THE COURT HEREBY MAKES THE FOLLOWING FINDINGS:²

A. **Jurisdiction and Venue.** This Court has jurisdiction over the Motion and the Transactions under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

B. **Statutory Predicates.** The statutory predicates for the relief sought in the Motion are sections 105(a), 363, 365 and 503 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006 and 9014 and the applicable Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "***Local Rules***").

C. **Sale Notice.** As evidenced by the affidavits of service filed with this Court and based upon the representations of counsel at the Sale Approval Hearing and as approved under the Procedures Order: (i) due, proper, timely, adequate and sufficient notice of the Motion, the Auction, the Sale Approval Hearing and the Transactions has been provided to all parties in interest, in light of the circumstances of the Debtors and the depreciating nature of the Debtors' assets; (ii) such notice was and is good, sufficient and appropriate under the circumstances of the Debtors' chapter 11 cases and was provided in accordance with sections 102(1) and 363(b) of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 9006 and 9007 and the Local Rules; and (iii)

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact to the fullest extent of the law. See Fed. R. Bankr. P. 7052.

no other or further notice of the Motion, the Auction, the Sale Approval Hearing, the Transactions, or of the entry of this Sale Order is necessary or shall be required.

D. **Cure Notices**. Cure Notices of assignment and Cure Amounts have been provided to all of the counterparties to executory contracts and unexpired leases of personal property (the “*Potentially Assumed Contracts*”).³ Such Cure Notices were adequate and sufficient for the assumption and assignment of the Potentially Assumed Contracts which may be designated by Everest, all in accordance with and as provided by the Procedures Order. Notice of the potential assumption and assignment of unexpired leases of real property (the “*Real Property Leases*”) and of the process for determining the Cure Amounts with respect to such leases has been provided to all of the counterparties to Real Property Leases.

E. **Opportunity to Object**. A reasonable opportunity to object and to be heard with respect to the sale of the Assets, the potential assumption and assignment of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and the defaults and Cure Amounts related thereto, the process for assuming and assigning Real Property Leases and determining the applicable Cure Amounts, the Transactions, the Motion and the relief requested therein has been given to all interested persons and entities, including, without limitation, the following: (i) all counterparties to the Potentially Assumed Contracts and the Real Property Leases, (ii) all parties listed on the Master Services List, and (iii) all applicable federal, state and local taxing and regulatory authorities.

F. **Auction**. Potential bidders had the full and fair opportunity to submit bids and participate in the Auction on the terms set forth in the Procedures Order. The Auction was

³ As used in this Order, the term Potentially Assumed Contracts does not include unexpired leases of real property.

conducted fairly and in good faith, without collusion and in accordance with the Procedures Order. At the Auction, Everest was selected as the Successful Bidder. The Purchase Agreement constitutes the highest and best offer for the Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the Purchase Agreement constitutes the highest and best offer for the Assets constitutes a valid and sound exercise of the Debtors' business judgment.

G. **Purchased Assets.** The Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code. The Debtors have all right, title, and interest in the Assets required to transfer and convey the Assets as contemplated by the Purchase Agreement and the Ancillary Agreements.

H. **Business Justification.** The Debtors have demonstrated both (i) good, sufficient and sound business purposes and justifications for, and (ii) compelling circumstances to consummate the transaction contemplated by the Purchase Agreement (the "*Transactions*") other than in the ordinary course of business under Bankruptcy Code section 363(b) and before, and outside of, a plan of reorganization, and such action is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates and their creditors. Such business reasons include, but are not limited to, the facts that: (i) there is substantial risk of depreciation of the value of the Assets if the sale is not consummated quickly; (ii) the Purchase Agreement constitutes the highest or best offer for the Assets; (iii) the Purchase Agreement and the Closing (as defined in the Purchase Agreement) will present the best opportunity to realize the value of the Debtors on a going concern basis and avoid decline and devaluation of the Debtors' businesses; and (iv) unless the sale is concluded expeditiously as

provided for in the Motion and pursuant to the Purchase Agreement, potential creditor recoveries may be substantially diminished.

The Debtors and their professionals widely marketed the Assets to all potential purchasers, both before and during their chapter 11 cases, as set forth in the Motion and in accordance with the Procedures Order. The bidding and auction process set forth in the Procedures Order and the Bidding Procedures afforded a full and fair opportunity for any entity to make a higher or otherwise better offer to purchase the Assets. Based upon the record of these proceedings, all creditors and other parties in interest and all prospective purchasers have been afforded a reasonable and fair opportunity to bid for the Assets.

No other person or entity or group of persons or entities has offered to purchase the Assets for an amount that would give equal or greater economic value to the Debtors than the value being provided by Everest pursuant to the Purchase Agreement. Among other things, the Transactions are the best alternative available to the Debtors to maximize the return to their creditors and limit the losses to counterparties to Potentially Assumed Contracts and Real Property Leases. Approval of the Motion, the Purchase Agreement, the Ancillary Agreements, and the Transactions by this Court on the terms of this Sale Order is in the best interests of the Debtors, their creditors and all other parties in interest. No alternative to the Transactions exists that would provide a greater value to the Debtors, their creditors, or other parties in interest.

I. **Sale Order Required by Everest.** Entry of an order approving the Purchase Agreement, the Ancillary Agreements, and the Transactions, and all the provisions thereof, on the terms requested in the Motion and set forth in the form and substance of this Sale Order, is a necessary and appropriate condition precedent to Everest's consummation of the Transactions.

J. **Consideration.** The total consideration provided by Everest for the Assets is the highest and best offer received by the Debtors, and the purchase price for the Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act and the laws of the United States, any state, territory, possession thereof or the District of Columbia.

K. **Arm's-Length Sale.** The Purchase Agreement and Ancillary Agreements and other documents and instruments related to and connected with the Transactions and the consummation thereof were negotiated, proposed and entered into by the Debtors and Everest without collusion, in good faith and from arm's-length bargaining positions. Neither Everest nor any of its affiliates, partners, principals, or shareholders or their respective representatives is an "insider" of any of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code. Neither the Debtors, Everest or its respective affiliates, partners, principals, or shareholders or their representatives has engaged in any conduct that would cause or permit the Purchase Agreement or any Ancillary Agreements or other documents and instruments related to or connected with the Transactions and the consummation thereof to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code, or has acted in bad faith or in any improper or collusive manner with any person. The terms and conditions of the Purchase Agreement, Ancillary Agreements, and other documents and instruments related to and connected with the Transactions and the consummation thereof, and the Transactions themselves, including without limitation the consideration provided in respect thereof, are fair and reasonable, and the Transactions are not avoidable and shall not be avoided under section 363(n) of the Bankruptcy Code.

L. **Good Faith Purchaser.** Everest, its respective affiliates, partners, principals, shareholders and their respective representatives have proceeded in good faith and without collusion in all respects in connection with this proceeding. Such persons are therefore entitled to all of the benefits and protections section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transactions shall not affect the validity of the Transactions (including, without limitation, the Ancillary Agreements and other documents and instruments related to or connected with the Transactions and the consummation thereof, and the assumption and assignment of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and Real Property Leases). No stay pending appeal of this Sale Order has been requested, and the stay contained in Fed. R. Bankr. P. 6004(h) has been and hereby is expressly and irrevocably waived as set forth in paragraph 27 below.

M. **Corporate Authority.** Subject to the entry of this Sale Order, the Debtors (i) have full corporate power and authority to perform all of their obligations under the Purchase Agreement, the Ancillary Agreements, and all other documents and instruments related to and connected with the Transactions and the consummation thereof, and the Debtors' prior execution and delivery of, and performance of obligations under, the Purchase Agreement, Ancillary Agreements, and other documents and instruments is hereby ratified, (ii) have all of the corporate power and authority necessary to consummate the Transactions, (iii) have taken all corporate action necessary to authorize, approve, execute and deliver the Purchase Agreement, Ancillary Agreements, and all other documents and instruments related to or connected with the Transactions and the consummation thereof and the Transactions themselves, and (iv) no consents or approvals are required to consummate Transactions or otherwise perform obligations

under the Purchase Agreement, Ancillary Agreements, or other documents and instruments, except for the closing conditions expressly agreed to therein.

N. **Cure/Adequate Assurance**. The assumption and assignment or transfer of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it pursuant to the terms of this Sale Order or such further order of the Court, and the process for assuming and assigning the Real Property Leases, is integral to the Purchase Agreement, does not constitute unfair discrimination, and is in the best interests of the Debtors and their estates, creditors and all other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors. The Debtors have or will have as of the assumption and assignment of any contract or lease to Everest: (i) to the extent necessary, cured or provided adequate assurance of cure, of any default existing prior to the Designation Deadline (as defined herein) with respect to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and Real Property Leases, within the meaning of sections 365(b)(1)(A) and 365(f)(2)(A) of the Bankruptcy Code and (ii) to the extent necessary, provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the Designation Deadline with respect to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and Real Property Leases. Based on the evidence adduced at the Sale Hearing, Everest has provided sufficient adequate assurance of future performance within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code, to the extent that any such assurance is required and not waived by the counterparties, to Real Property Leases (other than those for which Filed Objections specifically contain objections on adequate assurance grounds(the "*Specified Real Property Leases*")) and Potentially Assumed Contracts. As to the Specified Real Property

Leases, in the event Everest designates such Leases for assumption and assignment in accordance with the Purchase Agreement, the Debtors will deliver a notice of such designation to the applicable lessor and its counsel, if any, who has filed a notice of appearance on behalf of such lessor and provide an opportunity within 10 days after notice for such lessor to object to the assignment of the Specified Real Property Lease on adequate assurance, cure and other grounds. If such lessor does not timely object, the applicable Specified Real Property Lease can be assumed and assigned in accordance with the designation notice without further need for adequate assurance by Everest. Other than the Filed Objections relating to the Specified Real Property Leases, to the extent such objections relate to Cure Amounts and adequate assurance, and Potentially Assumed Contracts, to the extent of any unresolved Cure Amounts, any objections to any Cure Amount or defaults under Potentially Assumed Contracts, or the assumption and assignment of any of the Potentially Assumed Contracts to Everest, including without limitation the Filed Objections, are hereby overruled, withdrawn or otherwise treated as set forth in paragraph 2 below.

O. **Contract Assignments in Best Interests.** The Debtors have demonstrated that assuming and assigning the Potentially Assumed Contracts and the Real Property Leases in connection with the Transactions is an exercise of their sound business judgment, and that such assumption and assignment is in the best interests of the Debtors' estates, for the reasons set forth in the Motion and on the record at the Sale Approval Hearing, including, without limitation, because the assumption and assignment of the Potentially Assumed Contracts and the Real Property Leases in connection with the Transactions will maintain the ongoing business of the Debtors, limit the losses of counterparties to Potentially Assumed Contracts and Real Property Leases, and maximize the distribution to creditors of the Debtors.

P. **Free and Clear.** The transfer of the Assets to Everest under the Purchase Agreement will be a legal, valid, and effective transfer, and will vest at the Closing Everest with all right, title, and interest of the Debtors to the Assets free and clear of all of the following (collectively, “***Interests***”) liens, claims (as defined in section 101(5) of the Bankruptcy Code), encumbrances, obligations, liabilities, demands, guarantees, actions, suits, defenses, deposits, credits, allowances, options, rights, restrictions, limitations, contractual commitments, rights of first refusal, rights of setoff or recoupment (to the extent permitted under applicable law), or interests of any kind or nature whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether arising prior to or subsequent to the commencement of these chapter 11 cases, whether imposed by agreement, understanding, law, equity or otherwise, including, but not limited to, (i) those Interests that purport to give to any party a right or option to effect a setoff against or any forfeiture, modification or termination of the Debtors’ interests in the Assets, or any similar rights if any; (ii) those Interests arising under all mortgages, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens, judgments, demands, encumbrances, rights of first refusal or charges of any kind or nature, if any, (iii) those Interests that are Excluded Liabilities set forth in the Purchase Agreement; and (iv) those Interests arising in connection with any agreements, acts, or failures to act, of any of the Debtors or any of the Debtors’ predecessors, affiliates, or representatives including, but not limited to, Interests arising under any doctrines of successor liability or similar theories under applicable state or federal law or otherwise. For the avoidance of doubt, without limiting the effect of the foregoing, the assumption and assignment of any Potentially Assumed Contract that Everest elects to have assumed and assigned to it or Real Property Lease is free and clear of all Interests, with all such

Interests to attach to the consideration to be received by the Debtors in the same priority and subject to the same defenses and avoidability, if any, as of the Closing.

Q. **Free and Clear Findings Required by Everest.** Everest would not have entered into the Purchase Agreement and would not have consummated the Transactions, thus adversely affecting the Debtors, their estates and their creditors, if the sale of the Assets to Everest, and the assumption and assignment or transfer of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and the Real Property Leases to Everest, were not free and clear of all Interests of any kind or nature whatsoever, as set forth in this Sale Order, or if Everest would, or in the future could, be liable for any of the Interests. A sale of the Assets other than one free and clear of all Interests would adversely impact the Debtors' estates, and would yield substantially less value for the Debtors' estates, with less certainty than the sale contemplated by the Purchase Agreement. Therefore, the sale contemplated by the Purchase Agreement is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

R. **Satisfaction of Section 363(f) Standards.** The Debtors may sell the Assets free and clear of any Interests of any kind or nature whatsoever because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Interests who did not object to or who withdrew their objections to the sale of the Assets, the Transactions or the Cure Notices are deemed to have consented to the Motion and sale and assignment of the Assets to Everest pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Interests who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Interests attach to the net proceeds ultimately attributable to the Assets against or in which such Interests are asserted, subject to the terms of such Interests, with the same validity, force and effect, and in

the same order of priority, which such Interests now have against the Assets or their proceeds, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

S. **No Fraudulent Transfer.** The Purchase Agreement and Ancillary Agreements were not entered into, and the Transactions are not consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. Neither the Debtors nor Everest has entered into the Purchase Agreement or the Ancillary Agreements or are consummating the Transactions with any fraudulent or otherwise improper purpose. The consideration for the purchase of the Assets by Everest and for the other Transactions that are set forth in the Purchase Agreement is at least reasonably equivalent value for the purchase of such assets and for such other Transactions.

T. **Excluded Liabilities.** Except for the Assumed Liabilities set forth in the Purchase Agreement, the transfer of the Assets to Everest under the Purchase Agreement shall not result in Everest having any liability or responsibility for, or any Assets being recourse for, (i) any Interest asserted against the Debtors or against an insider of Debtors or against any of the Assets or any other assets of the Debtors, or (ii) the satisfaction in any manner, whether at law or in equity, whether by payment, setoff, recoupment, or otherwise, directly or indirectly, and whether from the Assets or otherwise, of any Interest or Excluded Liability, or (iii) otherwise to third parties or the Debtors, except, with respect to the Debtors, as is expressly set forth in the Purchase Agreement. The Debtors will release and forever discharge Everest and its successors and assigns from any and all claims, causes of action, obligations, liabilities, demands, losses, costs and expenses of any kind, character or nature whatsoever, known or unknown, fixed or

contingent, relating to the sale and assignment of the Assets, except for the Assumed Liabilities and the other obligations under the Purchase Agreement.

U. **No Successor Liability.** Without limiting the effect or scope of the foregoing, the transfer of the Assets from the Debtors to Everest does not and will not subject Everest or its affiliates, successors or assigns or their respective properties (including the Assets) to any liability for Interests against the Debtors or the Debtors' Interests in such Assets by reason of such transfer or otherwise under the laws of the United States or any state, territory, possession thereof, or the District of Columbia applicable to such Transaction, including, without limitation, any successor liability or similar theories. The Transactions contemplated by the Purchase Agreement do not amount to a consolidation, merger or de facto merger of Everest and the Debtors and/or the Debtors' estates, there is not substantial continuity between Everest and the Debtors, there is no common identity between the Debtors and Everest, Everest is not a mere continuation of the Debtors or their estates, and Everest does not constitute a successor to the Debtors or their estates. For the avoidance of doubt, notwithstanding the consummation of the Transactions and the employment by Everest of certain persons previously employed by the Debtors, Everest shall not have any obligations or liabilities to any employee of the Debtors or in respect of any employee benefits owing to any employee of the Debtors by the Debtors or by any plan or program administered by the Debtors or for the benefit of the Debtors' employees, and any obligations of Everest to any such person shall be limited to (i) those obligations expressly agreed by Everest with such person on and following the later of the Closing and the date, if any, that such person first becomes employed by Everest, and (ii) those obligations explicitly assumed by Everest under the Purchase Agreement.

V. **Prompt Consummation.** The Transactions must be approved by the Court and consummated promptly in order to preserve the viability of the business subject to the sale as a going concern, and to thereby maximize the value of the Debtors' estates, for the reasons set forth in the Motion and on the record at the Sale Approval Hearing. For those reasons, time is of the essence in consummating the Sale. Accordingly, there is cause to lift the stay contemplated by Bankruptcy Rule 6004 with regards to the transactions contemplated by this Sale Order.

W. **Avoidance Action Releases are Required.** The avoidance action releases described in section 7.18(b) of the Purchase Agreement, including without limitation the releases of any causes of action under sections 544 through 553 of the Bankruptcy Code that each Debtor and each Debtors' bankruptcy estate may have, as set forth therein, are an express condition to Everest's consummation of the Transactions and are required to implement the free and clear nature of the Transactions. The Transactions viewed as a whole, together with such releases, will provide a greater benefit to the Debtors, their estates, and their creditors than would the prosecution of the released causes of action in the absence of the Transactions.

X. **Modifications to Purchased Assets, Potentially Assumed Contracts and Real Property Leases.** Given the unique circumstances of the Debtors' chapter 11 cases, including the need to rapidly stabilize the Debtors' business, the Debtors and Everest have agreed that Everest shall maintain certain rights to modify certain of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and Real Property Leases, after the date of this Sale Order and up to the applicable Assignment Deadline as set forth in section 2.5 of the Purchase Agreement, as modified by the Sale Order. Such modification rights include but are not limited to the right of Everest, prior to the applicable Assignment Deadline, to designate a Potentially Assumed Contract or Real Property Lease for assumption by the Debtors and

assignment to Everest and to compel the Debtors to assume and assign such Potentially Assumed Contract or Real Property Lease. Everest would not have agreed to the Transactions without the rights set forth in section 2.5, which rights do not affect the purchase price. The notice and opportunity to object provided to counterparties to Potentially Assumed Contracts and Real Property Leases and to other parties in interest, as set forth in the Procedures Order and this Sale Order (with respect to the Specified Real Property Leases), fairly and reasonably protects any rights that such counterparties and other parties in interest may have with respect to the Potentially Assumed Contracts and Real Property Leases pursuant to an exercise by Everest of such rights.

