COPYRIGHT AND TRADEMARK SECURITY AGREEMENT

THIS AGREEMENT is made this 25th day of JULY, 2008, between TROXEL PRODUCTS, LLC, a Delaware Limited Liability Company (the "Assignor") having an address of P.O. Box 276, Moscow, Tennessee 38057, and REGIONS BANK, An Alabama bank corporation, having an office at c/o Regions Business Capital, 1900 Fifth Avenue North, 23rd Floor, Birmingham, Alabama 35203 (the "Lender").

WITNESSETH:

WHEREAS, Assignor has requested that Lender make available certain credit facilities to it pursuant to a Loan and Security Agreement between Lender and Assignor and certain affiliates of Assignor dated JULY 25, 2008, (hereinafter referred to, together with all amendments thereto, as the "Loan Agreement"); and

WHEREAS, Lender is willing to make said credit facilities available to Assignor, provided the Assignor executes and delivers to Lender this Copyright and Trademark Security Agreement as additional collateral for the Obligations (as defined in the Loan Agreement); and

WHEREAS, the Assignor desires to execute and deliver in favor of Lender this Copyright and Trademark Security Agreement for the purposes and on the terms hereinafter stated;

NOW, THEREFORE, for Ten Dollars (\$10.00) in hand paid, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and in consideration of the premises, Assignor hereby agrees with Lender as follows:

1. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Loan Agreement.

2. To secure the payment and performance of the Obligations, the Assignor hereby pledges, assigns and grants to Lender a continuing security interest in and lien upon all of the following property of the Assignor, whether now owned or existing or hereafter acquired (the "Collateral"):

(a) all trademarks, trademark registrations, tradenames and trademark applications of Assignor, including, without limitation, the trademarks and applications listed on Schedule A attached hereto and made a part hereof (as the same may be amended from time to time), and (i) all renewals thereof, (ii) all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trademark registrations, tradenames and applications, together with the items described in clauses (i)-(iv), are hereinafter collectively referred to as the "Trademarks");

(b) all copyrights, copyrighted materials, copyright registrations, and copyright applications of Assignor, including, without limitation, the copyrights and applications listed on Schedule A attached hereto and made a part hereof (as the same may be amended from

time to time), and (i) all renewals thereof, (ii) all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, and (iv) all rights corresponding thereto throughout the world (all of the foregoing copyrights, copyrighted materials, copyright registrations, and copyright applications, together with the items described in clauses (i)-(iv), are hereinafter collectively referred to as the "Copyrights");

(c) the goodwill of Assignor's business connected with and symbolized by the Trademarks; and

(d) all proceeds of the foregoing.

3. The Assignor represents and warrants that:

(a) Each of the Copyrights and Trademarks is subsisting and has not been adjudged invalid or unenforceable;

(b) Upon filing of this Agreement in the United States Patent and Trademark Office, this Agreement will create a legal and valid perfected lien upon and security interest in the Collateral (other than foreign copyrights and trademarks), enforceable against Assignor and all third Persons in accordance with its terms;

(c) No claim has been made that the use of any of the Copyrights and Trademarks does or may violate the rights of any third person; and

(d) The Assignor has the unqualified right to enter into this Agreement and perform its terms.

4. The Assignor covenants and agrees that, (i) except as set forth in Schedule A and (ii) as to the FLEXIBLE FLYER marks applicable to the United States for subsections (a) through (f) below:

(a) To the best of its knowledge, each of the Copyrights and Trademarks is valid and enforceable;

(b) To the best of its knowledge, the Assignor is the sole and exclusive owner of the entire right, title and interest in and to each of the Collateral, free and clear of any liens, charges and encumbrances, including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by the Assignor not to sue third persons, other than the license agreements with Paricon, Inc. and Asian Ventures, Inc., copies of which are attached as Exhibit A;

(c) The Assignor will preserve the integrity of the Copyrights by causing the same to be protected by appropriate notice or marking to give notice of the nature of the copyright protection afforded to them, all as required by federal and state law (including common law);

(d) The Assignor will maintain the quality of the products associated with the Trademarks, at a level consistent with the quality at the time of this Agreement;

(e) The Assignor will not change the quality of the products associated with the Trademarks without Lender's prior written consent; and

(f) The Assignor has used and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Copyrights and Trademarks, including, without limitation, filing an affidavit of use with the United States Patent and Trademark Office from time to time as required by law.

5. The Assignor agrees that, until all of the Obligations have been satisfied in full, it will not enter into any agreement (including, without limitation, any license agreement) which is inconsistent with the Assignor's duties under this Agreement.

6. If, before the Obligations have been satisfied in full, the Assignor shall obtain rights to any new copyright or trademarks, or become entitled to the benefit of any trademark or copyright application or trademark or copyright or any renewal of any Copyright or Trademark, the provisions of paragraph 2 hereof shall automatically apply thereto, and the Assignor shall give to Lender prompt notice thereof in writing.

7. The Assignor authorizes Lender to modify this Agreement by amending Schedule A to include any future copyrights and trademarks and related applications within the definition of Copyrights or Trademarks under paragraph 2 or paragraph 6 hereof.

