## RELEASE OF SECURITY INTEREST IN TRADEMARKS

This release of security interest is executed by Wells Fargo Foothill, Inc. (a) in its capacity as administrative agent ("Agent") for itself and for the lenders ("Lenders") that are party to the Credit Agreement dated November 30, 2004 (as amended, restated, supplemented or otherwise modified from time to time, "Credit Agreement") with Altra Industrial Motion, Inc. and certain of its subsidiaries (collectively, "Borrowers"), and (b) in its capacity as administrative agent under the Security Agreement dated November 30, 2004 (as amended, restated, supplemented or otherwise modified from time to time) between the Borrowers, other subsidiaries of Altra Industrial Motion, Inc. (together with the Borrowers, "Grantors"), and the Agent and recorded in the U.S. Patent and Trademark Office on December 1, 2004 at Reel 2983, Frame 0376 ("Security Agreement").

WHEREAS, pursuant to the Credit Agreement and the Security Agreement, the Grantors, including the companies listed on Schedule A, granted to the Agent a security interest in certain of the Grantors' trademarks ("Trademarks"), including the trademarks set forth on Schedule B; and

WHEREAS, Grantors and Agent now wish to provide a document suitable for recording in the United States Patent and Trademark Office for purposes of recording the release, relinquishment and discharge of the Agent's security interest in the Trademarks;

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the Agent, for itself and for the Lenders, hereby relinquishes, releases and discharges its security interest in the Trademarks conveyed to Agent pursuant to the Credit Agreement, Security Agreement, and/or any other agreement, and Agent hereby reassigns any and all such right, title and interest that it may have in the Trademarks, the goodwill associated with the Trademarks, all rights to sue at law or in equity for any infringement or other impairment of the Trademarks including any past infringement or other impairment, including the right to receive all proceeds and damages thereof, and any other right, title and interest Agent may still have in the Trademarks to Grantors. Agent further agrees to execute and deliver to Grantors any and all further documents or instruments and do any and all further acts which Grantors (or Grantors' agents or designees) reasonably request, all at the sole expense of Grantors, in order to confirm Grantors' right, title and interest in and to the Trademarks, and that Agent makes no further claim to any right, title or interest in or to any of the Trademarks.