Y. **Assignment to Substitute Purchaser.** In order to allow for the assumption and assignment of any Potentially Assumed Contracts or Real Property Leases under the terms of the Purchase Agreement, Everest shall have the right, prior to the applicable Assignment Deadline, to direct the Debtors to assign prior to the applicable Assignment Deadline any Potentially Assumed Contract(s) or Real Property Lease(s) to one or more Buyer Designee (as such term is used in the Purchase Agreement). In the event that Everest designates any Buyer Designee to acquire any Potentially Assumed Contract(s) or Real Property Lease(s), the Debtors will provide notice to the applicable non-debtor counterparty and their counsel of record and an opportunity to object to the proposed assignments on adequate assurance, cure and other grounds and, unless the context requires otherwise, any reference to Everest in this Sale Order or the Purchase Agreement shall be deemed to be a reference to Everest and/or such Buyer Designee, as applicable.

Z. **Sale in Best Interests.** Good and sufficient reasons for approval of the Purchase Agreement, Ancillary Agreements, and the Transactions have been articulated to the Court in the

Motion and on the record at the Sale Approval Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, their creditors and other parties in interest.

AA. **Canadian Sale Order**. The Debtors' Canadian affiliates will file, in accordance with the Purchase Agreement, a motion with the Canadian Court in the CCAA Case seeking an order approving the transactions contemplated by this Sale Order and the Purchase Agreement, recognizing and implementing this Sale Order in Canada (the "***Canadian Sale Approval and Vesting Order***"), and vesting the Canadian Assets in Everest and/or the Buyer Designees free and clear of all claims, liens and encumbrances whatsoever. The consummation of the transactions contemplated by the Purchase Agreement and the Closing are conditioned on the entry of the Canadian Sale Approval and Vesting Order.

BB. **Buyer's Lenders**. Everest's ability to pay the purchase price under the Agreement is subject to its obtaining financing, which Everest has obtained from Bank of America, N.A. and General Electric Capital Corporation (collectively, "***Buyer's Lenders***"). Everest and Buyer's Lenders would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates, and their creditors, if the sale of the Assets to Everest and the assumption and assignment of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and the Real Property Leases to Everest was not free and clear of all Interests of any kind or nature whatsoever, or if Everest would, or in the future could, be liable for any of the Interests (other than any Assumed Liabilities under the Purchase Agreement). Buyer's Lenders will not consummate the transactions contemplated by the Agreement unless the Agreement specifically provides, and the Bankruptcy Court specifically orders, that none of Everest or its affiliates,

members or shareholders or the Assets will have any liability whatsoever with respect to or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any Lien or Excluded Liability.

NOW, THEREFORE, IT IS ORDERED THAT:

1. **Motion is Granted.** The Motion and the relief requested therein is **GRANTED** and **APPROVED** as set forth herein.

2. **Objections Overruled.** Other than the Filed Objections relating to the Specified Real Property Leases, to the extent such objections relate to Cure Amounts and adequate assurance, and Potentially Assumed Contracts, to the extent of any unresolved Cure Amounts, the Filed Objections and any other objections to the entry of this Sale Order or the relief granted herein and requested in the Motion that have not been withdrawn, waived, or settled, or not otherwise resolved pursuant to the terms hereof, if any, hereby are denied and overruled on the merits with prejudice. No appeal, motion to reconsider, or similar pleading has been filed with respect to the Procedures Order, and the Procedures Order is a final order of the Bankruptcy Court, has not been vacated, withdrawn, rescinded, or amended, and remains in full force and effect. Notwithstanding anything herein to the contrary, a hearing on the objection filed by Otto-Sumisho Inc. shall be conducted before this Court on July 30, 2009 at 9:30 a.m.

3. **Approval.** The Purchase Agreement, the Ancillary Agreements, and, so long as consistent with the Purchase Agreement and this Order, all other documents and all other instruments related to and connected with the Transactions and the consummation thereof, and all of the terms and conditions thereto, are hereby approved. Debtors are hereby authorized to (i) execute the Ancillary Agreements along with any additional instruments or documents that may

be reasonably necessary or appropriate to implement the Purchase Agreement and the Transactions, and any prior execution by the Debtors of such agreements, documents, and instruments is hereby ratified; (ii) perform all obligations under the Purchase Agreement, Ancillary Agreements, and other documents and instruments related to or connected with the Transactions and the consummation thereof, including but not limited to deeds, assignments, stock powers, and other instruments of transfer, and consummate the Transactions, and any prior performance of such obligations and any prior consummation of such Transactions is hereby ratified; (iii) upon designation by Everest, assume and assign to Everest the Potentially Assumed Contracts; (iv) undertake the process of assuming and assigning the Real Property Leases to Everest under the Procedures Order and this Sale Order; and (v) take all other and further actions as may be reasonably necessary to consummate and implement the Transactions and perform all obligations under the Purchase Agreement, the Ancillary Agreements, and all other documents and instruments related to and connected with the Transactions and the consummation thereof, without any further corporate action or orders of the Bankruptcy Court. Everest shall have no obligation to proceed with the Closing until all conditions precedent to their obligations to do so have been met, satisfied or waived.

4. **Valid Transfer**. As of the Closing Date, (i) the consummation of the Transactions shall effect a legal, valid, enforceable and effective sale and transfer of the Assets to Everest, and shall vest Everest with title to such Assets and Buyer's Lender's liens on the Assets so transferred shall constitute first priority liens free and clear of all Interests of any kind whatsoever; and (ii) the Purchase Agreement, the Ancillary Agreements, any other documents or instruments related to or connected with the Transactions and the consummation thereof, and the Transactions shall be enforceable against and binding upon, and not subject to rejection or

avoidance by, the Debtors, any successor trustee appointed with respect thereto, and each other person and entity.

5. **Free and Clear.** Except as expressly provided for in the Purchase Agreement or this Sale Order, pursuant to Bankruptcy Code sections 105(a) and 363(f), the Debtors are authorized and directed to transfer the Assets to Everest and Everest shall take title to and possession of the Assets, upon the Closing, free and clear of all Interests of any kind or nature whatsoever, with all such Interests to attach to the proceeds ultimately attributable to the property against or in which such Interests are asserted, subject to the terms of such Interests, with the same validity, force and effect, and in the same order of priority, which such Interests now have against the Assets or their proceeds, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto. The provisions of this Sale Order authorizing the sale and assignment of the Assets and Buyer's Lender's liens on the Assets so transferred shall constitute first priority liens free and clear of Interests and the Excluded Liabilities, shall be self-executing, and neither the Debtors nor Everest shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate and implement the provisions of this Sale Order.

6. **Limitation on Actions.** The Sale is free and clear of all Claims and Interests other than Assumed Liabilities, and all such Claims and Interests, if any, shall be, and hereby are transferred and attached to the proceeds from the Transaction in the order of their priority, with the same validity, force and effect which they have against such Assets as of the Closing, subject to any rights, claims and defenses that the Debtors' estates and Debtors, as applicable, may possess with respect thereto. Except as expressly permitted by the Purchase Agreement as to Assumed Liabilities, all persons and entities, including, but not limited to, all debt security

holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, contract counterparties, customers, landlords, licensors, employees, litigation claimants and other persons, holding Interests or Claims of any kind or nature whatsoever against or in the Debtors or the Debtors' interests in the Assets (whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether arising prior to or subsequent to the commencement of these chapter 11 cases, whether imposed by agreement, understanding, law, equity or otherwise), arising under or out of, in connection with, or in any way relating to, the Debtors, the Assets, the operation of the Debtors' businesses before the Closing or the transfer of the Debtors' interests in the Assets to Everest, shall not assert, prosecute or otherwise pursue Interests or Claims against Everest, its property (including, without limitation, the Assets), its successors and assigns, or any of its affiliates, partners, principals, or shareholders; or interfere with Everest's title to, use or enjoyment of the Assets, in each case, without first obtaining an Order of this Court after notice and a hearing permitting such Interest or Claim to proceed.

7. **General Assignment.** On the date on which Everest elects to have assumed and assigned to it by the Debtors a Potentially Assumed Contract or Real Property Lease (subject to the lessor's limited rights to object to the extent set forth herein), as applicable, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Assets acquired by Everest under the Purchase Agreement and/or a bill of sale or assignment transferring indefeasible title and interest in the Assets, including the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and Real Property Leases, to Everest. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and

instruments necessary and appropriate to consummate the Transactions and to reflect the effectiveness of the Transactions.

8. **No Successor Liability**. Neither Everest nor its affiliates, successors or assigns shall, as a result of the consummation of the Transaction: (i) be a successor to the Debtors or the Debtors' estates; (ii) have, *de facto* or otherwise, merged or consolidated with or into the Debtors or the Debtors' estates; or (iii) be a continuation or substantial continuation of the Debtors or any enterprise of the Debtors. Except for the Assumed Liabilities, Everest shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates including, but not limited to, any bulk sales law. Except for the Assumed Liabilities, the transfer of the Assets to Everest under the Purchase Agreement shall not result in (i) Everest, its affiliates, partners, principals or shareholders, or the Assets having any liability or responsibility for any Interest against the Debtors or against an insider of the Debtors, (ii) Everest, its affiliates, partners, principals or shareholders, or the Assets having any liability whatsoever with respect to or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any Interest or Excluded Liability, or (iii) Everest, its affiliates, partners, principals or shareholders, or the Assets, having any liability or responsibility to the Debtors except as is expressly set forth in the Purchase Agreement.

9. **Examples of No Successor Liability**. Without limiting the generality, effect, or scope of the foregoing, as a result of and following the Closing of the Transactions, Everest, except as expressly assumed under the Purchase Agreement, shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, federal, state or other tax liabilities, U.S. or foreign pension liabilities, or liabilities based on any theory of antitrust,

environmental, labor or employment or benefits law, alter ego, veil piercing, continuity of enterprise, mere continuation, product line, *de facto* merger or substantial continuity, whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether arising prior to or subsequent to the commencement of these chapter 11 cases, whether imposed by agreement, understanding, law, equity or otherwise with respect to the Debtors or any obligations of the Debtors, including, but not limited to, liabilities arising, accruing or payable under, out of, in connection with, or in any way relating to or calculated or determined with respect to or based in whole or in any part upon the operation of the Assets prior to the Closing Date, or any taxes in connection with, or in any way relating to the cancellation of debt of the Debtors or their affiliates. For the avoidance of doubt, notwithstanding the consummation of the Transactions and the employment by Everest of certain persons previously employed by the Debtors, Everest shall not have any obligations or liabilities to any employee of the Debtors or in respect of any employee benefits owing to or on behalf of any employee of the Debtors (except to the extent Everest has expressly agreed to pay certain employee benefits to designated employees in the Purchase Agreement or Ancillary Agreements), or with respect to any plan or program administered by the Debtors or any other person or entity or administered for the benefit of the Debtors' employees, and any obligations of Everest to any such person shall be limited to those obligations agreed to by Everest with such person, if any, on and following the later of the Closing and the date, if any, that such person first becomes employed by Everest. In the event that Everest elects to assume any liability related to the Debtors' employees, Everest shall not by reason of any such election be deemed to have assumed any other liabilities or to be a successor for any other purpose.

10. **Assumption and Assignment.** Pursuant to Bankruptcy Code sections 105(a), 363 and 365, and subject to and conditioned upon the Closing Date, the Debtors' assumption and assignment to Everest of the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it, and Everest's acceptance of such assignment on the terms set forth in the Purchase Agreement, the Motion, and the Procedures Order, are hereby approved subject to the terms set forth below. On or before the applicable Assignment Deadline, Everest retains the right to designate which Potentially Assumed Contract are to be assumed and assigned in accordance with the Purchase Agreement and the Cure Notices. From time to time prior to the applicable Assignment Deadline, the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it shall be transferred to Everest free and clear of all Interests of any kind or nature whatsoever, other than the Assumed Liabilities. The Potentially Assumed Contracts that Everest elects to have assumed and assigned to it shall remain in full force and effect for the benefit of Everest in accordance with their respective terms, notwithstanding any provision in any such Potentially Assumed Contracts of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code that prohibits, restricts, or conditions such assignment, transfer or sublease. Pursuant to Bankruptcy Code section 365(k), the Debtors shall be relieved from any further liability with respect to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it arising after assignment to Everest, except liability for Cure Amounts as set forth in the Purchase Agreement and herein. Debtors are hereby authorized to execute and deliver to Everest such documents or other instruments as may be necessary to assign or transfer the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it to Everest at prior to the applicable Assignment Deadline. Each counterparty to a Potentially Assumed Contract that Everest elects to have assumed and assigned to it hereby is forever

barred, estopped, and permanently enjoined from raising or asserting against the Debtors, Everest or Buyer's Lenders, or the property of any of them, any assignment fee, default, breach, claim, pecuniary loss, liability or obligation (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinate) arising under or related to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it existing as of the Closing Date or arising by reason of the Closing.

11. **Assignment and Designation Deadline.** The assignment deadline shall be (i) the Closing, with respect to the Domestic Non-Real Property Contracts (as defined in the Purchase Agreement) other than the Specified Contracts (as defined in the Purchase Agreement), or (ii) the later of 5:00 p.m. (New York time) on the date that is two hundred ten (210) days from the Petition Date (January 13, 2010) with respect to the Domestic Real Property Leases (as defined in the Purchase Agreement) and if there is an objection to the Debtors' assumption or assignment of such a Domestic Real Property Lease, two business days after such objection is resolved, overruled or sustained, or (iii) the later of 5:00 p.m. (New York time) on the date that is one hundred twenty (120) days from the Petition Date (October 15, 2009) with respect to the Specified Contracts and, if there is an objection to the Debtor's assumption or assignment of such a Specified Contract, two business days after such objection is resolved, overruled or sustained (each instance, the "*Assignment Deadline*").

12. **Extension of Time to Assume Domestic Real Property Leases.** The time within which the Debtors may assume or reject the Domestic Real Property Leases pursuant to section 365(d)(4) of the Bankruptcy Code is hereby extended to and including January 13, 2010, without prejudice to the right of any of the Debtors' lessors to file an appropriate application with the Court for a hearing to consider on the basis of cause a reduction of such time upon prior notice to

the Debtors, the official committee of unsecured creditors appointed in the Debtors' cases, Everest, and the United States Trustee, all in accordance with the Federal Rules of Bankruptcy Procedure and the local bankruptcy rules and orders of the Court.

13. **Store Operations.** Everest shall be entitled to avail itself of any and all services related to the Stores (as such term is defined in the TSA), at Everest's full expense, including, but not limited to, all utilities, water, cleaning services, garbage removal, free of any interference from any entity or person, subject to compliance with this Sale Order and the TSA. All Inventory (as such term is defined in the TSA) sold from the Stores and all Proceeds (as such term is defined in the TSA) shall be the sole property of Everest and constitute part of the Assets for all purposes, including under the Purchase Agreement, and shall be sold free and clear of any Interest which any person may assert against such Inventory or Proceeds. Debtor and Everest shall be authorized to continue to take any and all actions as may be necessary or desirable to operate the Stores and to otherwise implement the TSA and each of the transactions contemplated thereby subject to the limitations on actions by the Debtor set forth in the Purchase Agreement. Other than actions permitted by an Order of this Court, all utility providers, landlords, creditors and all persons acting for or on their behalf shall not interfere with or otherwise impede the Store operations, institute any action in any court (other than in this Court) or before any administrative body which in any way directly or indirectly interferes with or obstructs or otherwise impedes the Store Operations. The landlords under the Real Property Leases shall be third party beneficiaries and, accordingly, shall have a direct and independent right to collect upon, enforce, or otherwise seek and obtain relief as against Everest with respect to, Everest's undertaking in Section 4 of the TSA to pay for Expenses (as defined in the TSA) and Everest's covenant in Section 6(d) of the TSA to comply with the terms of the applicable

Domestic Real Property Leases (as defined in the TSA) other than terms and conditions with which Everest is not required to comply pursuant to the terms of this Order.

Also, Everest shall maintain through the applicable Store Termination Date (as defined in the TSA) public liability insurance and insurance policies covering injuries to persons and property in or in connection with Everest's operation at each Store (as defined in the TSA) as is required by the terms of the applicable Domestic Real Property Lease, including or naming the landlord as an additional insured or loss payee, as appropriate and if required. Further, Everest shall indemnify and hold harmless each landlord from and against any and all losses, claims, damages, liabilities and expenses (including reasonable expenses of investigation and reasonable attorneys' fees and expenses) caused by failure of Everest to conduct the Store Operations during the applicable Store Terms (as defined in the TSA) in compliance with all applicable laws or the terms of any applicable Store Lease (as defined in the TSA) other than terms and conditions with which Everest is not required to comply pursuant to the terms of this Order.

14. **Store Closing Guidelines.** The Store Closing Guidelines, substantially in the form attached hereto as Exhibit B, are hereby approved and the Debtors and Everest (or any applicable designated agents) shall abide by guidelines substantially similar to such guidelines (including any separate agreements reached between the Debtors and Everest (or any applicable designated agents), on the one hand, and any landlord, on the other hand). The Debtors and Everest (or their selected agents), as applicable, shall have the right to conduct the Store Closing Sales pursuant to the Store Closing Guidelines. Notwithstanding the foregoing, the Debtors and Everest will file with the Court a notice of the times and places of the Store Closing Sales or inventory reduction sales to be conducted pursuant to the Store Closing Guidelines. The Debtors and Everest will serve such notice on the affected landlords and their counsel of record and such landlords shall

have the right to object to the Store Closing Guidelines by setting forth in reasonable detail why the Store Closing Guidelines and/or any other agreement regarding the conduct of the Sale should be altered, but such landlords shall not be permitted to object to Everest or its selected agent conducting Store Closing Sales or inventory reduction sales generally. The Real Property Leases at which the Store Closing Sales or inventory reduction sales are conducted shall not be assumed and assigned by the Debtors to Everest, absent consent of the Debtors and the applicable landlord. The foregoing is only approved in light of the consent of the landlords and the unusual and unique circumstances specific to these Chapter 11 Cases and this Sale. It should not be construed as precedent for other cases with different circumstances. In addition to Everest's obligations under the Purchase Agreement, at the conclusion of the Store Closing Sales, Everest shall pay to the Debtors the lesser of 1% of the net proceeds of such Store Closing Sales or \$25,000.

