**Amended and Restated Intellectual Property  
Security Agreement  
(SD-L&S)**

THIS AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT ("Agreement") is entered into, as of May 22, 2009, by SECUREWORKS, INC. ("Borrower"), with a mailing address of 11 Executive Park Drive NE, Atlanta Georgia 30329, and RBC BANK (USA), formerly known as RBC Centura Bank for itself ("RBC") and as Collateral Agent (the "Agent"), with a mailing address of 75 Fifth Street, NW, Suite 900, Atlanta, Georgia 30308, and CapitalSource Bank ("CS", and together with RBC, "Lenders") with a mailing address of 4445 Willard Avenue, 5<sup>th</sup> Floor, Chevy Chase, Maryland 20815.

RECITALS

A. RBC agreed to extend certain financial accommodations to Borrower as set forth in that certain Loan and Security Agreement dated March 13, 2008 by and between RBC and Borrower (as the same may be amended, modified, extended, renewed, replaced and supplemented from time to time, the "Prior Loan Agreement").

B. In connection with the Prior Loan Agreement, Borrower entered into an Intellectual Property Security Agreement dated March 13, 2008 (the "Prior IP Security Agreement") pursuant to which Borrower granted to RBC a security interest in its intellectual property.

C. RBC and CS have agreed to extend certain financial accommodations to Borrower ("Credit Facilities") as set forth in that certain Amended and Restated Loan and Security Agreement entered into contemporaneously herewith by and among RBC, CS and Borrower (as the same may be amended, modified, extended, renewed, replaced and supplemented from time to time, the "Loan Agreement") which agreement amends and restates the Prior Loan Agreement. Capitalized terms not defined herein shall have the meaning ascribed thereto in the Loan Agreement.

D. Pursuant to the terms of the Loan Agreement, Borrower has granted to Agent and Lenders, a security interest in presently existing and hereafter acquired Collateral, including the Intellectual Property Collateral, and Borrower is required to supplement the grant of the security interest therein with the grant of the security interest herein contained.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby represents, warrants, covenants and agrees with Agent and Lenders that the Prior IP Security Agreement is amended and restated as follows:

AGREEMENT

1. Grant of Security Interest. To secure the prompt, full and complete payment and performance of the Obligations, both now existing and hereafter arising, and Borrower's other existing and future representations, warranties and covenants under the Loan Documents, Borrower grants and pledges to Agent for the ratable benefit of the Lenders a security interest in all of Borrower's right, title and interest in, to and under its present, existing and hereafter acquired Intellectual Property Collateral (including, without limitation, those Copyrights, Patents and Trademarks listed on Exhibits A, B and C attached hereto), together with all proceeds and products thereof (such as, by way of example, but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

2. Rights and Remedies; Exercise. This security interest is granted in conjunction with, and as a supplement to, the security interest granted to Agent and Lenders under the Loan Agreement. The rights and remedies of Agent and Lenders with respect to the security interest granted hereby are in addition to those rights and

remedies of Agent and Lenders set forth in the Loan Agreement, the other Loan Documents and those which are now available and may hereafter become available to Agent and Lenders as a matter of law and equity, including, without limitation, those set forth in the Code as being available to a "secured party" and "creditor". Agent and/or Lenders may, after the occurrence of an Event of Default, exercise the aforementioned rights and remedies as and when provided herein, in the Loan Agreement and in the other Loan Documents. Each right, power and remedy of Agent and Lenders provided for herein, in the Loan Agreement, in any of the other Loan Documents, together with those rights and remedies now and hereafter existing at law and in equity, shall be cumulative and concurrent and the exercise by Agent and/or Lenders of any one or more of the aforementioned rights and remedies shall not preclude the simultaneous and later exercise by any person, including Agent and Lenders, of any or all other rights, powers and remedies.

3. Term. The Loan Agreement and the terms and provisions thereof are incorporated herein in their entirety by this reference. The term of this Agreement and the security interests granted herein shall be coterminous with the term of the security interests granted in the Loan Agreement, and notwithstanding any limitation of, moratorium on and termination of Lenders' obligation to make Credit Extensions under the Loan Agreement, Borrower's obligations under this Agreement shall remain in full force and effect for so long as any Obligations are outstanding, other than indemnification obligations which survive the termination of the Loan Agreement. It shall be an Event of Default under the Loan Agreement if there is a breach or violation of any of the terms and provisions of this Agreement, which continue beyond any applicable grace or cure period.

