**ASSIGNMENT OF  
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This ASSIGNMENT OF INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Assignment*”) dated April 9, 2010, is made by CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH (formerly known as Credit Suisse, Cayman Islands Branch), as withdrawing administrative agent (the “*Withdrawing Agent*”), BANK OF AMERICA, N.A., as new administrative agent and collateral agent for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below) (the “*New Agent*”), and the Persons listed on the signature pages hereof (collectively, the “*Grantors*”).

WHEREAS, the Borrower, Affinion Group Holdings, Inc., a Delaware corporation (“*Holdings*”), the lenders party thereto, Credit Suisse AG, Cayman Islands Branch (formerly known as Credit Suisse, Cayman Islands Branch), as administrative agent (the “*Existing Agent*”) for such lenders and the other parties thereto entered into a Credit Agreement, dated as of October 17, 2005 (as amended prior to the date hereof, the “*Existing Credit Agreement*”);

WHEREAS, in connection with the Existing Credit Agreement, Holdings, the Borrower, the Subsidiaries of the Borrower party thereto, and the Existing Agent entered into (i) that certain Guarantee and Collateral Agreement, dated as of October 17, 2005 (as amended prior to the date hereto, the “*Existing G&C Agreement*”), and (ii) that certain Intellectual Property Security Agreement, dated as of October 17, 2005 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*IP Security Agreement*”);

WHEREAS, pursuant to the IP Security Agreement, the Withdrawing Agent, as the original administrative agent, was granted a security interest in each Grantor’s right, title and interest in, to and under the Collateral (as defined in the IP Security Agreement), including the Collateral set forth on Schedule A attached hereto (the “*Security Interest*”);

WHEREAS, the IP Security Agreement was recorded with the United States Patent and Trademark Office, with respect to Trademarks, at reel 003253 frame 0927 on November 17, 2005 and with respect to Patents, at reel 017220 frame 0586 on November 14, 2005 and with the United States Copyright Office at volume 3532 document no. 013 on November 21, 2005;

WHEREAS, the Borrower, Holdings, the Administrative Agent, the Collateral Agent and the lenders party thereto (the “*Lenders*”) are entering into an Amended and Restated Credit Agreement, dated as of the date hereof, which amends and restates the Existing Credit Agreement in its entirety and provides for the Lenders to provide loans to the Borrower from time to time (such Amended and Restated Credit Agreement as it may be further amended, amended and restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”);

WHEREAS, as a condition precedent to the making of Loans, the issuance of Letters of Credit by the Lenders under the Credit Agreement and the entry into Swap

Agreements by Lenders or Affiliates of Lenders from time to time each Grantor has executed and delivered that certain Amended and Restated Guarantee and Collateral Agreement dated [●], 2010 among the Grantors, the Administrative Agent and the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Guarantee and Collateral Agreement*”); and

WHEREAS, consistent with the Guarantee and Collateral Agreement, the New Agent is desirous of acquiring, and the Withdrawing Agent is desirous of assigning, all of the Withdrawing Agent’s right, title and interest in, to and under the IP Security Agreement, including, without limitation, the Security Interest, and all documents relating thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Withdrawing Agent, the New Agent, and the Grantors hereby covenant and agree as follows:

Section 1. Defined Terms. All capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to those terms in the Guarantee and Collateral Agreement.

Section 2. Assignment of IP Security Agreement. The Withdrawing Agent hereby assigns, transfers and conveys to the New Agent for the ratable benefit of the Secured Parties all of its right, title and interest in, to and under the IP Security Agreement, including, without limitation, the Security Interest. The New Agent hereby accepts the foregoing assignment.

Section 3. Guarantee and Collateral Agreement. The security interest assigned to the New Agent as the new collateral agent for the Secured Parties pursuant to this Assignment, has been granted in conjunction with the security interest granted pursuant to the Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the New Agent with respect to the security interest in the Collateral made and granted by IP Security Agreement are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Counterparts. This Assignment may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 5. Governing Law. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York.

*[Rest of Page Intentionally Left Blank]*

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