15. **Cure Notices.** The Debtors have served by first-class mail on all of the non-debtor counterparties to the Potentially Assumed Contracts, a Contract Notice that included, to the extent applicable (i) the Contract, (ii) the name of the counterparty to the Contract, (iii) the Cure Amounts, and (iv) the deadline by which any such Contract counterparty must file an objection (the "***Objection***") to the proposed assumption and assignment and no other or further notice is required, except as otherwise provided herein.

16. **Objections to Cure Notices.** If a timely Objection is received and such Objection cannot otherwise be resolved by the parties, the Bankruptcy Court may hear such Objection at a later date set by the Bankruptcy Court. The pendency of a dispute relating to a particular Contract shall not, in the discretion of Everest, delay the assumption and assignment of any other

Contract or the Closing, provided that Everest shall have no right to delay the Closing except as set forth in the Purchase Agreement.

17. **Real Property Lease Cure Notice.** Upon any non-debtor party's failure to file the Landlord Cure Notice (as such term is defined in the Procedures Order), the Debtor's cure amount set forth on Exhibit 1 of the Real Property Lease Cure Notice (as such term is defined in the Procedures Order), with respect to such landlord, shall constitute findings of the Bankruptcy Court and shall be final and binding on parties to such Real Property Leases and their successors and designees upon the date hereof and shall not be subject to further dispute or audit based on performance prior to the time of assumption and assumption and assignment, irrespective of the terms and conditions of such Real Property Lease.

18. **Payment of Cure Amounts That Have Been Resolved or To Which No Objection was Filed.** The Debtors shall set aside in a segregated account the aggregate Cure Amounts asserted by the non-Debtor parties set forth on Exhibit D. Ten business days following the later of (i) the Closing Date or (ii) the Designation Deadline, the Debtors shall pay the applicable Cure Amounts (if any) specified in Exhibit D. The payment of the applicable Cure Amounts (if any) by the Debtors in the amounts specified in Exhibit D hereof shall (a) effect a cure of all defaults existing under the subject Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. After the payment of the relevant Cure Amounts in the amounts specified in Exhibit D hereof, neither the Debtors nor Everest shall have any further liabilities to the non-Debtor parties to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it other than Everest's obligations under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it under the Asset Purchase Agreement that

accrue and become due and payable on or after the Closing Date. The Debtors' obligation to pay the Cure Amounts and Everest's performance of its obligations under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it after the Closing shall constitute adequate assurance of future performance within the meaning of sections 365(b)(1) and 365(f)(2)(B) of the Bankruptcy Code.

19. Payment of Cure Amounts That Have Not Been Resolved and To Which An Objection was Filed. The Debtors shall set aside in a segregated account the aggregate Cure Amounts asserted by the non-Debtor parties set forth on Exhibit E, which the Court finds are the maximum Cure Amounts that may be due and owing by the Debtors to such non-Debtor parties. If the Debtors and the non-Debtor party are able to agree in writing on the Cure Amount due and owing by the Debtors, the Debtors shall pay the amount to which the parties agree within ten business days following the later of (i) the Closing Date or (ii) the Designation Deadline. If the Debtors and the non-Debtor party are unable to agree on the Cure Amount due and owing by the Debtors, the Debtors shall pay the applicable Cure Amounts (if any) to the non-Debtor party ten business days following the later of (i) the Closing Date, (ii) the Designation Deadline or (iii) the date upon which a final, non-appealable order is entered by the Court determining the applicable Cure Amount. The payment of the applicable Cure Amounts (if any) by the Debtors in the amounts agreed in writing or ordered by the Court shall (a) effect a cure of all defaults existing under the subject Potentially Assumed Contracts and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. After the payment of the relevant Cure Amounts agreed in writing or ordered by the Court, neither the Debtors nor Everest shall have any further liabilities to the non-Debtor parties to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it other than Everest's obligations

under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it under the Asset Purchase Agreement that accrue and become due and payable on or after the Closing Date. The Debtors' obligation to pay the Cure Amounts and Everest's performance of its obligations under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it after the Closing shall constitute adequate assurance of future performance within the meaning of section 365(b)(1) and 365(f)(2)(B) of the Bankruptcy Code.

20. **Payment of Certain Cure Amounts That Have Been Partially Paid.** The Debtors shall set aside in a segregated account the aggregate Cure Amounts set forth on Exhibit F, which the Court finds are the maximum Cure Amounts that may be due and owing by the Debtors to the non-Debtor parties identified on Exhibit F. Subsequent to filing the Motion, but prior to the entry of this Sale Order, the Debtors made a partial payment of the Cure Amounts owing on the Potentially Assumed Contracts listed on Exhibit F. If the Debtors and the non-Debtor party are able to agree in writing on the Cure Amount remaining due and owing by the Debtors after such payments, the Debtors shall pay the amount to which the parties agree within ten business days following the later of (i) the Closing Date or (ii) the Designation Deadline. If the Debtors and the non-Debtor party are unable to agree on the Cure Amount due and owing by the Debtors after such payments, the Debtors shall pay the applicable Cure Amounts (if any) to the non-Debtor party ten business days following the later of (i) the Closing Date, (ii) the Designation Deadline or (iii) the date upon which a final, non-appealable order is entered by the Court determining the applicable Cure Amount. The payment of the applicable Cure Amounts (if any) by the Debtors in the amounts agreed in writing or ordered by the Court shall (a) effect a cure of all defaults existing under the subject Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and (b) compensate for any actual pecuniary loss to such non-Debtor

party resulting from such default. After the payment of the relevant Cure Amounts agreed in writing or ordered by the Court, neither the Debtors nor Everest shall have any further liabilities to the non-Debtor parties to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it other than Everest's obligations under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it under the Asset Purchase Agreement that accrue and become due and payable on or after the Closing Date. The Debtors' obligation to pay the Cure Amounts and Everest's performance of its obligations under the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it after the Closing shall constitute adequate assurance of future performance within the meaning of sections 365(b)(1) and 365(f)(2)(B) of the Bankruptcy Code.

21. **Determination of Cure Amounts.** Except as provided in the Procedures Order, the Cure Amounts set forth on Exhibit D attached hereto, or the Cure Amounts for the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it set forth on Exhibits E or F that are agreed in writing or determined by the Court at a subsequent hearing, shall constitute findings of the Bankruptcy Court and shall be final and binding on parties to such Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and their successors and designees upon the Closing and shall not be subject to further dispute or audit based on performance prior to the time of assumption and assumption and assignment, irrespective of the terms and conditions of such Potentially Assumed Contracts that Everest elects to have assumed and assigned to it. As to Exhibits E and F, to the extent not resolved between the parties, Cure Amounts shall otherwise be those determined by the Bankruptcy Court after notice and a hearing. Each counterparty to a Potentially Assumed Contract that Everest elects to have assumed and assigned to it, whether entered before or after the Petition Date, is

hereby forever barred, estopped, and permanently enjoined from (i) asserting against Everest or its property (including without limitation the Assets), any default arising prior to or existing as of Closing, or any counterclaim, defense, recoupment, setoff or any other Interest asserted or assertable against the Debtors; and (ii) imposing or charging against Everest or its affiliates, any accelerations, assignment fees, increases or any other fees as a result of the Debtors' assumption and assignment or assumption and sublease to Everest of such Potentially Assumed Contract that Everest elects to have assumed and assigned to it. To the extent that any counterparty was notified of Cure Amounts or defaults (or the absence thereof), in accordance with the Procedures Order, and failed to object to such Cure Amounts or defaults (or the absence thereof) with respect to a Potentially Assumed Contract that Everest elects to have assumed and assigned to it, in accordance with the Procedures Order, such counterparty is deemed to have consented to such Cure Amounts or defaults (or the absence thereof) and is deemed to have waived any right to assert or collect any Cure Amounts or enforce any defaults that may arise or have arisen prior to or as of the Closing. Each counterparty to an Potentially Assumed Contract that Everest elects to have assumed and assigned to it hereby is forever barred, estopped, and permanently enjoined from raising or asserting against the Debtors, Everest or Buyer's Lenders, or the property of any of them, any assignment fee, default, breach, claim, pecuniary loss, liability or obligation (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinate) arising under or related to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it existing as of the Closing Date or arising by reason of the Closing.

22. **Assumption and Assignment Process for Real Property Leases.** At any time, and from time to time, the Debtors may seek to assume and assign any of the Real Property Leases

by filing with the Court and serving on the counterparties to the subject Real Property Leases a Notice of Assumption and Assignment of Unexpired Real Property Leases and serving, but not filing, on such counterparties and their counsel of record an updated adequate assurance package (the “*Notice*”). The Debtors shall set forth in the Notice the Debtors’ Final Cure Amount as provided for in the Procedures Order and the identity of the assignee. The Notice shall include a deadline of ten (10) days after the date of service of the Notice for the counterparties to file with the Court and serve upon the Debtors and other necessary parties, as set forth below, their objections to the Debtors’ Final Cure Amount or, with respect to Specified Real Property Leases, to the assignment of their Real Property Leases on adequate assurance grounds, and shall include a date and time for a hearing to consider any such timely filed and served objections. Any such objection must set forth (i) the basis for the objection, (ii) the exact amount the party asserts as the correct cure amount, and (iii) sufficient documentation to support the cure amount asserted. If a counterparty fails to file a timely objection to the Debtors’ Final Cure Amount, or to the assumption and assignment, then such counterparty’s Real Property Lease will be assumed and assigned upon order submitted by the Debtors at any time after the objection deadline, and such counterparty will be (i) forever barred from objecting to the Debtors’ Final Cure Amount; and (ii) forever barred and estopped from asserting or claiming any cure amount, other than the Debtors’ Final Cure Amount, against the Debtors, any Successful Bidder or any other assignee of the relevant lease. The parties to be served with a copy of any objection by a counterparty are:

23. **Ipso Facto Clauses Ineffective.** Upon the Debtors' assignment of the Real Property Leases or Potentially Assumed Contracts that Everest elects to have assumed and assigned to it to Everest under the provisions of this Sale Order, no default shall exist under any Real Property Lease or Potentially Assumed Contract that Everest elects to have assumed and assigned to it and no counterparty to any such Real Property Lease or Potentially Assumed Contract that Everest elects to have assumed and assigned to it shall be permitted to declare or enforce a default by the Debtor or Everest thereunder or otherwise take action against Everest as a result of any Debtor's financial condition, change in control, bankruptcy or failure to perform any of its obligations under the relevant Real Property Lease or Potentially Assumed Contract that Everest elects to have assumed and assigned to it. Any provision in a Potentially Assumed Contract or Real Property Lease that prohibits or conditions the assignment or sublease of such Potentially Assumed Contract or Real Property Lease (including, without limitation, the granting of a lien therein) or allows the counterparty thereto to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon such assignment or sublease, constitutes an unenforceable anti-assignment provision that is void and of no force and effect

only in connection with the assumption and assignment of such Real Property Lease or Potentially Assumed Contract to Everest. The failure of the Debtors or Everest to enforce at any time one or more terms or conditions of any Real Property Lease or Potentially Assumed Contract that Everest elects to have assumed and assigned to it shall not be a waiver of such terms or conditions, or of the Debtors' and Everest's rights to enforce every term and condition of the Potentially Assumed Contract that Everest elects to have assumed and assigned to it or Real Property Lease. Nothing in this section 23 shall affect the rights of any lessor under section 365(b)(3) of the Bankruptcy Code.

24. **Binding Effect of Order**. This Sale Order shall be binding upon and shall govern the acts of all entities, including without limitation all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets. The terms and provisions of the Purchase Agreement, the Ancillary Agreements, all other documents and instruments related to or connected with the Transactions and the consummation thereof, the Transactions themselves, the Procedures Order, and this Sale Order shall be binding in all respects upon the Debtors, the Debtors' estates, all creditors thereof (whether known or unknown), all holders of equity interests in any of the Debtors, Everest and its respective affiliates, successors and assigns, and any and all third parties, notwithstanding any subsequent appointment of any trustee of the Debtors under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

25. **Release of Interests.** This Sale Order (i) shall be effective as a determination that, on the Closing, all Interests of any kind or nature whatsoever existing as to the Assets prior to the Closing have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets. On the Closing, the Debtors and persons holding an Interest in the Assets as of the Closing are authorized to execute such documents and take all other actions as may be reasonably necessary to release their Interests in the Assets, if any, as such Interests may have been recorded or may otherwise exist.

26. **Avoidance Actions.** The Debtors shall not pursue any avoidance action against any current or former supplier, vendor or landlord of the Debtors or the Business (as defined in the Purchase Agreement) who is a party to a Contract (as defined in the Purchase Agreement) or a Real Property Lease, and each of the Debtors hereby releases, effective as of the Closing, any rights it may have with respect to any such avoidance action.

27. **Fees, Expenses and Other Obligations.** All obligations of the Debtors under the Purchase Agreement, the Ancillary Agreements, and any and all of the documents delivered by the Debtors in connection with the Purchase Agreement, shall be paid in the manner provided in the Purchase Agreement and the Procedures Order, without further order of this Court. All such

obligations shall constitute allowed administrative claims in each of the Debtors' chapter 11 cases, with first priority administrative expense under section 507(a)(2) of the Bankruptcy Code. Until satisfied, all such obligations shall continue to have the protections provided in this Sale Order, and shall not be discharged, modified or otherwise affected by any reorganization plan for the Debtors, except by an express agreement with Everest. On the Closing Date, the obligation of the DIP Lenders to make credit extensions to the Debtors under the DIP Credit Agreement shall terminate and the Debtors shall pay that portion of the proceeds from the sale of the Assets to the agent under the DIP Facility (the "*DIP Agent*") in satisfaction of all obligations under the DIP Facility (including, without limitation, principal, interest, fees, expense reimbursement, indemnities and the cash collateralization of any outstanding letters of credit) without any further order of the Court. To the extent that the Debtors dispute any amounts claimed by the DIP Agent, the Debtors shall immediately pay the undisputed amounts and place the disputed amount (together with an estimate of any additional expenses of the DIP Agent) in a cash escrow account to be maintained with the DIP Agent pending resolution of such dispute. Unless and until the DIP Agent and the lenders under the DIP Facility are paid in full in cash, the DIP Agent shall retain its lien on the proceeds from the sale of the Assets. The Break-Up Fee and Expense Reimbursement shall be paid in accordance with the Procedures Order and the Stalking Horse Asset Purchase Agreement.

28. Sale Proceeds.

(a) Any and all valid and perfected Interests in the Assets of the Debtors shall attach to any proceeds of such Assets immediately upon receipt of such proceeds by the Debtors (or any party acting on any Debtors' behalf) in the order of priority, and with the same validity, force and effect which they now have against such Assets, subject to any rights, claims and defenses

the Debtors, the Debtors' estates or any trustee for any Debtor, as applicable, may possess with respect thereto, in addition to any limitations on the use of such proceeds pursuant to any provision of this Sale Order; provided, however, no Interest shall attach to \$10,000,000 received by the Debtors from the sale of the Assets until the later of (i) the final determination of the Closing Net Working Capital Amount (as such term is defined in the Purchase Agreement) in accordance with section 3.2 of the Purchase Agreement, and (ii) the latest Store Termination Date (as such term is defined in section 5.1 of the TSA). Except as required by the Purchase Agreement, no proceeds subject to an asserted security interest or lien shall be used or disbursed by the Debtors without the express consent of the party or parties asserting a security interest or lien therein or further order of the Bankruptcy Court after notice (to all parties who have asserted an Interest in such proceeds) and a hearing, consistent with the requirements of the Bankruptcy Code.

(b) Until December 31, 2010, \$2,675,454.53 of the sale proceeds shall be placed in a segregated account, which account shall be free and clear of all liens, claims, interests and encumbrances (the "*Cure Escrow*"). Notwithstanding anything herein to the contrary, the Debtors shall be responsible for paying and the funds in the Cure Escrow shall be used to pay Cure Amounts owed as of the closing date to non-debtor parties to the Real Property Leases upon assumption of each applicable Real Property Lease, including, without limitation, any adjustments or accrued amounts determined after the date of the Closing to be payable for the period prior to the date of the Closing. On December 31, 2010, any amounts remaining in the Cure Escrow shall be returned to the Debtors' estates, subject to the security interests of those parties that had security interests in the Debtors' Assets in the same priorities as they had in the Assets prior to the sale of such Assets.

(c) On the Closing Date, the Debtors are hereby directed to disburse the sale proceeds in the amount of \$135,000,000 to Wilmington Trust FSB, successor by assignment to JP Morgan Chase Bank, N.A., as Agent (the "*Term Loan Agent*") for the benefit of the pre-petition term loan lenders (the "*Term Lenders*"), provided, however, that such disbursement and payment to the Term Loan Agent shall be subject to (i) the Challenge Rights of the Creditors' Committee (as each of those terms are defined in the Final Order Pursuant to 11 U.S.C. Sections 105, 361, 362, and 364 and Rules 2002, 4001 and 9014 of the Federal Rules of Bankruptcy Procedure (1) Authorizing Incurrence by the Debtors of Post-Petition Secured Indebtedness with Priority over Certain Secured Indebtedness and with Administrative Superpriority, (2) Granting Liens, (3) Authorizing Use of Cash Collateral by the Debtors Pursuant to 11 U.S.C. Section 363 and Providing for Adequate Protection and (4) Modifying the Automatic Stay (the "Final DIP Order")), (ii) any final order authorizing the surcharge under 506(c) claims made against the Term Lenders' collateral by the expiration of the Challenge Period (as defined in the Final DIP Order), subject to the Term Lenders' rights to (x) object to any such surcharge, (y) object to the allowance of any claims, and (z) and to enforce their adequate protection rights with respect to any 506(c) surcharge made against the Term Lenders' collateral, (iii) any agreement among the parties or further order of the Court with respect to the allocation of proceeds between the collateral subject to the Term Loan Agent's and Term Lenders' valid pre-petition liens and the unencumbered assets of the Debtors, and (iv) disgorgement, if necessary for any of the foregoing.

