Re: Recordation of Trademark Assignment
Recorded at Reel 3209 Frame 0160

Dear Sir:

A Request For Corrected Notice of Recordation of Assignment Document Recorded at Reel 003209 Frame 0160 with attachments and fee, was filed with the Assignment Service Branch of the United States Patent and Trademark Office on April 21, 2005. A copy of the Request as filed is enclosed.

The Request For Corrected Notice was filed to correct the corporate entity for both the conveying party and the receiving party, and to correct the registration number for CUTS-IT from 2,361,986 (AMERICAN VACUUM SOCIETY) to 2,361,968 (CUTS-IT). All requested corrections have been made and the assignment record has been corrected at Reel 3334 Frame 0621.

An additional request to remove Registration No. 2,361,986 for the mark AMERICAN VACUUM SOCIETY from the corrected assignment record was inadvertently not included in the Request For Corrected Notice. Please correct the Trademark Office record for Registration No. 2,361,986 for AMERICAN VACUUM SOCIETY by removing the assignment that was filed in error.

It is our understanding that no additional fee is required.

Thank you for your kind assistance.

Respectfully submitted,

OLSON & CEPURITIS, LTD.
