TRADEMARK SECURITY AGREEMENT

THE LIENS AND SECURITY INTERESTS GRANTED TO SECURE THE OBLIGATIONS PURSUANT TO THIS AGREEMENT ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT (AS DEFINED IN THE SECURITY AGREEMENT). IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE TERMS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 21st day of October, 2009, among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually, "Grantor"), and **THE BANK OF NEW YORK MELLON**, in its capacity as Agent for the Holders (in such capacity, together with its successors and assigns in such capacity, "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Note Purchase Agreement dated as of August 21, 2009 (as amended, restated, supplemented, or otherwise modified from time to time, including all schedules thereto, the "Note Purchase Agreement") among Milacron Holdings Inc., a Delaware corporation, as issuer ("Issuer"), each of Issuer's Subsidiaries listed as a "Guarantor" on the signature pages thereto (each a "Guarantor" and collectively, "Guarantors"), the purchasers party thereto as "Purchasers" (such Purchasers, together with their respective successors and assigns, are referred to hereinafter each individually as a "Purchaser" and collectively as the "Purchasers") and DDJ Capital Management, LLC, a Delaware limited liability company, as the predecessor agent to the Agent, the Purchasers have agreed to purchase certain Notes from the Issuer from time to time pursuant to the terms and conditions thereof;

WHEREAS, pursuant to that certain Credit Agreement dated as of August 21, 2009 (as amended, restated, supplemented, or otherwise modified from time to time, including all schedules thereto, the "ABL Credit Agreement") among the Issuer, each of the Issuer's Subsidiaries listed as a "Borrower" on the signature pages thereto, Wells Fargo Foothill, LLC, in its capacity as administrative agent for the lenders, and Bank of America, N.A., a national banking association, as co-arranger and co-administrative agent for the lenders, the lenders agreed to make certain financial accommodations available to the Issuer and certain of its Subsidiaries from time to time pursuant to the terms and conditions thereof;

WHEREAS, Wells Fargo Foothill, LLC, as administrative agent under the ABL Credit Agreement and the Agent have entered into an Intercreditor and Subordination Agreement, acknowledged by the Issuer, each of the Issuer's Subsidiaries listed as a "Borrower" or a "Guarantor" on the signature pages thereto, dated as of August 21, 2009 (as may be amended, supplemented or otherwise modified from time to time, the "Intercreditor Agreement");

WHEREAS, the Purchasers are willing to purchase certain Notes from the Issuer pursuant to the terms and conditions of the Note Purchase Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of Agent and the Holders, that certain Security Agreement, dated as of October 21, 2009 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of Agent and the Holders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Note Purchase Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants and pledges to Agent, for the benefit of Agent and each Holder, to secure the Secured Obligations, a continuing second priority security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks referred to on Schedule I hereto; provided that no security interest shall be granted in any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable law;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations or extensions of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(e) all products and proceeds (as that term is defined in the Code) of the foregoing.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent, the Holders or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, for the benefit of Agent and the Holders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed

counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. **CONSTRUCTION.** Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash of all Secured Obligations other than unasserted contingent indemnification obligations. Any reference herein to any Person shall be construed to include such Person’s successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.

8. **CONTROLLING LAW.** This Agreement is to be governed and construed in accordance with the laws of the State of New York, without regard to the conflict of laws principles thereof.
