## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of November 25, 2009, between Altra Industrial Motion, Inc., a Delaware corporation (the "Company"), the Subsidiaries and Affiliates of the Company named on the signature pages hereto (each a "Grantor", and collectively, the "Grantors"), and JPMorgan Chase Bank, N.A., acting in the capacity as Administrative Agent for the benefit of itself and the other Lenders party to the Credit Agreement referred to below (in such capacity, the "Administrative Agent").

### WITNESSETH:

WHEREAS pursuant to the terms of that certain Credit Agreement, dated as of November 25, 2009 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among the Company, the other Loan Parties from time to time party thereto (collectively with the Company, the "Loan Parties"), the Lenders from time to time party thereto (the "Lenders") and the Administrative Agent, the Lenders have agreed to extend credit and make certain financial accommodations to the Loan Parties.

WHEREAS pursuant to the Pledge and Security Agreement, dated as of November 25, 2009 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Loan Parties and the Administrative Agent, the Grantors granted to the Administrative Agent a security interest and continuing lien on all of each Grantors' right, title and interest in, to and under all Collateral, including the Trademark Collateral (as defined below), and all Collateral in each case whether now owned or existing or hereafter acquired or arising to secure the prompt and complete payment and performance of all Secured Obligations (as defined in the Credit Agreement) including the obligations of the Loan Parties under the Credit Agreement;

WHEREAS the parties to the Credit Agreement contemplate and intend that, if an Event of Default (as defined in the Credit Agreement) shall occur and be continuing, the Administrative Agent shall have all rights of a secured party in and to the Trademark Collateral and any proceeds thereof, including, without limitation, the right to exercise its remedies under the Credit Agreement in connection with all of each Grantors' right, title and interest in such Trademark Collateral; and

WHEREAS pursuant to the Credit Agreement and the Security Agreement, the Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantors agree as follows:

### ***Section 1. Defined Terms***

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

### ***Section 2. Grant of Security Interest in Trademarks***

The Grantors hereby grant to the Administrative Agent a security interest in all of their right, title and interest in, to and under the Trademarks, including the Trademarks listed in Schedule A, in each case whether now owned or hereafter acquired (collectively, the "Trademark Collateral").

***Section 3. Security for Obligations***

This Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise of all Secured Obligations.

***Section 4. Security Agreement***

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

***Section 5. Recordation***

The Grantors hereby authorize and request that the Commissioner of Patent and Trademarks and any other applicable United States government officer record this Agreement.

***Section 6. Miscellaneous***

This Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Grantors have caused this Agreement to be duly executed and delivered by a duly authorized officer as of the date first set forth above.