29. **No Material Modifications**. The Purchase Agreement, Ancillary Agreements and any related agreements, documents or other instruments may be modified, amended or supplemented by the Debtors and Everest, in a writing signed by such parties, and in accordance

with the terms thereof, without further order of the Court, *provided* that any (a) such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates and has been agreed to between the Debtors and Everest and (b) such modification, amendment or supplement is filed with the Bankruptcy Court and provided on forty-eight (48) hours prior notice to its effectiveness to counsel for the Official Committee of Unsecured Creditors, counsel for the Administrative Agent for the Debtors' prepetition term loan facility, counsel to the agent under the prepetition revolving credit facility, and counsel for the indenture trustee for the \$75 million 5.25% convertible senior notes due 2014. At the sole discretion of Everest, the Debtors and Everest are expressly authorized, without further order of the Bankruptcy Court, to execute an amendment to the Purchase Agreement to provide for the Closing to occur on one or more Closing Dates so long as the amendment to the Purchase Agreement is filed with the Bankruptcy Court. Any material modification, amendment, or supplement to the Purchase Agreement must be approved by Order of the Bankruptcy Court following a motion on notice to all interested parties.

30. **Subsequent Orders and Plan Provisions.** Nothing contained in any subsequent order of this Court or any court of competent jurisdiction in these or other chapter 11 cases (including without limitation, an order authorizing the sale of assets pursuant to sections 363, 365 or any other provision of the Bankruptcy Code or any order entered after any conversion of a chapter 11 case of the Debtors to a case under chapter 7 of the Bankruptcy Code) or any chapter 11 plan confirmed in any Debtors' bankruptcy cases or any order confirming any such plan shall nullify, alter, conflict with, or in any manner derogate from the provisions of this Sale Order, and the provisions of this Sale Order shall survive and remain in full force and effect.

31. **Failure to Specify Provisions.** The failure specifically to include any particular provisions of the Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the Purchase Agreement be authorized and approved in its entirety.

32. **No Stay of Order.** Notwithstanding the provisions of Bankruptcy Rule 6004 and Bankruptcy Rule 6006 or any applicable provisions of the Local Rules, this Sale Order shall not be stayed for ten (10) days after the entry hereof, but shall be effective and enforceable immediately upon entry, and the ten (10) day stay provided in such rules is hereby expressly waived and shall not apply. Time is of the essence in approving the Transactions, and the Debtors and Everest intend to close the Transactions as soon as practicable. Any party objecting to this Sale Order must exercise due diligence in filing an appeal and pursuing a stay within the time prescribed by law and prior to Closing, or risk its appeal will be foreclosed as moot.

33. **Canadian Order Recognition.** The Debtors are hereby authorize to consummate and otherwise perform any necessary transaction contemplated and approved by the Canadian Sale Approval and Vesting Order.

34. **Name Change.** Each Debtor is authorized and empowered to effectuate the change of its corporate names to names that do not include "Eddie Bauer." From and after the date that the Debtors effectuate their name change under state corporate law, the caption of these chapter 11 cases shall be revised to include the new names. The Clerk of the Court is directed to make a docket entry in these cases as may be necessary and appropriate to implement the terms of this Paragraph. The Debtors are authorized and empowered to take such actions as may be necessary and appropriate to implement the terms of this Paragraph.

35. **Closing Conditions and Termination Rights.** Nothing in this Sale Order shall modify or waive any closing conditions or termination rights in Articles VIII and IX of the Purchase Agreement, and all such conditions and rights shall remain in full force and effect in accordance with their terms.

36. **Allocation.** Except as otherwise provided in this Order, Everest shall pay proceeds of the Transactions to the Debtors, collectively, to be held by Eddie Bauer Holdings Inc. on behalf of all of the Debtors. The rights of all parties in interest in respect of the proper allocation of proceeds received by the Debtors on account of the Assets are reserved, as among each of the Debtors (and without impairing or affecting, in any way, Everest's rights under the Purchase Agreement).

37. **Retention of Jurisdiction.** This Court retains jurisdiction, pursuant to its statutory powers under 28 U.S.C. § 157(b)(2), to, among other things, interpret, implement, and enforce the terms and provisions of this Sale Order, all amendments thereto and any waivers and consents thereunder, including, but not limited to, retaining jurisdiction to (i) compel delivery of the Assets to Everest, (ii) interpret, implement and enforce the provisions of the Procedures Order, this Sale Order, and any related order; (iii) protect Everest, its affiliates, partners, principals or shareholders against any Interests against the Debtors or the Assets of any kind or nature whatsoever, including, without limitation, through the grant of declaratory and injunctive relief determining that Everest, its affiliates, partners, principals or shareholders and their assets (including the Assets) are not subject to such Interests and prohibiting persons and entities from asserting such Interests against Everest, its affiliates, partners, principals or shareholders and their assets (including the Assets), and (iv) enter any orders under sections 363 and 365 of the

Bankruptcy Code with respect to the Potentially Assumed Contracts that Everest elects to have assumed and assigned to it and the Real Property Leases.

38. **Rejection Procedures.** In the case of any Potentially Assumed Contract or Real Property Lease that the Successful Bidder does not want to assume, after the earlier of (a) the applicable Designation Deadline, or (b) such other time that the Successful Bidder informs the Debtors in writing that it does not want to assume any executory contract or unexpired lease, then the Debtors seek authority to promptly reject such contract or lease pursuant to the following rejection procedures:

- i. The Debtors will file with the Court a written notice (the "***Rejection Notice***") of the Debtors' intent to reject any contract or lease, and will serve the Rejection Notice via overnight delivery service upon the following parties (collectively, the "***Rejection Notice Parties***"): (i) the counterparties or landlords affected by the Rejection Notice and any parties to any subleases and their counsel of record, (ii) the U.S. Trustee, (iii) counsel to the Creditors' Committee, (iv) counsel to the Successful Bidder, (v) counsel to the pre-petition and post-petition lenders, and (vi) any other interested parties with respect to such contract or lease. The affected contract or lease which is the subject of a Rejection Notice shall be deemed to be subject to a motion to reject such contract or lease pursuant to section 365 of the Bankruptcy Code.
- ii. The Rejection Notice will set forth the following information, to the best of the Debtors' knowledge: (i) the street address of the real property that is the subject of any lease that the Debtors seek to reject or a description of the contract that the Debtors seek to reject, (ii) the name and address of the affected counterparties or landlords (and their counsel, if known), (iii) a description of the deadlines and procedures for filing objections to the Rejection Notice (as set forth below), and (iv) the proposed order approving the rejection (the "***Rejection Order***").
- iii. Should a party in interest object to the proposed rejection by the Debtors of a contract or lease, such party must file and serve a written objection so that such rejection is filed with this Court and actually received by the Debtors and the Rejection Notice Parties as set forth in the Rejection Notice no later than ten (10) days after

the date that the Debtors served the Rejection Notice to reject the contract or lease at issue.

- iv. If no timely objection is filed and served with respect to the rejection of a contract or lease, the Debtor shall file with the Court a certificate of no objection with the Rejection Order. The Rejection Order shall provide, inter alia, that the rejection of such contract or lease shall become effective on the later of (i) ten (10) days from the date the applicable Rejection Notice was served on the affected counterparty or landlord (notwithstanding any extension of the objection deadline beyond such date pursuant to Bankruptcy Rule 9006), or (ii) if a lease, the date that the Debtor vacated the premises, evidenced by actions such as turning over the keys or "key codes" to the affected landlord.
- v. If a timely objection is properly filed and served on the Rejection Notice Parties as specified above, unless the parties agree otherwise in writing, a hearing will be scheduled to consider that objection.
- vi. In connection with the rejection of a lease, if the Debtors have deposited monies with a lessor as a security deposit or other arrangement, such lessor may not set off or recoup or otherwise use such deposit without the prior approval of the Court.
- vii. In connection with the rejection of a lease, with respect to any personal property of the Debtors located at any of the premises subject to any Rejection Notice, the Debtors shall remove such property prior to the later of (i) the expiration of the period within which a party must file and serve a written objection to the Rejection Notice, and (ii) the date of rejection of the underlying lease. If the Debtors determine that the property at a particular location has no value or the cost of removing the property exceeds the value of such property, the Debtors shall generally describe the property in the Rejection Notice and their intent to abandon such property. Absent a timely objection, the property will be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, where is, effective as of the date of the rejection of the underlying lease. Upon abandonment, the landlord may dispose of such property without further notice or court order and free of liability for such action. The right of any party in interest to assert a claim against the Debtors' estate for costs associated with such abandoned property is fully preserved, provided that such claim must be made in accordance with the procedures established below for the filing of proofs of claim. The Debtors' rights to contest any such claims are fully preserved.

39. If an affected landlord or counterparty or any other party in interest (the “*Rejection Claimant*”) asserts a claim or claims against the Debtor arising from the rejection of an Potentially Assumed Contract, such Rejection Claimant shall submit a proof of claim to Kurtzman Carson Consultants LLC, Eddie Bauer Claims Processing Center c/o Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo CA 90245, on or before the later of (i) the date that is 30 days after the effective date of rejection of the contract or lease, or (ii) the bar date established by this Court for filing proofs of claim against the Debtors. If a Rejection Claimant does not timely file such proof of claim, such claimant shall be forever barred from asserting a claim for such rejection damages. The effective date of rejection of any contract or lease that the Debtor’s seek to reject pursuant to the Purchase Agreement and this Sale Order shall be the later of (a) the date provided for in the Debtors’ notice, (ii) the date the applicable premises have been surrendered to the lessor by the Debtors, and (iii) such other date as is determined by Court order.

40. **Assumption Procedures.** In the case of any Potentially Assumed Contract that the Debtors seek to assume on or after the date of the Closing pursuant to the Asset Purchase Agreement, the Debtors shall file with the Court a written notice (a “*Post-Closing Assumption Notice*”) of the Debtors’ intent to assume and assign such Potentially Assumed Contract and will serve such Post-Closing Assumption Notice via overnight delivery on (i) each counter party to any Potentially Assumed Contract to be assumed or assigned by the Debtors and their counsel of record, (ii) any other interested parties with respect to such Potentially Assumed Contract, (iii) the U.S. Trustee, (iv) counsel to the Creditors’ Committee, (v) counsel to Everest, and (vi) counsel to the pre-petition and post-petition lenders. No later than ten (10) days after the date that the Debtors served the Post-Closing Assumption Notice for the Potentially Assumed

Contract at issue, the Debtors shall file with the Court an order authorizing the assumption/assignment of such Potentially Assumed Contract which provides (1) that the assumption and assignment of such Potentially Assumed Contract is approved, final and effective, pursuant to section 365 of the Bankruptcy Code and (2) the Successful Bidder provided adequate assurance of future performance under the applicable contract in accordance with section 365(f)(2)(B), and, if applicable, section 365(b)(3).

Section 2.5 Assumption and Assignment of Contracts.

(a) The Sale Order shall provide for the assumption by the Domestic Selling Entities, and the Sale Order shall, to the extent permitted by Law, provide for the assignment by the Domestic Selling Entities to the Buyer and/or one or more Buyer Designees, of the Assumed Domestic Agreements and the Assumed Domestic Real Property Leases on the terms and conditions set forth in the remainder of this Section 2.5, and shall provide for the Designation Deadline as defined herein. At the Buyer's request, and at the Buyer's cost and expense, the Selling Entities shall cooperate with the Buyer as reasonably requested by the Buyer (i) to allow the Buyer to enter into an amendment with any Domestic Real Property Lease upon assumption of such Domestic Real Property Lease by the Buyer or a Buyer Designee, and shall cooperate with the Buyer to the extent reasonably requested with the Buyer in negotiations with the landlords thereof, or (ii) to otherwise amend any Domestic Real Property Lease to the extent such amendments would not adversely affect any of the Selling Entities; *provided* that the

Selling Entities shall not be required to enter into any such amendment if such amendment would result in an assumption by any Selling Entity of such Domestic Real Property Lease, unless such Domestic Real Property Lease will be assigned to the Buyer or a Buyer Designee at the time of such assumption.

(b) On or prior to the applicable Designation Deadline, the Buyer may, in its sole discretion, (i)(x) designate any Domestic Non-Real Property Contract as an Assumed Domestic Agreement or any Domestic Real Property Lease as an Assumed Domestic Real Property Lease, and (y) from and after the Closing, by providing written notice to the Seller, specify a date no earlier than ten (10) Business Days (or five (5) Business Days in any case where the Designation Deadline is the Closing Date) following delivery of such notice on which any Specified Contract or Assumed Domestic Real Property Lease specified in such notice will be assumed by the respective Selling Entity and assigned to the Buyer or the Buyer Designee specified in such notice, or (ii) designate any Domestic Non-Real Property Contract or any Domestic Real Property Lease as a Contract that is not to be an Assumed Domestic Agreement or an Assumed Domestic Real Property Lease, in each case by providing written notice of such designation or removal to the Seller; *provided, however*, that, notwithstanding the Buyer's designation rights pursuant to this Section 2.5(b), the Buyer shall designate a minimum of 300 Domestic Real Property Leases as Assumed Domestic Real Property Leases and shall assume, or cause a Buyer Designee to assume, all such Assumed Domestic Real Property Leases on or prior to the Designation Deadline. Upon delivery of a notification by the Buyer with respect to any Specified Contract or Assumed Domestic Real Property Lease under Section 2.5(b)(i)(y) herein, the applicable Selling Entity shall move to assign such Specified Contract or Assumed Domestic Real Property Lease to the Buyer or the Buyer Designee as set forth in the applicable notice and shall assume and assign to, and the Buyer shall or shall cause such Buyer Designee to accept the assignment of, such Specified Contract or Assumed Domestic Real Property Lease. Upon the Buyer's designation of a Domestic Non-Real Property Contract or any Domestic Real Property Lease under Section 2.5(b)(ii) herein, the applicable Selling Entity may move to reject such Domestic Non-Real Property Contract or Domestic Real Property Lease at any time following receipt of the Buyer's respective notice. In the event that the Buyer has designated any Domestic Non-Real Property Contract as an Assumed Domestic Agreement or any Domestic Real Property Lease as an Assumed Domestic Real Property Lease prior to the applicable Designation Deadline, but has not delivered a notification with respect thereto in accordance with Section 2.5(b)(i)(y) prior to the date that is at least ten (10) Business Days (or five (5) Business Days in any case where the Designation Deadline is the Closing Date) prior to the applicable Designation Deadline, then the applicable Selling Entity shall assume and assign, and Buyer shall, or shall cause a Buyer Designee to, accept the assignment of, such Assumed Domestic Agreement or Assumed Domestic Real Property Lease on the applicable Designation Deadline. In addition, without limiting the Buyer's obligations pursuant to the proviso set forth in the first sentence of this Section 2.5(b), in the event that the Buyer has not provided a written designation pursuant to this Section 2.5(b) at least ten (10) Business Days prior to the applicable Designation Deadline (or five (5) Business Days in any case where the Designation Deadline is the Closing Date) to designate any Domestic Non-Real Property Contract as an Assumed Domestic Agreement or any Domestic Real Property Lease as an Assumed Domestic Real Property Lease, then the Selling Entities may move to reject such Domestic Non-Real Property Contract or Domestic Real Property Lease as of the applicable Designation Deadline, and none of the Domestic Selling

Entities shall have any obligation to assume or to assign any such Domestic Non-Real Property Contract or Domestic Real Property Lease to the Buyer or any Buyer Designee hereunder.

(c) After the Closing and prior to the applicable Designation Deadline, the Selling Entities shall not terminate, amend, supplement, modify, waive any rights under, or create any Encumbrance with respect to any Specified Contract or any Domestic Real Property Lease, or increase, or take any affirmative action not required by the terms thereof, any payments required to be paid thereunder by any of the Selling Entities or any Buyer Designee contingent upon any such Specified Contract or Domestic Real Property Lease becoming an Assumed Domestic Agreement or Assumed Domestic Real Property Lease, without the prior written consent of the Buyer, unless the Buyer has provided notice to the Seller in writing designating such Specified Contract or Domestic Real Property Lease for rejection pursuant to Section 2.5(b).

(d) In the case of any removal or designation notice by the Buyer pursuant to Section 2.5(b), with respect to any Domestic Non-Real Property Contract or Domestic Real Property Lease, the Seller shall give notice to the other parties to any Contract to which such notice relates of the removal or designation of such Contract as an Assumed Domestic Agreement or an Assumed Domestic Real Property Lease, as applicable, within three (3) Business Days of the Buyer notifying the Seller of such designation or removal or such lesser time as is approved by the Bankruptcy Court.

(e) As part of the Motions (or, as necessary in one or more separate motions), the Domestic Selling Entities shall request that by virtue of a Domestic Selling Entity providing ten (10) Business Days notice of its intent to assume and assign any Contract, the Bankruptcy Court deem any non-debtor party to such Contract that does not file an objection with the Bankruptcy Court during such notice period to have given any required Consent to the assumption of the Contract by the Domestic Selling Entity and assignment to the Buyer and/or one or more Buyer Designees if, and to the extent that, pursuant to the Sale Order or other Bankruptcy Court Order, the applicable Domestic Selling Entity is authorized to assume and assign the Contract to the Buyer and/or any such Buyer Designee and the Buyer and/or any such Buyer Designee is authorized to accept such Assumed Domestic Agreement or Assumed Domestic Real Property Lease pursuant to Section 365 of the Bankruptcy Code.

(f) In connection with the assumption and assignment to the Buyer or a Buyer Designee of any Assumed Domestic Agreement or Assumed Domestic Real Property Lease pursuant to this Section 2.5, the cure amounts, as determined by the Bankruptcy Court, if any (such amounts, the "Cure Payments"), necessary to cure all defaults, if any, and to pay all actual or pecuniary losses that have resulted from such defaults under the Assumed Domestic Agreements and the Assumed Domestic Real Property Leases, including any amounts payable to any landlord under any Assumed Domestic Real Property Lease that relates to the period prior to the Assumption Approval (including adjustments as between the Buyer and the Seller for prepaid rent, prepaid taxes or other prepaid expenses on a per diem basis), shall be paid by the Seller, on or before the Assumption Approval, and not by the Buyer and the Buyer shall have no liability

therefor (except for any adjustments for prepaid rent, prepaid taxes or other prepaid expenses on a per diem basis which shall be payable by Buyer to Seller upon Assumption Approval).

