WHOLESALE TRADEMARK ASSIGNMENT AGREEMENT

THIS WHOLESALE TRADEMARK ASSIGNMENT AGREEMENT (this "**Assignment**"), dated as of April 17, 2009, is made by and between Schurman Fine Papers, a California corporation ("**Bear U.S.**"), 644064 N.B. INC., a New Brunswick corporation ("**Bear Canada**") and, together with Bear U.S., "**Assignors**"), and AGC, LLC., a Delaware limited liability company ("**Assignee**").

WHEREAS, Assignors and Assignee are parties to that certain Purchase and Sale Agreement, dated as of April 17, 2009 (the "**Purchase Agreement**") by and among Bear U.S., Bear Canada, Assignee, Carlton Cards Retail, Inc., a Connecticut corporation ("**Buckeye U.S.**"), Carlton Cards Limited, a Canada Business Corporations Act corporation ("**Buckeye Canada**") and, together with Buckeye U.S. and Assignee, the "**Buckeye Group**"), and American Greetings Corporation, an Ohio corporation, pursuant to which Bear U.S. has agreed to sell and to cause each other relevant member of Assignors to sell, and the Buckeye Group has agreed to purchase, the Wholesale Purchased Assets;

WHEREAS, Assignors are the owners of the entire right, title and interest in, to and under the United States and foreign trademark registrations and applications for registration of trademarks identified and set forth on **Annex A** or that otherwise constitute Wholesale Purchased Assets under the Purchase Agreement (all of the foregoing, collectively, the "**Trademarks**") and the goodwill associated with all of the foregoing;

WHEREAS, pursuant to the Purchase Agreement, the Trademarks and their associated goodwill are to be assigned to Assignee; and

WHEREAS, capitalized terms used herein without definition shall have the meanings given to such terms in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration (including the premises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignors hereby irrevocably sell, assign, transfer, convey, deliver and set over to Assignee, and its successors, assigns and other legal representatives, all of Assignors' right, title and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, applications therefor and renewals and extensions of the foregoing in the United States and for all foreign countries that are or may be secured under the laws of the United States, and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignors authorize and request the United States Commissioner of Patents and Trademarks and any other similar governmental authority in countries foreign to the United States to record Assignee as the assignee and owner of the Trademarks, and issue any and all registrations thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives.

Assignors shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and expense (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required) in connection with: (1) preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks; (2) prosecution or defense of any cancellation, opposition, infringement or other proceedings that may arise in connection with any of the Trademarks, including, without limitation, testifying as to any facts relating to the Trademarks and this Assignment; (3) obtaining any additional trademark protection for the Trademarks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or for all foreign countries; and (4) implementation, perfection and/or recording of this Assignment.

The scope, nature and extent of this Assignment is expressly set forth in the Purchase Agreement. Nothing contained herein shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase Agreement in any manner whatsoever. In the event of any ambiguity, conflict or other difference between the Purchase Agreement and this Assignment, the provisions of the Purchase Agreement shall govern and control. This Agreement is executed and delivered pursuant to the Purchase Agreement.

This Assignment shall be governed by, and construed and enforced in accordance with, the laws of the State of Ohio, without giving effect to any choice of law or conflict of laws rules or provisions (whether of the State of Ohio or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Ohio.

This Assignment may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. The electronic transmission of any signed original counterpart of this Assignment shall be deemed to be the delivery of an original counterpart of this Assignment.

[Signature pages follow this page.]

IN WITNESS WHEREOF, Assignors and Assignee have caused this Assignment to be duly executed as of the date first above written.
