**TRADEMARK SECURITY AGREEMENT**

Trademark Security Agreement (this "Agreement") dated as of September 10, 2008 by and between **FURMINATOR, INC. (f/k/a FM ACQUISITION CORP.)**, an Indiana corporation (the "Debtor"), having its chief executive office at 1638 Headland Drive, Fenton, Missouri 63026, and **FIFTH THIRD BANK**, a Michigan banking corporation (the "Secured Party"), with offices at 38 Fountain Square Plaza, MD 10AT63, Cincinnati, Ohio 45263, Attention: Structured Finance Group.

This Agreement is executed pursuant to the terms of (a) the Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") by and between the Debtor and Secured Party and (b) the Trademark Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") executed by the Debtor and Secured Party. Capitalized terms used herein but not defined herein shall have the meaning assigned to them in the Credit Agreement or the Security Agreement, as applicable.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Debtor hereby grants to the Secured Party a security interest in all of the Debtor's right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired:

(a) all of Debtor's right, title and interest in and to all of its now or in the future owned or existing trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service mark applications (exclusive, for purposes only of this Agreement, of any Intent to Use Applications as defined below), including each mark, registration, and application listed on Schedule I attached hereto and made a part hereof (the property in this item (a) being collectively, the "Trademarks"); (b) all renewals of each of the Trademarks; (c) all income, royalties, damages and payments now and in the future due or payable under or with respect to any and all Trademarks, including damages and payments for past or future infringements of any and all Trademarks; (d) all rights to sue for past, present and future infringements of any and all Trademarks; (e) all rights corresponding to each of the Trademarks throughout the world; (f) all rights of Debtor as licensor or licensee under, and with respect to, trademarks, service marks, trade names, and trademark and service mark applications; and (g) together in each case with the goodwill of Debtor's business connected with the use of, and symbolized by, the foregoing. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement is intended to be, or may be construed to be, an assignment of any application to register any trademark or service mark based on any intent to use filed by, or on behalf of, Debtor ("Intent to Use Applications"), and any Intent to Use Applications are specifically excluded from the Trademark Collateral for purposes of this Agreement.

The rights and remedies of the Secured Party with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.