(g) The Seller shall use its commercially reasonable efforts to obtain an Order of the Bankruptcy Court to assign the Assumed Domestic Agreements and the Assumed Domestic Real Property Leases to the Buyer and/or any Buyer Designees designated by the Seller (the "Assumption Approval") on the terms set forth in this Section 2.5. In the event the Selling Entities are unable to assign any such Assumed Domestic Agreement or Assumed Domestic Real Property Lease to the Buyer and/or any such Buyer Designee pursuant to an Order of the Bankruptcy Court, then the Parties shall use their commercially reasonable efforts prior to the applicable Designation Deadline to obtain, and to cooperate in obtaining, all Consents and Governmental Authorizations from Governmental Authorities and third parties necessary to assume and assign such Assumed Domestic Agreement or Assumed Domestic Real Property Lease to the Buyer and/or such Buyer Designee (the "Necessary Domestic Consents"), including, in the case of the Selling Entities, making any applicable Cure Payments and any other payments necessary to obtain such Necessary Domestic Consents; *provided, however*, that, other than the payment of Cure Payments as set forth in Section 2.5(f), the Selling Entities shall not be required to pay any amount or incur any Liability in order to obtain any Necessary Consents in excess of \$250,000 in the aggregate (the "Consent Cap"), though, in any event, the Selling Entities may, at their option and in their sole discretion, elect to pay such amounts or incur such Liabilities in excess of the Consent Cap, and, even upon reaching the Consent Cap, the Selling Entities shall continue to use commercially reasonable efforts to obtain any remaining Necessary Consents.

(h) To the extent that any Consent or Governmental Authorization required to assign to the Buyer and/or any Buyer Designee any Assumed Domestic Agreement or Assumed Domestic Real Property Lease is not obtained by the applicable Designation Deadline, each Selling Entity will, with respect to each such Assumed Domestic Agreement or Assumed Domestic Real Property Lease, from and after the Closing and until the earliest to occur of (x) the date on which such applicable Consent is obtained, and (y) the date on which such Contract is rejected following the written request of the Buyer, use commercially reasonable efforts during the term of such Assumed Domestic Agreement or Assumed Domestic Real Property Lease to (i) provide to the Buyer and/or any Buyer Designee, as applicable, the benefits under such Assumed Domestic Agreement or Assumed Domestic Real Property Lease, (ii) cooperate in any reasonable and lawful arrangement (including holding such Contract in trust for the Buyer and/or any Buyer Designee, as applicable, pending receipt of the required Consent or Governmental Authorization) designed to provide such benefits to the Buyer and/or any Buyer Designee, as applicable, and (iii) enforce for the account of the Buyer and/or any Buyer Designee, as applicable, any rights of such Selling Entity under such Assumed Domestic Agreement or Assumed Domestic Real Property Lease (including the right to elect to terminate such Assumed Domestic Agreement or Assumed Domestic Real Property Lease in accordance with the terms thereof upon the written direction of the Buyer). The Buyer will, and, as applicable, will cause the Buyer Designees to, cooperate with the Selling Entities in order to enable the Selling Entities to provide to the Buyer and/or any Buyer Designee that purchase any Purchased Assets hereunder the benefits contemplated by this Section 2.5(h), and Buyer shall promptly pay any

and all costs and expenses incurred by the Selling Entities or their Representatives in connection with the performance by the Selling Entities of their obligations under this Section 2.5(h).

(i) The Buyer shall pay, and shall be solely responsible for, any and all Liabilities arising under any Domestic Non-Real Property Contract or Domestic Real Property Lease from and after the Closing until such Domestic Non-Real Property Contract or Domestic Real Property Lease has, in accordance with this Section 2.5, been (i) assumed and assigned to the Buyer or a Buyer Designee or (ii) rejected by the applicable Selling Entities. In addition, the Buyer shall perform, or shall cause to be performed, any and all obligations of the Selling Entities arising under any Domestic Non-Real Property Contract or Domestic Real Property Lease from and after the Closing until such Domestic Non-Real Property Contract or Domestic Real Property Lease has, in accordance with this Section 2.5, been (i) assumed and assigned to the Buyer or a Buyer Designee or (ii) rejected by the applicable Selling Entities. At Closing, the Seller and the Buyer shall enter into the Transition Services Agreement pursuant to which the Seller agrees to grant to the Buyer as a potential purchaser of the Domestic Real Property Leases the right to operate such leases on the terms therein.

(j) Notwithstanding the foregoing, a Contract shall not be an Assumed Domestic Agreement or Assumed Domestic Real Property Lease hereunder and shall not be assigned to, or assumed by, the Buyer (or a Buyer Designee) to the extent that such Contract (i) is rejected by a Selling Entity or terminated by a Selling Entity or the other party thereto, or terminates or expires by its terms, on or prior to the Designation Deadline and is not continued or otherwise extended upon assumption, or (ii) requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to the Buyer (or a Buyer Designee) of the Selling Entities' rights under such Contract, and no such Consent or Governmental Authorization has been obtained prior to the applicable Designation Deadline. In addition, a Permit shall not be assigned to, or assumed by, the Buyer (or a Buyer Designee) to the extent that such Permit requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to the Buyer (or a Buyer Designee) of the Selling Entities' rights under such Permit, and no such Consent or Governmental Authorization has been obtained prior to the Closing.

(k) With respect to the Canadian Real Property Leases, and Canadian Non-Real Property Contracts (i) that are, pursuant to the terms of such Canadian Real Property Lease or Canadian Non-Real Property Contract, assignable by the relevant Canadian Selling Entity to the Buyer or a Buyer Designee without first obtaining the Consent of any third party, or (ii) for which the requisite Consents, as detailed in Section 2.5(l) and Section 2.5(m), have been obtained (such Contracts as described (i) and (ii) being, in the case of Canadian Real Property Leases, "Assumed Canadian Real Property Leases" and, in the case of Canadian Non-Real Property Contracts, "Assumed Canadian Agreements"), the relevant Canadian Selling Entity shall assign to the Buyer and/or one or more Buyer Designees such Assumed Canadian Real Property Leases and Assumed Canadian Agreements upon Closing, and the Buyer and/or one or more Buyer Designees shall assume such Assumed Canadian Real Property Leases and Assumed Canadian Agreements. Notwithstanding the foregoing, the Canadian Selling Entity may elect to refuse to assign one or more Canadian Real Property Leases to Buyer or a Buyer Designee if

such assignment would result in an increase in the payments required to be paid, or increase any operating expenses, required thereunder, *provided* that any such refusal shall have no effect on Section 8.2(g).

(l) With respect to the Canadian Non-Real Property Contracts that are not, pursuant to the terms of such Canadian Non-Real Property Contract, assignable by the relevant Canadian Selling Entity to the Buyer or a Buyer Designee without first obtaining the Consent of any third party, the Parties shall use commercially reasonable efforts prior to Closing to obtain, and to cooperate in obtaining, all Consents necessary to assign such Canadian Non-Real Property Contract to the Buyer and/or any Buyer Designees, *provided, however*, that other than the payment of amounts necessary to cure defaults, if any, and the payment of all actual and pecuniary losses that have resulted from such defaults, the Selling Entities shall be under no obligation to compromise any right, asset or benefit or to expend any amount or incur any Liability in excess of the Consent Cap in seeking such Consents and the obtaining of any such Consents, in and by itself, is not a condition to the Buyer to consummate the transactions contemplated hereby. To the extent that any Canadian Non-Real Property Contract is not capable of being assigned to the Buyer or a Buyer Designee without the Consent of any third party, this Agreement will not constitute any assignment thereof, or an attempted assignment, unless any such Consent is obtained.

(m) With respect to the Canadian Real Property Leases that are not, pursuant to the terms of such Canadian Real Property Leases, assignable by the relevant Canadian Selling Entity to the Buyer or a Buyer Designee without first obtaining the Consent of the relevant landlord or any other third party, the Parties shall use commercially reasonable efforts prior to Closing to obtain, and to cooperate in obtaining, all Consents necessary to assign such Canadian Real Property Leases to the Buyer and/or any Buyer Designees (the "Necessary Canadian Consents"), *provided, however*, that other than the payment of amounts necessary to cure defaults, if any, and the payment of all actual and pecuniary losses that have resulted from such defaults, the Selling Entities shall be under no obligation to compromise any right, asset or benefit or to expend any amount or incur any Liability in excess of the Consent Cap in seeking such Consents and the failure to obtain any or all of such Consents, shall not, subject to Section 8.2(g) which section is unaffected hereby, entitle the Buyer to terminate this Agreement or fail to complete the transactions contemplated hereby, *provided, further*, that, even upon reaching the Consent Cap, the Canadian Selling Entities shall, subject to the last sentence of Section 2.5(k), continue to use commercially reasonable efforts to obtain any remaining Necessary Canadian Consents. The Buyer acknowledges that (i) it shall not be entitled to request any amendment to the terms of any Canadian Real Property Lease in connection with any Consent or approval to be obtained in connection with the execution and delivery of this Agreement without the prior written approval of the Seller, which in any event shall not be unreasonably withheld, conditioned or delayed, (ii) subject to Section 7.1(b)(xiii), nothing in this Agreement shall prohibit the Seller or the Canadian Selling Entities in consultation with Buyer from seeking a reasonable release from any landlord in respect of any Canadian Real Property Lease, and (iii) subject to Section 7.1(b)(xiii) and Section 8.2(g), it will execute and deliver all acknowledgements and assumption agreements required by a landlord that are commercially reasonable or are otherwise contemplated in a Canadian Real Property Lease and shall provide all necessary certificates of insurance and any other assurances required under the Canadian Real

Property Leases. Without limiting the Buyer's obligations under this Section 2.5(m), the Buyer will forthwith provide to the Seller and the requisite landlords a copy of materials suitable for presentation to landlords of the leased premises or any other information required by any Canadian Real Property Lease, including: (w) a pro forma balance sheet and income statement of the Buyer showing its estimated assets, liabilities and equity immediately following Closing, including a reasonable level of equity in the Buyer's capitalization, (x) a description of the financing structure of the Business after Closing, (y) a description of the proposed management team for the Business, and (z) any further information reasonably requested by a particular landlord. To the extent that any Canadian Real Property Lease is not capable of being assigned to the Buyer or a Buyer Designee without the consent of any Person, this Agreement will not constitute any assignment thereof, or an attempted assignment, unless any such Consent is obtained.

(n) Buyer agrees that each and all of the Assumed Canadian Real Property Leases shall be assigned to and assumed by either (i) the Buyer or (ii) any one other Buyer Designee, as chosen by Buyer in its sole discretion.

(o) Buyer acknowledges and agrees that any Cure Payments, Consent payments or payments required to be paid by Seller or any Selling Entity pursuant to Section 2.5 hereof may be paid by (or at the direction of) Seller from the Purchase Price at Closing as and to the extent authorized by the Sale Order or the Canadian Sale Approval and Vesting Order.

Section 2.6 Allocation. The Buyer shall, promptly following the final determination of the Purchase Price in accordance with Section 3.2, deliver to the Seller an allocation of the Purchase Price (and the Assumed Liabilities, to the extent properly taken into account under the Code) among the Purchased Assets and the covenants contained in Section 7.14 (the "Allocation") in accordance with Section 1060 of the Code and the Treasury regulations promulgated thereunder, which Allocation shall be reasonably acceptable to Seller. The Parties agree to file all Tax Returns (including the filing of Form 8594 with their United States federal income Tax Return for the taxable year that includes the date of the Closing) consistent with the Allocation unless otherwise required by applicable Law. In administering the Bankruptcy Case, the Bankruptcy Court shall not be required to apply the Allocation in determining the manner in which the Purchase Price should be allocated as between the Domestic Selling Entities and their respective estates. In administering the CCAA Case, the Canadian Court shall not be required to apply the Allocation in determining the manner in which the Purchase Price should be allocated as between the Canadian Selling Entities and their respective estates. Notwithstanding the foregoing, solely for the purposes of the administration of the CCAA Case, the Purchase Price shall be allocated as between the Canadian Purchased Assets and the other Purchased Assets prior to the Closing to the extent required in connection with the CCAA Case and in accordance with applicable Law.

ARTICLE III
PURCHASE PRICE; DEPOSIT

Section 3.1 Purchase Price; Closing Payment.

(a) In consideration for the Purchased Assets, and subject to the terms and conditions of this Agreement, and the entry and effectiveness of the Sale Order and the Canadian Sale Approval and Vesting Order, at the Closing, the Buyer and/or one or more Buyer Designees shall assume the Assumed Liabilities by executing the Assumption Agreement and the Buyer shall pay in accordance with Sections 3.1(b) and 3.2(d), an amount equal to \$286,000,000 (such amount, as finally adjusted in accordance with Section 3.2, the "Purchase Price").

(b) On the Closing Date, the Buyer shall pay or caused to be paid to the Seller, by wire transfer of immediately available funds to an account designated by the Seller prior to the Closing, an amount in cash equal to (i) \$286,000,000, *plus* (ii) the amount, if any, by which the Estimated Net Working Capital Amount exceeds the Targeted Net Working Capital Amount, *minus* (iii) the amount, if any, by which the Targeted Net Working Capital Amount exceeds the Estimated Net Working Capital Amount, *minus* (iv) the lesser of (x) the amount, if any, by which the Capital Expenditure Target exceeds the Estimated Capital Expenditures and (y) \$2,500,000 (such lower amount, if any, the "Estimated Capital Expenditure Adjustment") and, for purposes of clarity, it is understood and agreed that the Closing Payment shall not increase if the Estimated Capital Expenditures exceed the Capital Expenditure Target), *minus* (v) the Deposit (such amount, the "Closing Payment"); *it being understood* that the Deposit shall be delivered to the Seller or one or more designees of Seller at the Closing in accordance with Section 3.3.

Section 3.2 Post-Closing Purchase Price Adjustment.

(a) Estimated Purchase Price. Not later than three (3) Business Days before the Closing, the Seller shall deliver to the Buyer a certificate of the Seller that (i) sets forth in reasonable detail the Seller's reasonable estimate of the Closing Net Working Capital Amount (the "Estimated Net Working Capital Amount"), along with reasonable supporting detail therefor, with such estimate prepared in accordance with GAAP applied in a manner consistent with the preparation of the Audited Financial Statements on a going concern basis and using the same accounting methods, policies, practices and year-end procedures, with consistent classifications, judgments and estimation methodology, as were used in preparation of the Audited Financial Statements, including a reconciliation of all significant accounts (the "GAAP Accounting Principles"), (ii) confirms that the Estimated Net Working Capital Amount was prepared in good faith and in accordance with the GAAP Accounting Principles, and (iii) sets forth in reasonable detail the Seller's reasonable estimate of the Actual 2009 Capital Expenditures as of specified dates (the "Estimated Capital Expenditure").

(b) Calculation. As promptly as practicable, but in no event later than sixty (60) days following the Closing Date, the Buyer shall, at its expense, (i) cause to be prepared, in accordance with the GAAP Accounting Principles, an unaudited Closing Balance Sheet (which shall contain all of the items referred to as shown on the Closing Balance Sheet in this

Agreement as well as all of the line items referred to in the definition of, and necessary to calculate, the Closing Net Working Capital Amount), together with a statement (the "Closing Date Schedule") setting forth in reasonable detail each of the line items comprising, and the Buyer's calculation of, the Closing Net Working Capital Amount, (ii) deliver to the Seller the Closing Balance Sheet and the Closing Date Schedule, together with a certificate of the Buyer confirming that the Closing Balance Sheet and the Closing Date Schedule were prepared in good faith and in accordance with the GAAP Accounting Principles, and (iii) cause to be prepared, in accordance with the GAAP Accounting Principles, a statement setting forth in reasonable detail the final Actual 2009 Capital Expenditures (the "Capital Expenditure Schedule") together with the Buyer's calculation of the Final Capital Expenditure Adjustment Amount, and deliver to the Seller the Capital Expenditure Schedule together with a certificate of the Buyer confirming that the Capital Expenditure Schedule was prepared in good faith and in accordance with the GAAP Accounting Principles.

(c) Review; Disputes.

(i) The Buyer and the Seller shall, and shall cause their respective Representatives to, cooperate and assist in the preparation of the Closing Balance Sheet, the Closing Date Schedule, the Capital Expenditure Schedule and the calculation of the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures, and in the conduct of the review referred to in this Section 3.2. Without limiting the foregoing, from and after the Closing until the end of the Review Period, the Buyer shall provide the Seller and its Representatives with full access to the books, records and employees of the Buyer and its Subsidiaries, including any applicable Documentary Materials and any related work papers of Representatives of Buyer, upon reasonable notice and during regular business hours for the purposes of enabling the Seller and its Representatives to calculate, and to review the Buyer's calculation of, the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures, and to review Buyer's preparation of the Closing Balance Sheet, the Closing Date Schedule and the Capital Expenditure Schedule.

(ii) If the Seller disputes the preparation of the Closing Balance Sheet, the Closing Date Schedule or the Capital Expenditure Schedule, the determination of any item shown thereon on, or the omission of any item therefrom, or the calculation of the Closing Net Working Capital Amount or the Actual 2009 Capital Expenditures, then the Seller shall deliver a written notice disagreeing with the preparation of the Closing Balance Sheet, the Closing Date Schedule or the Capital Expenditure Schedule and/or the calculation of the Closing Net Working Capital Amount or the Actual 2009 Capital Expenditures and setting forth the Seller's disagreement with respect thereto (a "Dispute Notice") to the Buyer at any time during the thirty (30) day period commencing upon receipt by the Seller of the Closing Balance Sheet, the Closing Date Schedule and the Capital Expenditure Schedule and the related certificate from the Buyer, all as prepared by the Buyer in accordance with the requirements of Section 3.2(b) (with such thirty (30) day period subject to extension for any failure by Buyer to provide access to Seller and its Representatives in accordance with Section 3.2(c)(i), the "Review Period"). The Dispute

Notice shall set forth the basis for the dispute of any relating calculation, to the extent applicable, in reasonable detail.

