LICENSE

DREW MARINE USA, INC.

and

ASHLAND LICENSING AND INTELLECTUAL PROPERTY LLC

THIS AGREEMENT, made and entered into effective the 31st day of August, 2009, by and between **DREW MARINE USA, INC.**, a corporation organized and existing under the laws of Delaware, U.S.A., and having a principal place of business at One Drew Plaza, Boonton, New Jersey 07005 U.S.A. (hereinafter "LICENSEE"); and **ASHLAND LICENSING AND INTELLECTUAL PROPERTY LLC**, a limited liability company organized and existing under the laws of Delaware, U.S.A., and having a principal place of business at 5200 Blazer Parkway, Dublin, Ohio 43017 U.S.A. (hereinafter "LICENSOR") (the LICENSEE and LICENSOR, together, the "Parties" and each a "Party").

WITNESSETH:

WHEREAS, LICENSOR is the owner of numerous registered trademarks and service marks as well as a number of pending applications for registration throughout the world (the "Licensed Registered Marks" as defined herein below); and

WHEREAS, LICENSEE and LICENSOR wish to enter into this Agreement to set forth the terms and conditions of the license of such trademarks and service marks from LICENSOR to LICENSEE;

NOW, THEREFORE, in consideration of the respective covenants hereinafter set forth, and for other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged the Parties hereto mutually agree as follows:

ARTICLE I
DEFINITIONS

As used in this Agreement, the following terms have the meanings set forth in this Article unless the text clearly indicates to the contrary:

1.1 The term "Licensed Product" or "Licensed Products" shall mean those products, goods and services which are part of or incidental to the Business and which are set forth on Schedule 1 hereto and made a part hereof.

1.2 The term "Effective Date" shall mean the date first appearing herein.

1.3 The term "Licensed Registered Mark" or "Licensed Registered Marks" shall mean those trademarks and service marks that are the subject of the Registrations and Applications for Registration listed on Schedule 1 hereto and made a part hereof which Schedule shall be subject to amendment from time to time by mutual agreement of the Parties.

1.4 The term "Business" shall mean the business of providing chemicals, products, equipment, and services for applications, including water treatment, fuel treatment, maintenance, welding, and related gases and consumables, packing and jointing, refrigeration, parts and products, coatings and sealants, liquid and solid separation, and fire and rescue safety to:

(a) water borne vessels in or on fresh and salt water, including ocean going vessels; navy and other government vessels; naval and other governmental support vessels; vessels in lay-up; barges, tugs, and other inland waterway vessels; supply vessels; fishing boats; cruise ships and ferry boats (collectively, "Vessels");

(b) off-shore drilling rigs with respect to sales and services to support the operation and maintenance thereof (but not with respect to the production of oil and gas, except as otherwise provided in Section 1.4(g) below);

(c) shipyards;

(d) contractors with respect to sales and services for Vessels in shipyards and to Vessels;

(e) ship supply companies such as ship chandlers and marine agents with respect to their respective sales and services to Vessels;

(f) dredges and dredging companies; and

(g) certain other customers, products and services as agreed by LICENSEE and LICENSOR.

ARTICLE II
LICENSE GRANT

2.1 Subject to the terms and conditions of this Agreement, LICENSOR grants to LICENSEE as of the Effective Date an exclusive and, subject to Article III hereof, perpetual license to use Licensed Registered Marks on or in connection with the Licensed Products in the Business.

2.2 The license granted under Section 2.1 (and any license that may be granted under Section 2.2) may be sublicensed by LICENSEE subject to the conditions as agreed by LICENSEE and LICENSOR.

ARTICLE III
EFFECTIVE DATE, DURATION AND TERMINATION

3.1 This Agreement shall be effective as of the Effective Date and, unless sooner terminated as provided elsewhere herein, shall remain in full force for perpetuity.

3.2 Notwithstanding Section 3.1, the licenses and rights granted to LICENSEE under this Agreement are subject to termination by LICENSOR, at LICENSOR'S option, upon the occurrence of any of certain events as agreed by LICENSEE and LICENSOR.

3.3 In the event that this Agreement is terminated under Section 3.2, all rights and licenses granted to LICENSEE pursuant to Article II shall, subject to Section 5.4, terminate.

