, owing or unpaid or any such advance is made, in each case until paid in full;

(b) SECOND, to payment of any amounts due and owing in accordance with the application of proceeds section set forth as Section 7.3 to the Borrower Security Agreement; and

(c) THIRD, the balance, if any, after all of the obligations have been satisfied, shall be remitted as required by law.

8. GENERAL PROVISIONS.

8.1. Notice of Disposition of Collateral. The Company hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Company, addressed as set forth in Section 10 hereof, at least ten (10) days prior to any such public sale or the time after which any such private sale or other disposition may be made.

8.2. Agent Performance of Company Obligations. Without having any obligation to do so, upon either (a) notice to the Company or (b) the occurrence of an Unmatured Default or a Default, the Agent may perform or pay any obligation which the Company has agreed to perform or pay in this Agreement and the Company shall reimburse the Agent for any amounts paid by the Agent pursuant to this Section 8.2. The Company's obligation to reimburse the Agent pursuant to the preceding sentence shall be an obligation payable on demand.

8.3. Authorization for Agent to Take Certain Action. The Company irrevocably authorizes the Agent at any time and from time to time, in the sole discretion of the Agent, upon either (a) notice to the Company or (b) the occurrence of an Unmatured Default or a Default: (i) to execute on behalf of the Company as debtor and to file financing statements and other documents with the United States Patent and Trademark Office or Copyright Office or otherwise which are necessary or desirable in the Agent's sole discretion to perfect and to maintain the perfection and priority of the Agent's and Lenders' security interest in the Collateral; (ii) to endorse and collect any cash proceeds of the Collateral; or (iii) to file a carbon, photographic or other reproduction of this Agreement or any financing statement with respect to the Collateral as a financing statement in such offices as the Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Agent's and the Lenders' security interest in the Collateral. At any time and from time to time after the Obligations have been declared or become due and payable in accordance with the Credit Agreement, the Company authorizes the Agent to apply the proceeds of any Collateral received by the Agent to the Obligations as provided in Section 7 hereof.

8.4. Specific Performance of Certain Covenants. The Company acknowledges and agrees that a breach of any of the covenants contained in Sections 4.1, 4.5, 4.6, 4.13, 5.3 and 8.5 hereof will cause irreparable injury to the Agent and the Lenders and that the Agent and the Lenders have no adequate remedy at law in respect of such breaches and therefore agree, without limiting the right of the Agent or the Lenders to seek and obtain specific performance of other obligations of the Company contained in this Agreement, that the covenants of the Company contained in the Sections referred to in this Section 8.4 shall be specifically enforceable against the Company.

8.5. Dispositions Not Authorized. Except as provided for by the Credit Agreement, the Company is not authorized to sell or otherwise dispose of the Collateral and notwithstanding any course of dealing between the Company and the Agent or other conduct of the Agent, no authorization to sell or otherwise dispose of the Collateral shall be binding upon the Agent or the Lenders unless such authorization is in writing signed by the Agent with the consent of the Required Lenders or all Lenders, as required by the Credit Agreement.

8.6. Definition of Certain Terms. Terms defined in the Uniform Commercial Code which are not otherwise defined in this Agreement are used in this Agreement as defined in the Uniform Commercial Code as in effect on the date hereof.

8.7. Benefit of Agreement. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the Company, the Agent and the Lenders and their respective successors and assigns, except that the Company shall not have the right to assign its rights or obligations under this Agreement or any interest herein, without the prior written consent of the Agent and the Lenders.

8.8. Survival of Representations. All representations and warranties of the Company contained in this Agreement shall survive the execution and delivery of this Agreement.

8.9. Taxes and Expenses. Any taxes (including, without limitation, any sales, gross receipts, general corporation, personal property, privilege or license taxes, but not including any federal or other taxes imposed upon the Agent or any Lender, with respect to its gross or net income or profits arising out of this Agreement) payable or ruled payable by any Federal or State authority in respect of this Agreement shall be paid by the Company, together with interest and penalties, if any. The Company shall reimburse (a) the Agent for any and all reasonable out-of-pocket expenses and internal charges (including reasonable attorneys', auditors' and accountants' fees and reasonable time charges of attorneys, paralegals, auditors and accountants who may be employees of the Agent) paid or incurred by the Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral (including the expenses and charges associated with any periodic or special audit of the Collateral), and (b) the Agent and each Lender for any and all reasonable out-of-pocket expenses and internal charges (including reasonable attorneys', auditors' and accountants' fees and reasonable time charges of attorneys, paralegals, auditors and accountants who may be employees of the Agent or such Lender) paid or incurred by the Agent or such Lender in connection with the collection and enforcement of this Agreement.

8.10. Headings. The title of and section headings in this Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Agreement.

8.11. Termination. This Agreement shall continue in effect (notwithstanding the fact that from time there may be no obligations or commitments therefor outstanding) until the payment in full of the Obligations and the termination of the Credit Agreement in accordance with its terms and all commitments of the Lenders thereunder, at which time the security interests granted hereby shall terminate and any and all rights to the Collateral shall revert to the Company. Upon such termination, the Agent shall promptly return to the Company, at the Company's expense, such of the Collateral held by the Agent as shall not have been sold or otherwise applied pursuant to the terms hereof. The Agent will promptly execute and deliver to the Company such other documents as the Company shall reasonably request to evidence such termination.

8.12. Entire Agreement. This Agreement, the Credit Agreement and the other Loan Documents embody the entire agreement and understanding between the Company and the Agent relating to the Collateral and supersede all prior agreements and understandings between the Company and the Agent relating to the Collateral.

8.13. Indemnity. The Company hereby agrees to assume liability for, and does hereby agree to indemnify and keep harmless the Agent and each Lender, its successors, assigns, agents and employees, from and against any and all liabilities, damages, penalties, suits, costs, and expenses of any kind and nature, imposed on, incurred by or asserted against the Agent or any Lender, or its successors, assigns, agents and employees, in any way relating to or arising out of this Agreement, or the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Collateral (other than liability resulting from the gross negligence or willful misconduct of the Agent or any such Lender).