(iii) If the Seller does not deliver a Dispute Notice to the Buyer prior to the expiration of the Review Period, the Closing Balance Sheet and the Capital Expenditure Schedule as delivered by the Buyer and the Buyer's calculation of the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures set forth in the Closing Date Schedule or the Capital Expenditure Schedule, as the case may be, shall be deemed final and binding on the Selling Entities and Buyer for all purposes, except to the extent otherwise agreed in writing by Seller and Buyer.

(iv) If the Seller delivers a Dispute Notice to the Buyer prior to the expiration of the Review Period, then the Seller and the Buyer shall use commercially reasonable efforts to reach agreement on the Closing Balance Sheet, the Closing Date Schedule, the Capital Expenditure Schedule, the Closing Net Working Capital Amount, and the Actual 2009 Capital Expenditures. If the Seller and the Buyer are unable to reach agreement on the Closing Balance Sheet, the Closing Date Schedule, the Capital Expenditure Schedule, the Closing Net Working Capital Amount or the Actual 2009 Capital Expenditures within thirty (30) days after the end of the delivery of the Dispute Notice, the Seller and the Buyer shall refer such dispute to Grant Thornton LLP (the "Accountant") for resolution and (A) each of the Buyer and the Seller shall have a reasonable opportunity to meet with the Accountant to provide their views as to any disputed issues with respect to the Closing Balance Sheet, the Closing Date Schedule, the Capital Expenditure Schedule and the calculation of any of the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures, (B) the Accountant shall determine the final Closing Balance Sheet, Closing Date Schedule, the Capital Expenditure Schedule, the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures in accordance with the terms of this Agreement within thirty (30) days of such referral and upon reaching such determination shall deliver a copy of the final Closing Balance Sheet and its calculations of the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures (the "Final Calculations") to the Buyer and the Seller, and (C) the determination made by the Accountant of the Closing Balance Sheet, the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures shall be final and binding on the Selling Entities and the Buyer for all purposes of this Agreement. In preparing the final Closing Balance Sheet and calculating the Closing Net Working Capital Amount and the Actual 2009 Capital Expenditures, the Accountant (x) shall be limited to addressing any particular disputes referred to in the Dispute Notice and (y) any such calculation of the Closing Net Working Capital Amount or the Actual 2009 Capital Expenditures shall, with respect to any disputed item, be no greater than the higher amount calculated by the Seller or the Buyer, and no less than the lower amount calculated by the Seller or the Buyer, as the case may be. The Final Calculations shall reflect in detail the differences, if any, between the Closing Net Working Capital Amount reflected therein and the Closing Net Working Capital Amount set forth in the Closing Date Schedule, or between the Actual 2009 Capital Expenditures reflected therein and the Actual 2009 Capital Expenditures set forth in the Capital Expenditure Schedule. The Accountant will determine the allocation of the cost of its review and report based on the inverse of the percentage its determination (before such

allocation) bears to the total amount of the disputed portions of the Closing Net Working Capital Amount, the Closing Date Schedule, the Closing Balance Sheet, the Capital Expenditure Schedule and the Actual 2009 Capital Expenditures as originally submitted to the Accountant. For example, should the disputed portions total in amount to \$1,000 and the Accountant awards \$600 in favor of the Sellers' position, 60% of the costs of its review would be borne by the Buyer and 40% of the costs would be borne by the Seller.

(d) Payment Upon Final Determination of Adjustments.

(i) If (A) the Estimated Net Working Capital Amount is greater than (B) the Closing Net Working Capital Amount, as finally determined in accordance with Section 3.2(c), by an amount greater than \$1,000,000, then the Seller shall pay (or cause to be paid) to the Buyer, an amount equal to the difference between the Estimated Net Working Capital Amount and the Closing Net Working Capital Amount (from dollar one) (the "Seller Adjustment Payment"). For the avoidance of doubt, no payment shall be made by the Seller to the Buyer pursuant to this clause (i) in the event that such difference is not greater than \$1,000,000.

(ii) If (A) the Closing Net Working Capital Amount, as finally determined in accordance with Section 3.2(c), is greater than (B) the Estimated Net Working Capital Amount, by an amount greater than \$1,000,000, then the Buyer shall pay (or cause to be paid) to the Seller an amount equal to the difference between the Closing Net Working Capital Amount and the Estimated Net Working Capital Amount (from dollar one) (the "Buyer Adjustment Payment"). For the avoidance of doubt, no payment shall be made by the Buyer to the Seller pursuant to this clause (ii) in the event that such difference is not greater than \$1,000,000.

(iii) If (A) the finally determined Actual 2009 Capital Expenditures are greater than the Estimated Capital Expenditures and (B) the Capital Expenditure Target exceeds the finally determined Actual 2009 Capital Expenditures by less than \$2,500,000, then the Buyer shall pay (or cause to be paid) to the Seller an amount, if any, equal to (1) if the difference between the Capital Expenditure Target and the Estimated Capital Expenditures is greater than \$2,500,000, (x) \$2,500,000 *minus* (y) the difference between the Capital Expenditure Target and the Actual 2009 Capital Expenditures, or (2) if the difference between the Capital Expenditure Target and the Estimated Capital Expenditures is less than \$2,500,000, the lesser of (x) the finally determined Actual 2009 Capital Expenditure minus the Estimated Capital Expenditures or (y) the amount of the Estimated Capital Expenditure Adjustment (such amount, the "Buyer Capital Expenditure Adjustment Amount"). For the avoidance of doubt, if the Capital Expenditure Target exceeds the finally determined Actual 2009 Capital Expenditures by more than \$2,500,000 there shall not be any amount payable by the Buyer pursuant to this Section 3.2(d)(iii).

(iv) If the finally determined Actual 2009 Capital Expenditures are less than the Estimated Capital Expenditures, then the Seller shall pay (or cause to be paid) to the Buyer an amount equal to the lesser of (A) the difference between the Estimated Capital Expenditures and the finally determined Actual 2009 Capital Expenditures or (B)

\$2,500,000 *minus* the Estimated Capital Expenditure Adjustment (such lesser amount, the “Seller Capital Expenditure Adjustment Amount” and, the Seller Capital Expenditure Adjustment Amount or the Buyer Capital Expenditure Adjustment Amount, as applicable, the “Final Capital Expenditure Adjustment Amount”).

(v) Any amounts payable pursuant to this Section 3.2(d) shall be paid in cash within two (2) Business Days following the final determination of the Closing Net Working Capital Amount or the Actual 2009 Capital Expenditure, as applicable, by wire transfer of immediately available funds to an account designated by the Seller or Buyer, as applicable.

(e) Treatment as Administrative Expenses. Any amounts at any time payable under this Section 3.2 shall be deemed allowed administrative claims in the Bankruptcy Case of any Selling Entity that is a debtor, with priority over any and all claims of the kind specified in 11 U.S.C. §§ 503(b) and 507(b) pursuant to 11 U.S.C. § 364(c)(1), which claim shall be senior to, and have priority over, all other claims other than any claims arising under the DIP Facility.

Section 3.3 Deposit Escrow. The Seller and the Buyer have entered into an escrow agreement substantially in the form of Exhibit F (the “Escrow Agreement”), with US Bank, National Association (the “Escrow Agent”), and the Buyer has deposited into escrow with the Escrow Agent an amount equal to \$5,057,500 (such amount, together with any interest accrued thereon prior to the Closing Date, the “Deposit”) by wire transfer of immediately available funds pursuant to the terms of the Escrow Agreement. The Deposit shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any of the Selling Entities or the Buyer. The Deposit shall become payable to the Seller upon the earlier of (a) the Closing, or (b) the termination of this Agreement pursuant to Section 9.1(c) (a “Buyer Default Termination”). At the Closing, the Deposit shall be delivered to an account designated by the Seller by wire transfer of immediately available funds as payment of a portion of the Purchase Price and the Closing Payment. Each Selling Entity and the Acquired Subsidiary and, to the Seller’s Knowledge, the Japanese JV, is a corporation or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation, formation or organization. Each Selling Entity is duly qualified or licensed to do business in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification or licensing necessary, other than in such jurisdictions where the failure to be so qualified or licensed would not reasonably be expected to result in a Material Adverse Effect.

Section 5.2 Subsidiaries.

(a) Section 5.2(a) of the Seller Disclosure Schedule identifies (i) each direct and indirect Subsidiary of the Seller, its jurisdiction of formation, and all owners of equity interests of each such Subsidiary and the number or percentage of equity interests owned by each such owner and (ii) all equity interests that are owned directly or indirectly by the Seller of Persons who are not direct or indirect Subsidiaries of the Seller. Except as set forth in Section 5.2(a) of the Seller Disclosure Schedule, all of the outstanding capital stock of, or other ownership interests in, each Selling Entity (other than the Seller) and all of the Equity Interests are owned beneficially and of record by the Seller, directly or indirectly.

(b) All of the Equity Interests have been duly authorized and are validly issued, fully paid and nonassessable and will be free and clear of any Encumbrances (other than Permitted Encumbrances and except to the extent that such Encumbrances will not be

enforceable against the Equity Interests following the Closing in accordance with the Sale Order) and were not issued in violation of any preemptive or similar rights.

(c) Except as set forth in Section 5.2(c) of the Seller Disclosure Schedule, there are no currently outstanding or authorized options, warrants, rights, contracts, rights of first refusal or first offer, calls, preemptive rights, puts, rights to subscribe, conversion rights, or other agreements or commitments to which any Selling Entity is a party or which are binding upon any Selling Entity providing for the issuance, disposition, or acquisition of the capital stock of any of the Acquired Subsidiary or securities convertible into or exchangeable for the capital stock of any Acquired Subsidiary. The execution and delivery of this Agreement and the other Transaction Documents to which any Selling Entity is party and the consummation of the transactions contemplated hereby and thereby have been duly and validly authorized by the board of directors or equivalent governing body of each Selling Entity, and no other corporate or similar proceeding on the part of such Selling Entity are necessary to authorize this Agreement or the other Transaction Documents to which it is party or to consummate the transactions contemplated hereby or thereby. This Agreement has been duly and validly executed and delivered by each Selling Entity, and, upon their execution and delivery in accordance with the terms of this Agreement, each of the other Transaction Documents to which

any Selling Entity is party will have been duly and validly executed and delivered by each Selling Entity, and assuming that this Agreement and the other Transaction Documents to which it is party constitute valid and binding agreements of the Buyer and each applicable Buyer Designee to the extent that it is a party thereto, and, subject to the entry and effectiveness of the Sale Order and, in the CCAA Case of the Canadian Selling Entities, the Canadian Sale Approval and Vesting Order, and the execution and delivery of such other Transaction Documents in accordance with the terms hereof, this Agreement and the other Transaction Documents constitute valid and binding agreements of each Selling Entity party thereto, enforceable against such Selling Entity in accordance with their terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, moratorium or other similar Laws affecting or relating to enforcement of creditors' rights generally or general principles of equity.

(c) The Selling Entities and the Acquired Subsidiary do not have any Indebtedness or other Liabilities of a nature (whether accrued, absolute, contingent or otherwise) that would be required by GAAP to be reflected on a consolidated balance sheet of the Seller (or in the notes thereto) that were not disclosed or reserved against in the Seller Financial Statements (including the notes thereto), except for indebtedness or other Liabilities (i) which would not reasonably be expected to result in a Material Adverse Effect, (ii) that were incurred after April 4, 2009 in the ordinary course of business, (iii) that were incurred under this Agreement or in connection with the transactions contemplated hereby, or (iv) that will be or are Liabilities of the Selling Entities as debtors in the Bankruptcy Case or the CCAA Case and that will not result in any Encumbrance (other than a Permitted Encumbrance) on the Purchased Assets following the entry of the Sale Order and the Canadian Sale Approval and Vesting Order.

No employee or independent contractor of any of the Selling Entities or Acquired Subsidiary has any rights, title or interest in any Seller IP owned by the Selling Entities including, except as would not reasonable be expected to have a Material Adverse Effect, any moral rights that have not been waived (as defined under the Copyright Act, R.S.C. 185, c. There are no audits, examinations or other administrative or judicial Legal Proceedings currently ongoing or pending with respect to any Taxes of any Selling Entity, any Acquired Subsidiary or, to the Seller's Knowledge, the Japanese JV, subject to exceptions for Legal Proceedings that, if resolved in a manner unfavorable to any Selling Entity, the Acquired Subsidiary or the Japanese JV, would not reasonably be expected to result in a Material Adverse Effect. There are no waivers or

(b) On and after the Closing until the dissolution and liquidation of the Selling Entities, the Selling Entities and the Buyer shall use their commercially reasonable efforts to

take, or cause to be taken, all appropriate action, to do or cause to be done all things necessary, proper or advisable under applicable Law, and to execute and deliver such documents and other papers, as may be required to carry out the provisions of this Agreement and consummate and make effective the transactions contemplated hereby, including in order to more effectively vest in the Buyer all of the Selling Entities' right, title and interest to the Purchased Assets, free and clear of all Encumbrances (other than Permitted Encumbrances).

(c) Nothing in this Section 7.4 shall, except as otherwise set forth in this Agreement, (i) require the Selling Entities to make any expenditure or incur any obligation on behalf of the Buyer or, following the Closing, on their own behalf, (ii) prohibit any Selling Entity from ceasing operations or winding up its affairs following the Closing, or (iii) prohibit the Selling Entities from taking such actions as are required by the Bankruptcy Court or the Canadian Court, or as would otherwise be permitted under Section 7.1.

Section 7.5 Public Statements. The initial press release relating to this Agreement shall be a joint press release, the text of which shall be agreed to by the Buyer, on the one hand, and the Seller, on the other hand. Unless otherwise required by or reasonably necessary to comply with applicable Law or the rules or regulations of any applicable securities exchange, and except for disclosure of matters that become a matter of public record as a result of the Bankruptcy Case or the CCAA Case and any filings or notices related thereto, the Buyer, on the one hand, and the Selling Entities, on the other hand, shall consult with each other before issuing any other press release or otherwise making any public statement with respect to this Agreement, the transactions contemplated hereby or the activities and operations of the other Parties and shall not issue any such release or make any such statement without the prior written consent of the Seller or the Buyer, respectively (such consent not to be unreasonably withheld, conditioned or delayed). Prior to the Closing, the Buyer shall not, and shall cause its Affiliates and the Buyer Representatives not to, contact, or engage in any discussions or otherwise communicate with, any suppliers or significant number of customers of the Selling Entities or other Persons with which the Selling Entities have material commercial dealings without obtaining the prior written consent of Seller.

Section 7.6 Governmental Authority Approvals and Cooperation.

(a) As promptly as reasonably practicable after the date of this Agreement, each of the Selling Entities and the Buyer shall (and shall cause their respective Affiliates to) use its commercially reasonable efforts to make any filings and notifications, and to obtain any Consents from Governmental Authorities (other than the Bankruptcy Court or the Canadian Court), required to be made and obtained under applicable Law in connection with the transactions contemplated by this Agreement as promptly as reasonably practicable.

(b) Each of the Buyer and the Seller shall, as promptly as reasonably practicable after the date of this Agreement (and, in any event, within two (2) Business Days following the entry by the Bankruptcy Court of the Sale Order), file with the United States Federal Trade Commission (the "FTC") and the United States Department of Justice (the "DOJ") the notification and report form required to be filed with respect to the transactions contemplated hereby and any supplemental information requested in connection therewith pursuant to the Hart-

Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"). Any such notification and report form and supplemental information shall be in substantial compliance with the requirements of the HSR Act. Each of the Buyer and the Seller shall (and shall cause their respective Affiliates to) furnish to the other such necessary information and reasonable assistance as the other may reasonably request in connection with its preparation of any filing or submission which is necessary under the HSR Act. The Seller and the Buyer shall keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, the FTC and the DOJ.

(c) Each of the Buyer and the Seller shall use commercially reasonable efforts to resolve such objections, if any, as may be asserted by any Governmental Authority with respect to the transactions contemplated by this Agreement under the HSR Act, the Sherman Act, as amended, the Clayton Act, as amended, the Federal Trade Commission Act, as amended, the Canadian Competition Act and any other applicable United States federal or state or foreign Laws that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade (collectively, the "Antitrust Laws"). Each of the Buyer and the Seller shall use commercially reasonable efforts to take such action as may be reasonably required to cause the expiration of the notice periods under the HSR Act or other Antitrust Laws with respect to such transactions as promptly as possible after the execution of this Agreement. Notwithstanding anything to the contrary provided herein, none of the Parties nor any of their Affiliates shall be required (i) to hold separate (including by trust or otherwise) or divest any of its businesses, product lines or assets, including any of the Purchased Assets, or to enter into any consent decree or settlement agreement with any Governmental Authority, (ii) to agree to any limitation on the operation or conduct of the Business, or (iii) to waive any of the applicable conditions to this Agreement set forth in Article VIII.

(d) Each Party (i) shall cooperate with each other Party in connection with the filings and Consents contemplated by this Section 7.6, (ii) shall promptly inform each other Party of any material communication received by such Party from any Governmental Authority (other than the Bankruptcy Court or the Canadian Court) concerning this Agreement, the transactions contemplated hereby and any filing, notification or request for Consent related thereto, and (iii) shall permit each other Party to review in advance any proposed written communication or information submitted to any such Governmental Authority (other than the Bankruptcy Court or the Canadian Court) in response thereto. In addition, none of the Selling Entities or the Buyer shall (and shall ensure that their respective Affiliates do not) agree to participate in any meeting with any Governmental Authority (other than the Bankruptcy Court or the Canadian Court) in respect of any filings, investigation or other inquiry with respect to this Agreement, the transactions contemplated hereby or any such filing, notification or request for Consent related thereto unless it consults with the other Parties in advance and, to the extent permitted by any such Governmental Authority and applicable Law, gives the other Parties the opportunity to attend and participate thereat, in each case to the maximum extent practicable. The Selling Entities and the Buyer shall, and shall cause their respective Affiliates to, furnish the Buyer or the Selling Entities (and the Buyer's Representatives and the Seller's Representatives, as applicable), as the case may be, copies of all material correspondence, filings and communications between it and its Affiliates (and the Buyer's Representatives and the Seller's Representatives, as applicable) on the one hand, and the Governmental Authority (other than the

Bankruptcy Court or the Canadian Court) or members of its staff on the other hand, with respect to this Agreement, the transactions contemplated hereby or any such filing, notification or request for Consent related thereto (in each case, excluding documents and communications which are subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine). Each of the Selling Entities and the Buyer shall (and shall cause their respective Affiliates to) furnish each other Party with such necessary information and assistance as such other Party and its Affiliates may reasonably request in connection with its preparation of necessary filings, registrations or submissions of information to any Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for Consent related thereto.