8. Upon and at any time after the occurrence of an Event of Default (as defined in the Loan Agreement), Lender shall have, in addition to all other rights and remedies given it by this Agreement, all rights and remedies under Applicable Law and all rights and remedies of a secured party under the Uniform Commercial Code as adopted and then in force in the State of Tennessee. Without limiting the generality of the foregoing, Lender may immediately, without notice or demand, each of which Assignor hereby waives, collect directly any payments due the Assignor or Assignor in respect of the Collateral, or sell at public or private sale or otherwise realize upon all or from time to time, any of the Collateral. The Assignor hereby agrees that ten (10) days written notice to the Assignor of any public or private sale or other disposition of any of the Collateral shall be reasonable notice; provided, however, that no notice shall be required hereunder if not otherwise required by Applicable Law. At any such sale or disposition, Lender may, to the extent permitted by law, purchase the whole or any part of the Collateral sold, free from any right of redemption on the part of the Assignor, which right the Assignor hereby waives and releases. After deducting from the proceeds of such sale or other disposition of the Collateral all costs and expenses incurred by Lender in enforcing its rights hereunder (including, without limitation, all attorneys' fees), Lender shall apply the remainder of such proceeds to the payment of the Obligations in such order and manner as Lender in its sole discretion may determine. Any remainder of the proceeds after payment in full of the Obligations shall be paid over to the Assignor. If any deficiency shall arise, the Assignor and each guarantor of the Obligations shall remain jointly and severally liable to Lender therefor.

9. The Assignor hereby makes, constitutes and appoints Lender and any officer or agent of Lender as Lender may select as the Assignor's true and lawful attorney-in-fact, with full power to do any or all of the following: to endorse the Assignor's name on all applications documents, papers and instruments necessary for Lender to use the Copyrights or Trademarks, or to grant or issue any exclusive or nonexclusive license under the Copyrights or Trademarks to anyone else, or to assign, pledge, convey or otherwise transfer title in or dispose of the Collateral to anyone else. The Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all of the Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated.

10. At such time as all of the Obligations shall have been satisfied finally and in full and the Loan Agreement shall have been terminated, Lender shall execute and deliver to Assignor all releases and other instruments to terminate Lender's security interest in the Collateral.

11. Any and all fees, costs and expenses, of whatever kind or nature, including reasonable attorneys fees and legal expenses, incurred by Lender in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining, or preserving the Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Collateral, shall be borne and paid by the Assignor on demand by Lender and shall bear interest at the Default Rate prescribed in the Loan Agreement.

12. As to the FLEXIBLE FLYER marks applicable to the United States, the Assignor shall use its best efforts to detect any infringers of the Copyrights or Trademarks and shall notify Lender in writing of infringements detected. The Assignor shall have the duty, through counsel acceptable to Lender, to prosecute diligently any copyright or trademark application of the Copyrights or Trademarks pending as of the date of this Agreement or thereafter until the Obligations shall have been paid in full, to make federal application on registrable but unregistered Copyrights or Trademarks, to file and prosecute opposition and cancellation proceedings, to file and prosecute lawsuits to enforce the Copyrights and Trademarks and to do any and all acts which are deemed necessary or desirable by Lender to preserve and maintain all rights in the Copyrights and Trademarks. Any expenses incurred in connection with such applications or proceedings shall be borne by the Assignor. The Assignor shall not abandon any right to file a copyright or trademark application, or any pending copyright or trademark application or trademark without the consent of Lender.

13. Notwithstanding anything to the contrary contained in paragraph 12 hereof, Lender shall have the right, but shall in no way be obligated, to bring suit instead in its own name to enforce the Copyrights or Trademarks and any license thereunder, in which event the Assignor shall at the request of Lender do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Lender to aid such enforcement, and the Assignor shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred in the exercise of Lender's rights under this paragraph 13. Nothing herein shall

be deemed to prohibit the Assignor from bringing any such suit in its own name at any time that an Event of Default does not exist, if Lender declines to institute such suit.

14. If the Assignor fails to comply with any of its obligations hereunder, to the extent permitted by applicable law, Lender may do so in the Assignor's name or in Lender's name, but at the Lender's expense, and the Assignor agrees to reimburse Lender in full for all expenses, including attorneys' fees, incurred by Lender in prosecuting, defending or maintaining the Copyrights and Trademarks or Lender's interest therein pursuant to this Agreement.

15. No course of dealing between the Assignor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. All of Lender's rights and remedies with respect to the Copyrights or Trademarks, whether established hereby or by the Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 7 hereof.

19. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

20. Notice of acceptance hereof is hereby waived by the Assignor.

21. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF DELAWARE.

22. THE ASSIGNOR AND LENDER EACH WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE COPYRIGHTS OR THE TRADEMARKS.

23. The Assignor may assign its rights and obligations hereunder to its parent company, The Troxel Company, which by its signature below agrees to be bound by all the terms of this Agreement in the event of such assignment.
