GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), effective as of July 10, 2009 is made by Sealy Technology LLC, a North Carolina limited liability company, located at One Office Parkway, Trinity, NC 27370 (the "Grantor"), in favor of THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as collateral agent (the "Junior Notes Collateral Agent"), pursuant to an indenture, dated as of July 10, 2009 (as amended, restated, supplemented or modified from time to time, the "Base Indenture") among the Company, the Guarantors (as defined in the Base Indenture) party thereto and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as trustee (the "Junior Notes Trustee"), as such Base Indenture is supplemented by the supplemental indenture thereto (as amended, restated, supplemented or modified from time to time, the "Junior Notes Indenture" and, together with the Base Indenture, the "Indenture"), dated as of July 10, 2009, by and among SEALY CORPORATION, a Delaware corporation ("Parent"), the Company, Holdings, the Guarantors (as defined in the Junior Notes Indenture) and the Junior Notes Trustee.

W I T N E S S E T H:

WHEREAS, the Company executed and delivered the Base Indenture to the Junior Notes Trustee to provide, among other things, for the future issuance of the Company's securities from time to time in one or more series as might be determined by the Company under the Base Indenture;

WHEREAS, pursuant to the Junior Notes Indenture, the Junior Noteholders have severally agreed to purchase the Junior Notes upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Indenture, the Grantor and certain other subsidiaries of the Company have executed and delivered a Third Lien Security Agreement, dated as of July 10, 2009, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Agent for the benefit of the Secured Parties, a security interest in all of the Grantor's Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Junior Noteholders to purchase the Junior Notes pursuant to the Indenture, the Grantor agrees, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Junior Notes Indenture and the Security Agreement.

2. Grant of Security Interest. The Grantor hereby pledges and grants a security interest in, and agrees to assign, transfer and convey, upon demand made upon and during occurrence of an Event of Default, all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the benefit of the Agent and the Secured Parties to secure payment, performance and observance of the Obligations.

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement and the other Junior Note Documents, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