4. Registered Intellectual Property. Borrower represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights which Borrower has registered or filed an application to register with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

5. New IP. The rights, duties and obligations outlined in the provisions of this Agreement shall automatically apply to all intellectual property and intellectual property rights, including those set forth in any licenses related to any of the foregoing, which Borrower obtains subsequent to the date of this Agreement ("New IP"). Borrower shall give to Agent written notice all New IP to the extent required pursuant to Section 6.4(a)(i)(y) of the Loan Agreement, promptly after the acquisition of same, but in any event not less frequently than as required by the Loan Agreement. Borrower hereby authorizes Agent to (i) modify this Agreement unilaterally by amending the exhibits to this Agreement to include any New IP and (ii) file a duplicate original of this Agreement containing the amended exhibits reflecting the New IP in the manner described in Section 8 of this Agreement.

6. Agent's Use of Intellectual Property; No Liability. Borrower agrees that the Agent's and/or Lender's use of the Intellectual Property Collateral as authorized hereunder and in any other Loan Documents in connection with Agent's and/or Lender's exercise of its rights and remedies shall be coextensive with Borrower's rights thereunder and neither Agent nor any Lender will have liability for royalties and other related charges upon exercise of such rights and remedies.

7. Power of Attorney; Appointment. Borrower irrevocably designates, constitutes and appoints Agent (and all persons designated by Agent in its sole but reasonable discretion) as Borrower's true and lawful attorney-in-fact, and authorizes Agent and any of Agent's designees, in Borrower's or Agent's name after the occurrence of any Event of Default, to take any action and execute any instrument which Agent may deem necessary or advisable to accomplish the purpose of this Agreement.

8. Filing; Patent Office and Copyright Office. Borrower hereby consents to the filing of a duplicate original of this Agreement with the United States Patent and Trademark Office and United States Copyright Office, and the filing of a duplicate of this Agreement and financing statements in any other jurisdictions and locations deemed advisable or necessary in Agent's sole but reasonable discretion to protect and perfect and put the public on notice of Agent's and Lenders' security interest and rights in the Intellectual Property Collateral, it being understood and agreed that Borrower will not be required to take, and Agent and Lenders will not take any steps to perfect their lien in intellectual property located outside of the United States, except as provided in Section 4.1 of the Loan Agreement. Borrower further consents to and ratifies the filing of such duplicate originals and financing statements prior to the Closing Date. Borrower shall from time to time execute and deliver to Agent, at the request of Agent, such other documents, instruments and records that Agent may reasonably request in form and substance

satisfactory to Agent and its counsel, in their reasonable discretion to perfect and continue Agent's and Lenders' security interest in the Intellectual Property Collateral.

9. Governing Law, etc. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia, excluding therefrom any principle of such laws which might result in the application of the laws of another jurisdiction. In addition, (i) no amendment of and waiver of a right under this Agreement will be binding unless it is in writing and signed by the party to be charged, (ii) to the extent a provision of this Agreement is unenforceable, this Agreement will be construed as if the unenforceable provision were omitted, (iii) a successor to and assignee of Agent's and Lenders' rights and obligations under the Loan Agreement will succeed to Agent's and Lenders' rights under this Agreement and (iv) all notices and other communications required or permitted herein shall be in writing and shall be deemed given when mailed by registered or certified mail, postage prepaid, return receipt requested, addressed to the addresses set forth above.

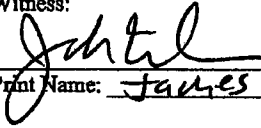

10. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which taken together shall constitute the same instrument.

IN WITNESS WHEREOF, Borrower has caused this Intellectual Property Security Agreement to be executed with authority duly obtained, as of the date first written above.

**Application No.** 2007-124784  
**Registration No.** 17-Dec-2007  
**Application Date**

**Country:** Japan  
**Classes:** 09 Int., 41 Int., 42 Int., 45 Int.  
**Goods & Services:** Computer security equipment, namely security devices for firewall protection in computer networks, monitoring incoming and outgoing data carried by a computer network, detecting and reporting computer network intrusions, and computer network security management.  
Class 09: Computer security devices for firewall protection in computer networks, monitoring incoming and outgoing data carried by a computer network, detecting and reporting computer network intrusions, and computer network security management.  
Class 41: Educational services, namely, conducting webcasts, live and on-line courses and seminars in the field of network security; computer education training in the field of network security.  
Class 42: Computer hardware and network monitoring and management services, namely, monitoring and managing the computer hardware and networks of others to provide protection of networks, data and hardware and analysis of network and hardware activities that may require such protection, protection from computer network intrusions in connection with computer network security systems, and technical support and consulting services in the field of computer network security, namely troubleshooting of computer hardware and software problems, monitoring the performance of computer networks and identifying technical solutions, compliance issues, and network vulnerabilities for computer network security problems and incident response support.  
Class 45: Computer security services, namely, monitoring the security status of computer networks and generating security responses based on network intrusion alerts.