ARTICLE IV
THIRD-PARTY INFRINGEMENT

4.1 Whenever LICENSEE becomes aware of any direct or indirect infringement by another party, actual or suspected, of one or more of the Licensed Registered Marks (hereinafter "the Unauthorized Use") LICENSEE shall promptly give notice in writing to LICENSOR.

4.2 If LICENSOR notifies LICENSEE that it has elected not to take action against the Unauthorized Use, LICENSEE may, at its sole discretion, take action against the Unauthorized Use, including filing suit for dilution, infringement and/or unfair competition.

4.3 If LICENSEE elects to take action of any kind against the Unauthorized Use, it shall promptly notify LICENSOR in writing prior to filing suit. Action taken by LICENSEE under this Section shall be in the name of LICENSEE and, if required by the laws of the applicable jurisdiction, on behalf of LICENSOR. LICENSOR agrees to be and shall also be joined as a party to any suit or other action initiated by LICENSEE, if LICENSEE and/or LICENSOR believes such joinder is required by the applicable laws of the jurisdiction in which such suit or action is filed.

ARTICLE V
TRADEMARK USE

5.1 The quality of the Licensed Products or any other business activities related to the Business in connection with which LICENSEE uses the Licensed Registered Marks shall be at least equal to and reflect the standards LICENSOR has established in connection with its existing product and service lines that relate to the Business as at the Effective Date. In relation to any new Licensed Products or other business activities related to the Business in connection with which LICENSEE uses the Licensed Registered Marks, the quality of any new products or other business activities shall be at least equal to and reflect reasonable industry standards.

5.2 When using Licensed Registered Marks, LICENSEE will undertake to comply with all laws and regulations pertaining to trademarks, including marking requirements, in force from time to time in each relevant jurisdiction.

5.3 LICENSEE agrees to record, deposit, execute and the like any necessary documents as may be required by law to be filed in any relevant Trademark Office or other government office to evidence the grant of the license to LICENSEE under this Agreement.

5.4 Upon termination of this Agreement for any reason provided herein, LICENSEE agrees and undertakes that it will and will cause any and all sublicensees to, consistent with the terms of Article III, terminate as soon as reasonably practicable further use of said Licensed Registered Marks and LICENSEE shall be entitled to a ninety (90) day phase out period for any Licensed Products which bear Licensed Registered Marks.

5.5 All use of the Licensed Registered Marks on or in relation to Licensed Products by LICENSEE will inure to the benefit of LICENSOR. LICENSEE recognizes the validity of LICENSOR's registrations for Licensed Registered Marks and it is expressly stipulated that any right that may be granted to LICENSEE under any article or provision of this Agreement to use Licensed Registered Marks will not, in any way, affect or impair the ownership of the Licensed Registered Marks by LICENSOR. LICENSEE agrees that it will not contest the validity of the Licensed Registered Marks.

ARTICLE VI **OTHER PROVISIONS**

6.1 If at any time either Party shall fail to take action to remedy any breach of any of the other Party's duties, covenants or undertakings, such failure to act is not to be construed as a waiver of that Party's rights respecting such breach.

6.2 The Parties hereto mutually agree that if any provision or provisions of this Agreement shall be held either or both unlawful or unenforceable by a competent judicial authority of the United States, then this entire Agreement shall be promptly revised by the Parties so as not to adversely affect either Party's rights, provided, however, that until such revision all parts of the Agreement which shall not have been so held unlawful or unenforceable shall remain in full force and effect.

6.3 All prior agreements, oral or written, between the Parties hereto and relating to the same subject matter hereof are hereby superseded by this Agreement except for a contract entitled "Trademark License Agreement" of even date hereof which contract shall be controlling.

6.4 This Agreement shall be governed exclusively by the laws of the State of New York, U.S.A. without regard to the conflict of law principles thereof, and the language of the English text shall be controlling.

6.5 This Agreement may not be amended or modified in any manner except by a written instrument expressly identified on its face as an amendment hereto and signed by duly authorized officers of the Parties.

6.6 At all times and in all matters relating to the subject matter of this Agreement the Parties shall remain as independent entities and nothing herein shall be construed as creating any relationship between the

Parties in the nature of a partnership, joint venture, or principal and agent. Neither Party shall be authorized to undertake any Agreement or obligation for the other Party nor to pledge the credit of the other Party.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed in duplicate by their duly authorized representatives.
