TRADEMARK
REEL: 003870 FRAME: 0038

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. The Administrative Agent hereby terminates, cancels and releases its security interest in all of the Grantor's right, title and interest in and to all of the following, all rights in and to which shall immediately revert to the Grantor, and its successors, legal representatives and assigns, all Intellectual Property Collateral, including, without limitation, the following rights including those listed on Schedule I hereto:

(a) all inventions, and all United States patent applications and all divisions, renewals and continuations thereof, and all Patents of the United States that may be granted thereon and all reissues thereof; and all rights for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed or granted for such inventions in any country or countries other than the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all extensions, renewals and reissues thereof (the "Patent Rights") and any licenses relating thereto ("Patent Licenses");

(b) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, and all extensions and renewals thereof (collectively, the "Trademark Rights") and any licenses related thereto ("Trademark Licenses"), and all goodwill of the business connected with the use of, and symbolized by, each trademark identified on Schedule I attached hereto; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present and future infringement or relating to royalties, of any Intellectual Property Collateral, or for injury to the goodwill associated with any of the Trademark Rights including those identified on Schedule I.

2. Administrative Agent hereby authorizes and requests the Director of the Patent & Trademark Office of the United States of America and the appropriate officers of all other jurisdictions in which any of the Intellectual Property Collateral is in force, or for which application or registration has been made, to record this Release to demonstrate the release by the Administrative Agent of the security interest in Grantor's Intellectual Property Collateral, under the relevant laws of the United States or any other jurisdictions.

3. The Administrative Agent will, at the expense and request of the Grantor, execute and deliver, or cause to be executed and delivered, any other or additional releases, documents, certificates, powers or other writings, and take all additional actions, as may be necessary to record this Release of the Intellectual Property Collateral, to effectuate and validate this Release.

IN WITNESS WHEREOF, Administrative Agent has caused this Release to be executed as of the day and year first above written.