Section 7.7 Employee Matters.

(a) Prior to the Closing, (i) the Buyer shall offer, or cause a Buyer Designee to offer, to employ all or substantially all Current Employees with employment commencing as of the Closing and (ii) the Buyer shall be entitled, but not obligated, to elect, in writing, to assume any Canadian Benefit Plan as of the Closing; *provided* that the Buyer shall fully perform its obligations under each such assumed Canadian Benefit Plan from and after the Closing. For purposes of this Agreement, each Current Employee who receives such an offer of employment shall be referred to as an "Offeree". At least five (5) Business Days prior to the Closing Date, the Buyer will provide the Seller with a schedule setting forth a list of the names of all Offerees. Each Offeree who accepts such offer prior to the Closing shall be referred to herein as a "Transferred Employee". Except to the extent the Selling Entities fail to comply in any material respects with Section 7.7(c)(i) and Section 7.7(c)(iii), the Buyer hereby agrees that the offer to an Offeree shall include a level of base salary, wages and benefit eligibility that are substantially comparable in the aggregate to the base salary, wages and benefit eligibility provided to such Offeree by the Selling Entities as of the Closing Date; *provided*, that, for purposes of the foregoing comparison, equity or equity-based compensation and eligibility to participate in any defined benefit pension plan and retiree medical plan shall be excluded; and *provided, further*, that for purposes of the foregoing comparison the level of long-term disability benefit eligibility provided by the Selling Entities to an Offeree who is on short-term disability as of the Closing Date will be deemed equal to the long-term disability benefits that could be purchased by Buyer at a cost that is comparable to the amount the applicable Selling Entity pays for such long-term disability benefits coverage provided to such Offeree (and not the level of benefits provided to such Offeree). Buyer acknowledges and agrees that Buyer shall be exclusively liable for any claims related to discrimination that arise solely from Buyer's actions taken in selecting any Offerees.

(b) Each Current Employee of the Selling Entities or any of their Affiliates who is not a Transferred Employee shall be referred to herein as an "Excluded Employee." To the extent Buyer elects under Section 7.7(a)(ii) to assume any Canadian Benefit Plan, the Selling Entities shall cause those Excluded Employees who participate in such Canadian Benefit Plan to cease participation in such plan no later than the day immediately prior to the Closing Date.

(c) Following the date of this Agreement,

(i) the Selling Entities shall allow the Buyer or any applicable Buyer Designee reasonable access upon reasonable advance notice to meet with and interview the Current Employees who are members of executive management and other employees reasonably requested during normal business hours; *provided, however*, that such access shall not unduly interfere with the operation of the Business prior to the Closing;

(ii) the Selling Entities shall not, nor shall any Selling Entity authorize or direct or give express permission to any Affiliate, officer, director, or employee of any Selling Entity or any Affiliate to (A) interfere with Buyer's or any Buyer Designee's rights under Section 7.7(a) to make offers of employment to any Offeree, or (B) solicit or encourage any Offeree not to accept, or to reject, any such offer of employment; and

(iii) the Selling Entities shall provide reasonable cooperation and information to Buyer or the relevant Buyer Designee as reasonably requested by Buyer or such Buyer Designee with respect to its determination of appropriate terms and conditions of employment for any Offeree.

(d) Following the Closing, the Buyer shall process the payroll for, and pay (or cause to be paid), the base wages, base salary and ordinary course sales commissions accrued during the payroll period in which the Closing Date falls (the "Closing Payroll Period") with respect to each Transferred Employee; *provided*, that an amount sufficient to satisfy such obligations has been accrued on the Closing Balance Sheet. The Buyer shall withhold and remit all applicable payroll taxes as required by Law for the Closing Payroll Period.

(e) As of the Closing, the Buyer shall credit each Transferred Employee with the unused and outstanding vacation, sick days, personal days or leave earned and/or accrued by each Transferred Employee from the Selling Entities through Closing pursuant to the Seller Benefit Plans that are paid time off plans and policies; *provided*, that no later than three Business Days prior to the Closing Date, the Selling Entities shall provide to the Buyer a schedule setting forth all relevant accruals for each applicable Offeree. In addition, Transferred Employees shall receive credit for all purposes (including for purposes of eligibility to participate, vesting, benefit accrual and eligibility to receive benefits) under any employee benefit plan, policy and arrangement established or maintained by the Buyer or a Buyer Designee after the Closing (the "Buyer Benefit Plans") under which each Transferred Employee may be eligible to participate on or after the Closing to the same extent recognized by the Selling Entities under comparable Seller Benefit Plans as of the date hereof; *provided*, that, subject to applicable Law, Transferred Employees shall not receive the foregoing credit for purposes of eligibility to participate, vesting, benefit accrual and eligibility to receive benefits with respect to any defined benefit pension plan; *provided, further*, that such crediting of service shall not operate to duplicate any benefit or the funding of any such benefit. To the extent the Buyer does not elect under Section 7.7(a)(ii) to assume any Canadian Benefit Plan, the Selling Entities shall recognize, to the extent required by any Law, the period of employment of each Transferred Employee with the Buyer or any applicable Buyer Designee for the purposes of determining entitlement to benefits under such Canadian Benefit Plan. With respect to any Buyer Benefit Plan that is a welfare benefit plan, program or arrangement and in which a Transferred Employee may be eligible to participate on or after the Closing, the Buyer shall, or shall cause the applicable Buyer Designee to, (i) waive,

or use reasonable efforts to cause its insurance carrier to waive, all limitations as to pre-existing, waiting period or actively-at-work conditions, if any, with respect to participation and coverage requirements applicable to each Transferred Employee under such Buyer Benefit Plan to the same extent waived under a comparable Seller Benefit Plan and (ii) provide credit to each Transferred Employee (and such Transferred Employee's beneficiaries) for any co-payments, deductibles and out-of-pocket expenses paid by such Transferred Employee (and such Transferred Employee's beneficiaries) under the comparable Seller Benefit Plan during the relevant plan year, up to and including the Closing; *provided, however*, that such credit shall not operate to duplicate any benefit or the funding of any such benefit.

(f) Effective as of the Closing, the Buyer shall assume the Liabilities of the Selling Entities under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended and Section 4980B of the Code ("COBRA") (and any comparable state law) solely with respect to each individual who, in connection with the consummation of the transactions contemplated by the Agreement, is an "M&A Qualified Beneficiary" (as defined in Treasury Regulation Section 54.4980B-9 Q&A4(a), (b) and (c), each as applicable); *provided*, that Buyer's obligations under this Section 7.7(f) shall solely relate to any such Liabilities under COBRA arising on and after the Closing. For the avoidance of doubt, Buyer, in its sole and absolute discretion, may satisfy its obligations under the preceding sentence in any manner it chooses, including by establishing or making changes to the terms and conditions of any Buyer Benefit Plan which is a "group health plan" (as defined in Section 4980B(g)(2) of the Code), in accordance with COBRA. No later than two (2) Business Days after the date of this Agreement, the Selling Entities shall take all necessary actions to rescind any actions taken by any of the Selling Entities to terminate its group health plan(s) covering retirees of the Selling Entities (and any predecessor). Notwithstanding anything to the contrary contained in this Agreement, (i) the Selling Entities shall continue to maintain their group health plan(s) on the same terms and conditions as in effect on the date of this Agreement (after giving effect to the immediately preceding sentence) up until the Closing and (ii) effective as of the Closing, the Selling Entities shall terminate each group health plan that any of them sponsors or maintains.

(g) Subject to the Selling Entities' compliance with Section 7.7(i), with respect to the Selling Entities' facilities located in Bellevue, Washington, Westmont, Illinois and Groveport, Ohio, the Buyer shall provide offers of employment to a sufficient number of Offerees at each such site of employment such that the Selling Entities shall not have any Liabilities under the WARN Act with respect to any such site of employment.

(h) Nothing contained herein shall be construed as requiring, and neither the Selling Entities nor any of their Affiliates shall take any affirmative action that would have the effect of requiring the Buyer or any applicable Buyer Designee to continue any specific employee benefit plan or to continue the employment of any specific person. Nothing in this Agreement is intended to establish, create or amend, nor shall anything in this Agreement be construed as establishing, creating or amending, any employee benefit plan, practice or program of the Buyer, any of its Affiliates or any Seller Benefit Plan, nor shall anything in this Agreement create or be construed as creating any contract of employment or as conferring upon any Transferred Employee or upon any other person, other than the parties to this Agreement in

accordance with its terms, any rights to enforce any provisions of this Agreement under ERISA or otherwise.

(i) As soon as practicable after the date hereof but no later than ten (10) Business Days prior to the Closing Date, the Selling Entities shall provide Buyer with a list setting forth the number of Former Employees terminated during the ninety (90) day period ending on the Closing Date (which list shall include Current Employees whose employment the Selling Entities and their Affiliates reasonably expect to terminate between the date such list is provided and the Closing Date) from each site of employment of the Selling Entities and the Acquired Subsidiary for reasons qualifying the termination as (a) "employment losses" under the WARN Act or (b) a "collective redundancy" or similar process (being a process under any foreign Law under which an employer is required by Law to follow a different process for the termination of more than one employee when compared with the process for the termination of one employee), and the date of each such termination with respect to each termination; *provided, however,* that solely with respect to any jurisdiction in which the WARN Act is applicable, this sentence shall not apply with respect to any site of employment at which sufficient employees have not been employed at any time in such ninety (90) day period for termination of employment at such site to be subject to the WARN Act.

Section 7.8 Tax Matters.

(a) Any sales, use, value added, property transfer, documentary, stamp, registration, recording or similar Tax payable in connection with the sale or transfer of the Purchased Assets and the assumption of the Assumed Liabilities and not exempted under the Sale Order or by Section 1146(a) of the Bankruptcy Code ("Transfer Taxes") shall be borne 50% by the Buyer and 50% by the Selling Entities; *provided* that, for administrative convenience, Buyer shall pay all Transfer Taxes and the Selling Entities shall bear their 50% of the Transfer Taxes via the deduction of 50% of the Transfer Taxes in clause (iii) of the definition of Closing Net Working Capital Amount, as Closing Net Working Capital is finally determined in accordance with Section 3.2 hereof. The Selling Entities and Buyer shall use their commercially reasonable efforts and cooperate in good faith to exempt the sale and transfer of the Purchased Assets from any such Transfer Taxes, and for greater certainty, the Buyer Designee that will acquire the assets of the Canadian Selling Entities and the Canadian Selling Entities shall jointly elect under subsection 167(1) of the Excise Tax Act (Canada), and if applicable, any equivalent section of provincial legislation, such that no tax shall be collectible by the Selling Entities pursuant to Part IX of the Excise Tax Act (Canada) or any provincial value-added tax legislation. Buyer shall prepare and file all necessary Tax Returns or other documents with respect to all such Transfer Taxes to the extent permitted under applicable Tax Law.

(b) All real property, personal property and other ad valorem Taxes with respect to the Purchased Assets that are due after the Closing Date shall be paid by the Buyer. Notwithstanding anything herein to the contrary, the Buyer shall be entitled to assume control of any appeal with respect to any property tax Liability ongoing as of the Closing Date; provided that the Buyer consults with the Selling Entities regarding any such appeal and keeps the Selling Entities reasonably informed on a timely basis with respect to the progress of, and any material developments with respect to, any such appeal.

(c) The Buyer agrees to furnish or cause to be furnished to the Seller and Seller's Representatives, upon request and at Seller's sole cost and expense, as promptly as practicable, such information and assistance as is reasonably necessary for the filing of Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority and the prosecution or defense of any claim, suit or Legal Proceeding relating to any Tax; and *provided* that any payment or reimbursement to Buyer in connection with its furnishing of any such information or assistance shall be at a rate equal to the actual out-of-pocket expense incurred by Buyer or the applicable Buyer Designee in connection therewith. Such information and assistance shall include providing reasonable access to all of the books and records of the Selling Entities, the Acquired Subsidiary and the Japanese JV delivered to the Buyer or any Buyer Designee at Closing or provided pursuant to Section 7.2(b), and shall include providing reasonable access to, and the assistance of, the employees of the Buyer and the Buyer Designee and to the assets, software and systems of the Buyer and the Buyer Designees; *provided* that such access or assistance does not interfere in any material respect with the operation of the Business following the Closing. From and after the Closing and until the dissolution and liquidation of the Selling Entities, the Selling Entities agree to furnish or cause to be furnished to the Buyer and Buyer's Representatives, upon request and at Buyer's sole cost and expense, as promptly as practicable, such information and assistance as is reasonably necessary for the filing of Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority and the prosecution or defense of any claim, suit or Legal Proceeding relating to any Tax. Access to books and records shall be afforded upon receipt of reasonable advance notice and during normal business hours. Nothing in this Section 7.8(c) shall (i) require the Selling Entities to make any expenditure or incur any obligation on behalf of themselves or the Buyer, or (ii) prohibit any Selling Entity from ceasing operations or winding up its affairs following the Closing.

(d) The Buyer Designee that will acquire the assets of the Canadian Selling Entities hereunder and each of the Canadian Selling Entities will execute and file a joint election under Section 22 of the Tax Act and under the corresponding provisions of any applicable provincial Tax legislation, within the prescribed time periods, in respect of the Accounts Receivable to which such elections may apply and shall designate an amount equal to the portion of the Purchase Price allocated to such assets as the consideration paid by the Buyer therefor.

(e) The Buyer Designee that will acquire the assets of the Canadian Selling Entities hereunder and each of the Canadian Selling Entities shall jointly elect to have the rules in subsection 20(24) of the Tax Act, and any equivalent or corresponding provision under any applicable provincial Tax legislation, apply to the obligations of each of the Canadian Selling Entities in respect of undertakings which arise from the operation of their respective business and to which paragraph 12(1)(a) of the Tax Act applies and shall agree upon a reasonable amount for the purposes of each such election and shall file each such election within the prescribed time. The Buyer Designee that will acquire the assets of the Canadian Selling Entities hereunder and each of the Canadian Selling Entities acknowledge that the Canadian Selling Entities, respectively, are transferring assets to such Buyer Designee which have a value equal to such reasonable amounts as consideration for the assumption by such Buyer Designee of such obligations.

(f) To the extent required by law, forthwith after execution of this Agreement the Canadian Selling Entities will apply to the appropriate Governmental Authority and deliver to the Buyer, forthwith after receipt thereof, duplicate copies of certificates issued pursuant to section 6 of the Retail Sales Tax Act (Ontario) and equivalent certificates issued under any similar legislation of any province in which the Canadian Selling Entities carry on business or have a fixed place of business, in connection with the completion of the transactions provided in this Agreement; *provided* that the Canadian Selling Entities shall not be required to provide any such certificates in any applicable province or jurisdiction to the extent that the Buyer or any Buyer Designee would not be subject to successor liability under such legislation in such jurisdiction or province, or as a result of any Canadian Law or the entry of the Canadian Sale Approval and Vesting Order; and further *provided* that the Canadian Selling Entities shall use reasonable commercial efforts to deliver any such required certificates at or before Closing.

(g) The Buyer Designee that will acquire the assets of the Canadian Selling Entities hereunder will, at the Closing, be registered under Subdivision d of Division V of Part IX of the Excise Tax Act (Canada) and will be assigned GST/HST Numbers which will be disclosed to the Canadian Selling Entities at or prior to the Closing.

(h) The Buyer and Buyer Designees on the one hand and the Selling Entities on the other hand shall use their commercially reasonable efforts and cooperate in good faith to minimize the application of section 56.4 of the Tax Act to the transactions hereunder.

Section 7.9 Submission for Bankruptcy Court Approval and Canadian Court Approval.

(a) Promptly following the auction with respect to the Purchased Assets (the "Auction"), the Selling Entities shall file a motion or motions in a form reasonably acceptable to the Buyer (the "Motions") and supporting papers seeking (i) the Bankruptcy Court's approval of this Agreement, each Selling Entity's performance under this Agreement and the assumption and the assignment of the Assumed Agreements and the Assumed Real Property Leases pursuant to Section 365 of the Bankruptcy Code, and (ii) the entry of the Sale Order, and the Selling Entities shall provide the Buyer with a copy of such documents promptly thereof. All of the Parties shall use their respective commercially reasonable efforts to have the Sale Hearing as promptly as possible following the Auction and to have the Sale Order entered as a Final Order no later than eleven (11) days after the conclusion of the Sale Hearing. The Selling Entities shall give notice under the Bankruptcy Code of the request for the relief specified in the Motions to all Persons entitled to such notice, including all Persons that have asserted Encumbrances in the Purchased Assets, the PBGC and all non-debtor parties to the Assumed Agreements and the Assumed Real Property Leases, and other appropriate notice, including such additional notice as the Bankruptcy Court shall direct or as the Buyer may reasonably request, and provide appropriate opportunity for hearing, to all parties entitled thereto, of all motions, orders, hearings, or other Legal Proceedings in the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby. The Selling Entities shall be responsible for making all appropriate filings relating thereto with the Bankruptcy Court, which filings shall be submitted, to the extent practicable, to the Buyer prior to their filing with the Bankruptcy Court for the Buyer's prior review.

(b) As promptly as possible, but in no event later than two (2) Business Days after the entry of the Sale Order, the Canadian Selling Entities shall bring a motion in the Canadian Court in the CCAA Case seeking an order approving this Agreement and the transactions contemplated herein and vesting the Canadian Purchased Assets in the Buyer and/or the Buyer Designees free and clear of all claims, liens and encumbrances whatsoever (other than permitted encumbrances identified in the Canadian Sale Approval and Vesting Order), which order shall be substantially in the form attached hereto as Exhibit I (as approved, the "Canadian Sale Approval and Vesting Order").

