TRADEMARK SECURITY AGREEMENT, dated as of January 29, 2010, among HEXION LLC, a Delaware limited liability company ("Holdings"), HEXION SPECIALTY CHEMICALS, INC., a New Jersey corporation (the "U.S. Borrower"), the subsidiaries of the U.S. Borrower party hereto, and JPMORGAN CHASE BANK, N.A., as Administrative Agent (the "Administrative Agent").

Reference is made to the Third Amended and Restated Collateral Agreement dated as of January 29, 2010 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement") among Holdings, the U.S. Borrower, each subsidiary of the U.S. Borrower identified therein and the Administrative Agent. The Lenders have agreed to extend credit to the U.S. Borrower subject to the terms and conditions set forth in the Third Amended and Restated Credit Agreement dated as of January 29, 2010 (as amended, supplemented or otherwise modified from time to time (the "Credit Agreement")). The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Holdings and the Subsidiary Parties are affiliates of the U.S. Borrower, will derive substantial benefits from the extension of credit to the U.S. Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Pledgor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the "Trademarks"); and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security

interests granted to the Administrative Agent pursuant to the Security Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
