ASSIGNMENT AND ASSUMPTION OF SECURITY INTEREST IN TRADEMARKS

ASSIGNMENT AND ASSUMPTION OF SECURITY INTEREST IN TRADEMARKS, dated as of August 10, 2009 (this "Assignment"), among Lehman Commercial Paper Inc., as resigning Administrative Agent (the "Resigning Agent"), Wachovia Bank, National Association, as successor Administrative Agent (the "New Agent") and each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors").

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of October 24, 2006 (as amended, supplemented, or otherwise modified from time to time, the "Credit Agreement"), among West Corporation (the "Borrower"), each Lender from time to time party thereto (the "Lenders"), Deutsche Bank Securities Inc. and Bank of America, N.A., as Syndication Agents, Wachovia Bank, National Association and General Electric Capital Corporation, as Co-Documentation Agents, and the Resigning Agent, as Administrative Agent and Swing Line Lender, the Lenders have severally agreed to make extensions of credit to the Grantors upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantors are party to an Intellectual Property Security Agreement, dated as of October 24, 2006 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "IP Security Agreement"), in favor of the Resigning Agent, as the original Administrative Agent pursuant to which the Grantors executed and delivered the Trademark Security Agreement, dated as of October 24, 2006 (the "Trademark Security Agreement") and recorded with the Assignment Branch of the United States Patent and Trademark Office at Reel 003415, Frame 0575 on October 25, 2006;

WHEREAS, in the Trademark Security Agreement, the Grantors have confirmed that the Resigning Agent, as the original Administrative Agent, was granted, pursuant to the IP Security Agreement, for the benefit of the Resigning Agent and the Secured Parties, a lien on and security interest in, to and under all of each Grantor's Trademarks including, without limitation, those U.S. Trademark registrations referred to on Schedule I hereto, all goodwill of the business connected with the use of, and symbolized by, each Trademark, and all Proceeds of the foregoing including, without limitation, any claim by Grantors against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark, as collateral security for the full, prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantors (the "Security Interest");

WHEREAS, pursuant to the Amendment No. 4 and Resignation, Waiver, Consent and Appointment Agreement, dated as of August 6, 2009 (the "Transfer Agreement"), among the Resigning Agent, the New Agent, the Required Lenders (as defined in the Credit Agreement), and the Grantors, the Credit Agreement has been amended to reflect the appointment of the New Agent as successor Administrative Agent; and

WHEREAS, in furtherance of the New Agent's replacement of the Resigning Agent as the Administrative Agent under the Credit Agreement, as amended by the Transfer Agreement

(collectively, the “Amended Credit Agreement”), the New Agent is desirous of acquiring and the Resigning Agent is desirous of assigning all of its right, title and interest in, to and under the Trademark Security Agreement, including without limitation the Security Interest, and all documents relating thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Resigning Agent, the New Agent and the Grantors hereby covenant and agree as follows:

1. Defined Terms

Unless otherwise defined herein, terms defined in the Amended Credit Agreement, the IP Security Agreement or the Trademark Security Agreement and used herein have the meaning given to them in the Amended Credit Agreement, the IP Security Agreement or the Trademark Security Agreement, respectively.

2. Assignment of Trademark Security Agreement

The Resigning Agent hereby irrevocably assigns, transfers and conveys to New Agent without recourse, representation or warranty, and the New Agent assumes all of the Resigning Agent’s right, title and interest in, to and under the Trademark Security Agreement, including without limitation the Security Interest, and all documents relating thereto, including specifically and without limitation any lien on and security interest in, to and under all of each Grantor’s Trademarks including, without limitation, those U.S. Trademark registrations referred to on Schedule I hereto, all goodwill of the business connected with the use of, and symbolized by, each Trademark, and all Proceeds of the foregoing including, without limitation, any claim by Grantors against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark, as collateral security for the full, prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantors.

This Assignment is an absolute assignment. This Assignment is made without recourse, representation or warranty, express or implied, except that the Resigning Agent represents and warrants that (i) it is authorized to execute this document and perform its obligations hereunder, and (ii) its rights under the IP Security Agreement and Patent Security Agreement are not subject to any lien or, to its knowledge, any other adverse claim. Following the execution of this Assignment, this Assignment will be delivered to the New Agent for recording by the New Agent pursuant to the IP Security Agreement and the Patent Security Agreement with the United States Patent Office.

The New Agent hereby accepts the foregoing assignment and assumes all of the obligations of the Resigning Agent under the Trademark Security Agreement, on and after the date hereof.

3. Intellectual Property Security Agreement

The Security Interest granted to the Resigning Agent as the original Administrative Agent pursuant to the IP Security Agreement, as confirmed in the Trademark Security

Agreement, and assigned to the New Agent as the new Administrative Agent pursuant to this Assignment, was granted in conjunction with the security interest granted to the Resigning Agent pursuant to the IP Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Resigning Agent with respect to the Security Interest, as confirmed in the Trademark Security Agreement, the right, title and interest to which is assigned hereby, are more fully set forth in the IP Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Recordation

The parties hereto authorize and request the Commissioner of Patents and Trademarks of the United States and/or any equivalent State Official to record this Assignment against the Trademarks identified on Schedule I attached hereto.

5. Counterparts

This Assignment may be executed in multiple counterparts (including via facsimile or electronic copy), each of which shall be considered an original but all of which shall constitute one agreement.

6. Counterparts

This Agreement and the rights and obligations of the parties under this agreement shall be governed by, and construed and interpreted in accordance with, the law of the state of New York.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the date first set forth above.
