TERM LOAN TRADEMARK SECURITY AGREEMENT, dated as of September 1, 2009, among KING HOLDING CORPORATION (“*Holdings*”), ACUMENT GLOBAL TECHNOLOGIES, INC. (f/k/a TFS Acquisition Corporation) (the “*Borrower*”), the subsidiaries of the Borrower listed on Schedule I hereto (the “*Subsidiary Parties*”) and WILMINGTON TRUST FSB (as successor to Credit Suisse, Cayman Island Branch (the “*Former Agent*”), as Collateral Agent (the “*Collateral Agent*”).

Reference is made to the Term Loan Guarantee and Collateral Agreement dated as of August 11, 2006 (as amended, supplemented or otherwise modified from time to time, the “*Security Agreement*”), among Holdings, the Borrower, the subsidiaries of the Borrower party thereto and the Former Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Term Loan Credit Agreement dated as of August 11, 2006 (as amended, supplemented or otherwise modified from time to time, the “*Term Loan Credit Agreement*”). The obligations of the Lenders to continue to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Holdings and the Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Term Loan Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to continue to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. *Terms*. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest*. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “*Trademark Collateral*”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in

any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "**Trademarks**"); and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. **Security Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement; *provided, however,* that nothing in this Agreement shall expand, limit or otherwise modify the security interests granted in the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. **Miscellaneous.**

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it shall have been executed by each party hereto and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by electronic submission shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

(c) Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.
