**ACKNOWLEDGEMENT OF
INTELLECTUAL PROPERTY COLLATERAL LIEN**

This Acknowledgement of Intellectual Property Collateral Lien (this "**Acknowledgement**") is dated as of August 31, 2005, by and among the Grantors listed on the signature pages hereto (individually, a "**Grantor**", and collectively, the "**Grantors**"), in favor of Norwest Mezzanine Partners II, LP, a Delaware limited partnership, and the other Purchasers from time to time party to the Note Agreement described below (collectively in such capacity, the "**Secured Party**").

WITNESSETH:

WHEREAS, pursuant to that certain Subordinated Note Purchase Agreement dated as of August 17, 2005 among the Grantors and the Secured Party (as the same exists and may be amended, restated, supplemented, extended, renewed, replaced or otherwise modified from time to time, the "**Note Agreement**"), the Secured Party has agreed to purchase the Notes from Holdco (as defined in the Note Agreement) upon the terms and subject to the conditions set forth therein;

WHEREAS, pursuant to that certain Security Agreement dated as of the date hereof among the Grantors and the Secured Party (as the same exists and may be amended, restated, supplemented, extended, renewed or otherwise modified from time to time, the "**Security Agreement**"), each of the Grantors granted to Secured Party certain liens on the Collateral to secure its respective Obligations under the Note Agreement; and

WHEREAS, pursuant to the terms of the Note Agreement and/or the Security Agreement the Grantors are required to execute and deliver this Acknowledgment in favor of Secured Party;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees with Secured Party as follows:

Section 1. Defined Terms. Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Security Agreement or, to the extent the same are used or defined therein, the meanings provided in Article 9 of the UCC in effect from time to time. Whenever the context so requires, each reference to gender includes the masculine and feminine, the singular number includes the plural and vice versa. This Acknowledgement shall mean such agreement as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, from time to time. References in this Acknowledgement to any Person shall include such Person and its successors and permitted assigns.

Section 2. Reaffirmation of Grant of Security Interest in Intellectual Property Collateral. Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the

Obligations, hereby reaffirms its grant to Secured Party of a priority security interest, subject only to the Liens securing repayment of the Senior Debt (as defined in the Note Agreement), in the Intellectual Property Collateral (as defined below), and further reaffirms its collateral assignment, conveyance, mortgage, pledge, hypothecation and transfer to Secured Party of a lien on and security interest in all of its right, title and interest in, to and under the following (herein referred to as "**Intellectual Property Collateral**"):

(i) all of its owned Trademarks and Trademark Licenses to which it is a party, including those referred to on Schedule I hereto;

(ii) all renewals, reissues, continuations or extensions of the foregoing;

(iii) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(iv) all Proceeds of the foregoing, including any claim by such Grantor against third parties for past, present, future (a) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (b) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

Section 3. Acknowledgement. The security interests reaffirmed herein are granted in conjunction with the security interest granted to Secured Party pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Intellectual Property Collateral reaffirmed herein are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent that there is any conflict or inconsistency between this Acknowledgement and the Security Agreement, the terms and conditions of the Security Agreement shall govern.

[Signatures appear on the following page]

IN WITNESS WHEREOF, each Grantor has caused this Acknowledgment of Intellectual Property Collateral Lien to be executed and delivered by its duly authorized officer as of the date first set forth above.
