**GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS**

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of May 29, 2009 is made by Sealy Technology LLC, a North Carolina limited liability company, located at One Office Parkway, Trinity, NC 27370 (the "Grantor"), in favor of JPMORGAN CHASE BANK, N.A., as Collateral Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated as of May 13, 2009 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Sealy Mattress Company, an Ohio corporation ("Borrower"), Sealy Corporation, a Delaware corporation, Holdings, the Lenders and the Agent, the Administrative Agent and the Co-Collateral Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Grantor and certain other subsidiaries of the Borrower have executed and delivered a Security Agreement, dated as of May 29, 2009, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Agent for the benefit of the Secured Parties, a security interest in all of the Grantor's Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Secured Parties, as follows:

I. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

2. **Grant of Security Interest.** The Grantor hereby pledges and grants a security interest in, and agrees to assign, transfer and convey, upon demand made upon and during occurrence of an Event of Default, all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the benefit of the Agent and the Secured Parties to secure payment, performance and observance of the Obligations.

3. **Purpose.** This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. **Acknowledgment.** The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement and the other Credit Documents, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. **Counterparts.** This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

CO: CORPORATION SERVICE COMPANY COMPANY: 1090 VERMONT AVENUE NW, SUITE 430

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