(c) A list of the Assumed Agreements and Assumed Real Property Leases shall be filed as an exhibit to the Sale Motion (or, if required by the Bankruptcy Court, a motion to assume and assign the Assumed Agreements and the Assumed Real Property Leases), and shall be described in sufficient detail to provide adequate notice to the non-debtor parties to such Contracts. Upon designation or removal by the Buyer of the Assumed Agreements and the Assumed Real Property Leases in accordance with Section 2.5(b), the Seller shall add any Assumed Agreements or Assumed Real Property Leases, respectively, to such exhibit to the Sale Motion or remove any Assumed Agreements or Assumed Real Property Leases (other than Assumed Agreements and Assumed Real Property Leases designated for assumption pursuant to Section 2.5(d)) from such exhibit, as applicable. Such exhibit shall set forth the amounts necessary to cure defaults under each Assumed Agreement and Assumed Real Property Lease shown thereon, as reasonably determined in good faith by the Seller. In cases in which the Seller is unable to establish that a default exists, the relevant cure amount shall be set at \$0.00.

(d) Each Selling Entity and the Buyer shall consult with one another regarding pleadings which any of them intends to file with the Bankruptcy Court or the Canadian Court in connection with, or which might reasonably affect the Bankruptcy Court's or the Canadian Court's approval of, as applicable, the Sale Order or the Canadian Sale Approval and Vesting Order. Each Selling Entity shall promptly provide the Buyer and its counsel with copies of all notices, filings and orders of the Bankruptcy Court or the Canadian Court that such Selling Entity has in its possession (or receives) pertaining to the motion for approval of the Sale Order or the Canadian Sale Approval and Vesting Order or any other order related to any of the transactions contemplated by this Agreement, but only to the extent such papers are not publicly available on the docket of the Bankruptcy Court or otherwise made available to the Buyer and its counsel, including on the website of the Monitor.

(e) If the Bidding Procedures Order, the Sale Order, the Vendor Support Order, the Canadian Initial Order, the Canadian Bidding Procedures Order, the Canadian Sale Approval and Vesting Order or any other orders of the Bankruptcy Court or the Canadian Court relating to this Agreement or the transactions contemplated hereby shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Bidding Procedures Order, the Sale Order, the Vendor Support Order, the Canadian Initial Order, the Canadian Bidding Procedures Order, the Canadian Sale Approval and Vesting Order or other such order), subject to rights otherwise arising from this Agreement, the Selling Entities, the Acquired Subsidiary and the Buyer shall use their commercially reasonable efforts to prosecute

such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

Section 7.10 Adequate Assurance. Buyer shall provide adequate assurance as required under the Bankruptcy Code of the future performance by Buyer or any applicable Buyer Designee of each Assumed Agreement and each Assumed Real Property Lease. Buyer agrees that it will, and will cause its Affiliates to, promptly take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assumed Agreements and the Assumed Real Property Leases, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Buyer's Representatives available to testify before the Bankruptcy Court. Subject to the other terms and conditions of this Agreement, Buyer shall, or shall cause any applicable Buyer Designee to, from and after the Closing Date, (i) assume all Liabilities of the Selling Entities under the Assumed Agreements and Assumed Real Property Leases and (ii) satisfy and perform all of the Liabilities related to each of the Assumed Agreements and each Assumed Real Property Lease when the same are due thereunder.

Section 7.11 Intentionally Omitted.

Section 7.12 Transfer of Purchased Assets; Substitution of Letters of Credit.

(a) The Buyer will make all necessary arrangements for the Buyer or a Buyer Designee to take possession of the Purchased Assets, and, at the Buyer's expense, to transfer same to a location operated by the Buyer or a Buyer Designee, to the extent necessary, as promptly as practicable following the Closing.

(b) On the Closing Date, Buyer shall, at its sole cost and expense, (i) replace any letters of credit, banker's acceptance or similar credit transaction that secure any Assumed Liabilities of any Selling Entity relating to the Business and (ii) cause such letters of credit, banker's acceptance or similar credit transaction to be released and returned to the Seller.

(c) Subject to the last sentence of Section 2.5(k), the Seller shall use its commercially reasonable efforts to duly make all notifications and comply with all the applicable consent or other requirements under the Canadian Real Property Leases arising in connection with the transactions contemplated hereby whether such notifications are due or such other actions need to be taken prior to or after the Closing, subject, to the extent applicable, to the Consent Cap.

Section 7.13 Post-Closing Operation of the Seller; Name Changes. The Seller hereby acknowledges and agrees that upon the consummation of the transactions contemplated hereby, the Buyer and/or each Buyer Designee shall have the sole right to the use of the name "Eddie Bauer" or similar names or any service marks, trademarks, trade names, identifying symbols, logos, emblems or signs containing or comprising the foregoing, including any name or mark confusingly similar thereto. After the Closing Date, none of the Selling Entities nor any of their respective Affiliates shall use the name or mark "Eddie Bauer" or any derivatives thereof for

commercial purposes and shall only use the same for administrative purposes while subject to the jurisdiction of the Bankruptcy Court and the Canadian Court. The Sale Order shall provide for the modification of the caption in the proceedings before the Bankruptcy Court to reflect the change in the name of Seller, except that during the pendency of such proceedings, Seller shall be permitted to use the name "EBHI Holdings, Inc." as its corporate name in connection with matters relating to the Bankruptcy Case and as a former name for legal and noticing purposes, but for no other commercial purpose. After the Closing, the Selling Entities and their Affiliates shall promptly file with the applicable Governmental Authorities all documents reasonably necessary to delete from their names the words "Eddie Bauer" or any derivatives thereof and shall do or cause to be done all other acts, including the payment of any fees required in connection therewith, to cause such documents to become effective as promptly as reasonably practicable.

Section 7.14 Non-Competition; Non-Solicitation.

(a) For a period from the Closing until the earlier of the fifth (5th) anniversary of the Closing Date and the dissolution and liquidation of the Selling Entities, each Selling Entity shall not directly or indirectly, own, manage, operate, control or participate in the ownership, management, operation or control of any business, whether in corporate, proprietorship or partnership form or otherwise, engaged in the design, sourcing, distribution or sale through retail stores, outlet stores or catalogs of men's, women's or children's outerwear, apparel, accessories and sporting equipment or that otherwise competes with the Business (a "Restricted Business"); *provided, however*, that the restrictions contained in this Section 7.14(a) shall not restrict the acquisition by a Selling Entity or any of its Affiliates, directly or indirectly, of less than 2% of the outstanding capital stock of any publicly traded company engaged in a Restricted Business. The parties hereto specifically acknowledge and agree that the remedy at law for any breach of the foregoing will be inadequate and that the Buyer, in addition to any other relief available to it, shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damage or posting any bond whatsoever.

(b) For a period from the Closing to the earlier of the fifth (5th) anniversary of the Closing Date and the dissolution and liquidation of the Selling Entities, each Selling Entity shall not: (i) cause, solicit, induce or encourage any Current Employees of any Selling Entity or Acquired Subsidiary who are or become employees of the Buyer or a Buyer Designee to leave such employment or (ii) cause, induce or encourage any material actual or prospective client, customer, supplier, or licensor of the Business (including any existing or former customer of a Selling Entity or Acquired Subsidiary and any Person that becomes a client or customer of the Business after the Closing) or any other Person who has a material business relationship with the Business, to terminate or modify any such actual or prospective relationship with the Buyer (but taking into account, in each case, the fact that the Bankruptcy Case have commenced and that, following the Closing, the Selling Entities intend to dissolve and liquidate and, as a result thereof, may reject, terminate or cease any remaining relationships with any other Persons).

(c) The covenants and undertakings contained in this Section 7.14 relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Section 7.14 will cause irreparable injury to the Buyer, the amount of which will be

impossible to estimate or determine and which cannot be adequately compensated. Therefore, the Buyer will be entitled to an injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach of this Section 7.14. The rights and remedies provided by this Section 7.14 are cumulative and in addition to any other rights and remedies which the Buyer may have hereunder or at law or in equity. Each of Buyer and Seller agree that if any portion of the Purchase Price or the Closing Payment is allocated to this Section 7.14 pursuant to Section 2.6 or otherwise, such allocated portion shall be de minimis.

(d) The parties hereto agree that, if any court of competent jurisdiction in a final nonappealable judgment determines that a specified time period, a specified geographical area, a specified business limitation or any other relevant feature of this Section 7.14 is unreasonable, arbitrary or against public policy, then a lesser time period, geographical area, business limitation or other relevant feature which is determined to be reasonable, not arbitrary and not against public policy may be enforced against the applicable party.

Section 7.15 Intercompany Arrangements. Prior to the Closing, the Selling Entities and the Acquired Subsidiary shall satisfy in full all intercompany accounts payable (or other amounts payable) and other intercompany obligations of any Selling Entity owed by it to the Acquired Subsidiary or of the Acquired Subsidiary owed by it to any Selling Entity with effect prior to or on the Closing Date. All costs, expenses and other Liabilities incurred in connection with the termination and satisfaction of such intercompany obligations shall be paid or borne by the Selling Entities, and the Buyer shall have no responsibility therefor.

Section 7.16 Damage or Destruction. Until the Closing, the Purchased Assets shall remain at the risk of the Selling Entities. In the event of any material damage to or destruction of any of the Purchased Asset listed on Schedule 7.16 after the date hereof and prior to the Closing (in any such case, a "Damage or Destruction Loss"), the Seller shall give notice thereof to the Buyer. If any such Damage or Destruction Loss is covered by policies of insurance and is not repaired or replaced by a similar facility in reasonable proximity to any former facility, all right and claim of the Selling Entities to any proceeds of insurance for such Damage or Destruction Loss shall be assigned and (if previously received by the Selling Entities and not used prior to the Closing Date to repair any damage or destruction) paid to the Buyer and/or a Buyer Designee at Closing in accordance with Section 2.1(q). If any such Damage or Destruction Loss is not covered by policies of insurance (not considering any deductible payable with respect to any policy of insurance), the Buyer shall have the right to reduce the Closing Payment by an amount equal to the lesser of (i) the estimated cost to repair or restore the Purchased Assets affected by such Damage or Destruction Loss (the "Affected Assets") to substantially the same condition that existed immediately prior to the occurrence of such Damage or Destruction Loss, or (ii) if such Affected Assets are destroyed or damaged beyond repair or are not able to be repaired to substantially the same condition that existed prior to such Damage or Destruction Loss at a cost less than their replacement cost, the replacement cost of the Affected Assets for a similar facility in reasonable proximity to the former facility, and the amount of the Closing Payment reduction on account of such Damage or Destruction Loss shall be retained by the Sellers. If the Buyer elects to reduce the Closing Payment pursuant to this Section 7.16, the Seller and the Buyer shall negotiate in good faith in an effort to agree upon the amount of such reduction. If the parties are unable to reach agreement within five (5) Business Days after notice of the Damage or

Destruction Loss is given by the Selling Entities, then the amount of the reduction shall be determined by an independent, qualified insurance adjuster selected by the Parties (or, if they are unable to agree on such selection, one appointed by the Bankruptcy Court upon application of either Party).

Section 7.17 Permits. Commencing on the date of this Agreement, the Parties, cooperating in good faith and, at Buyer's sole cost and expense for out-of-pocket expenses, shall use commercially reasonable efforts to take such steps, including the filing of any required applications with Governmental Authorities, as may be necessary (i) to effect the transfer of Permits that are Purchased Assets to the Buyer on or as soon as practicable after the Closing Date, to the extent such transfer is permissible under applicable Law, and (ii) to enable the Buyer to obtain, on or as soon as practicable after the Closing Date, any additional licenses, permits, approvals, consents, certificates, registrations, and authorizations (whether governmental, regulatory, or otherwise) as may be necessary for the lawful operation of the Business from and after the Closing Date.

Section 7.18 Suppliers; Certain Avoidance Actions; Policies Regarding Personally Identifiable Information; Insurance Policies; Employment Arrangements.

(a) The Selling Entities shall, and shall cause the Acquired Subsidiary to, promptly following the request thereof by the Buyer, seek and use their respective commercially reasonable efforts to arrange such meetings and telephone conferences with material suppliers of the Selling Entities and the Acquired Subsidiary as may be reasonably requested by the Buyer and necessary and appropriate for the Buyer to coordinate transition of such suppliers with the Business following the Closing; provided that Representatives of Seller shall be entitled to attend and participate in any such meeting or telephone conference.

(b) The Selling Entities shall not pursue any Avoidance Action against any current or former supplier, vendor or landlord of the Selling Entities or the Business who is a party to a Contract or a Real Property Lease, and each of the Selling Entities hereby releases, effective as of the Closing, any rights it may have with respect to any such Avoidance Action.

(c) The Buyer shall honor and observe any and all policies of the Selling Entities and the Acquired Subsidiary in effect on the Petition Date prohibiting the transfer of personally identifiable information about individuals consistent with the requirements of Section 363(b)(1)(A) of the Bankruptcy Code.

(d) To the extent that any current or prior insurance policy of any of the Selling Entities relate to the Purchased Assets or Assumed Liabilities (excluding and Excluded Insurance Policies) and such insurance policy is not transferable to Buyer or a Buyer Designee at the Closing in accordance with the terms hereof, the Selling Entities shall hold such insurance policy for the benefit of Buyer or such Buyer Designee, shall reasonably cooperate with Buyer (at the Buyer's cost and expense) in pursuing any claims thereunder, and shall pay over to Buyer promptly any insurance proceeds paid or recovered thereunder with respect to the Purchased Assets or the Assumed Liabilities. In the event Buyer determines to purchase replacement coverage with respect to any such insurance policy, the Selling Entities shall reasonably

cooperate with Buyer to terminate such insurance policy and shall, at the option of Buyer, promptly pay over to Buyer any refunded or returned insurance premiums received by any Selling Entities in connection therewith or cause such premiums to be applied by the applicable carrier to the replacement coverage arranged by Buyer.

(e) From and after the date of this Agreement, the Buyer shall use its commercially reasonable efforts to enter into, or cause a Buyer Designee to enter into, employment agreements on terms reasonably satisfactory to the Buyer with each Current Employee identified on Schedule 8.2(f).

Section 7.19 Notification of Certain Matters. Except with respect to the actions required by this Agreement, the Seller shall give prompt notice to the Buyer, on the one hand, and the Buyer shall give prompt notice to the Seller, on the other hand, of (i) the occurrence or non-occurrence of any event, the occurrence or non-occurrence of which would cause any of its respective representations or warranties in this Agreement to be untrue or inaccurate in any material respect at or prior to the Closing Date or (ii) any material failure of any of the Selling Entities or the Buyer, respectively, to comply with or satisfy any of its covenants, conditions or agreements to be complied with or satisfied by it under this Agreement in any material respect; *provided, however*, (x) the delivery of any notice pursuant to this Section 7.19 shall not limit or otherwise affect the remedies available to the party receiving such notice under this Agreement, (y) any failure to comply with this Section 7.19 shall not be taken into account in determining whether the conditions to closing set forth in Article VIII have been or would be satisfied, and (z) no Party shall have any Liability hereunder for failure to deliver any notice required to be delivered pursuant to this Section 7.19.

Section 7.20 Purchased Assets "AS IS;" Certain Acknowledgements.

(a) The Buyer agrees, warrants and represents that, except as otherwise provided in this Agreement or in any other Transaction Document (a) the Buyer is purchasing the Purchased Assets on an "AS IS" and "WITH ALL FAULTS" basis based solely on the Buyer's own investigation of the Purchased Assets and (b) neither the Selling Entities nor any Seller's Representative has made any warranties, representations or guarantees, express, implied or statutory, written or oral, respecting the Purchased Assets, any part of the Purchased Assets, the financial performance of the Purchased Assets or the Business, or the physical condition of the Purchased Assets. The Buyer further acknowledges that the consideration for the Purchased Assets specified in this Agreement has been agreed upon by the Selling Entities and the Buyer after good-faith arms-length negotiation in light of the Buyer's agreement to purchase the Purchased Assets "AS IS" and "WITH ALL FAULTS." The Buyer agrees, warrants and represents that, except as set forth in this Agreement, the Buyer has relied, and shall rely, solely upon its own investigation of all such matters, and that the Buyer assumes all risks with respect thereto. EXCEPT AS SET FORTH IN ARTICLE V OF THIS AGREEMENT, THE SELLING ENTITIES MAKE NO EXPRESS WARRANTY, NO WARRANTY OF MERCHANTABILITY, NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND NO IMPLIED OR STATUTORY WARRANTY WHATSOEVER WITH RESPECT TO ANY REAL OR PERSONAL PROPERTY OR ANY FIXTURES OR THE PURCHASED ASSETS.

(b) The Buyer acknowledges and agrees that it (a) has had an opportunity to discuss the Business with the management of Seller and has been afforded the opportunity to ask questions of and receive answers from management of Seller, and (b) has had reasonable access to the books and records of the Selling Entities and the Acquired Subsidiary, (c) has conducted its own independent investigation of the Selling Entities and the Acquired Subsidiary, the Business, the Purchased Assets, the Assumed Liabilities and the transactions contemplated hereby. In connection with the investigation by the Buyer, the Buyer has received or may receive from the Selling Entities certain projections, forward-looking statements and other forecasts and certain business plan information. The Buyer acknowledges and agrees neither the Selling Entities nor any other Person will have or be subject to any Liability or indemnification obligation to the Buyer or any other Person resulting from the distribution to, or use by, the Buyer or any of its Affiliates or any Buyer's Representative of any information provided to the Buyer or any of its Affiliates or any Buyer's Representative by the Selling Entities or any Representative of the Seller, including any information, documents, projections, forward-looking statements, forecasts or business plans or any other material made available in any "data room," any confidential information memoranda or any management presentations in expectation of or in connection with the transactions contemplated by this Agreement.

(c) Except for the representations and warranties contained in Article V of this Agreement, Buyer acknowledges that none of the Selling Entities nor any other Person on behalf of any Selling Entity makes any express or implied representation or warranty with respect to the Selling Entities, the Acquired Subsidiary, the Japanese JV, the Purchased Assets or the Business, or with respect to any information provided to the Buyer or any of its Affiliates or any Representative of the Buyer, and the Selling Entities hereby disclaim any other representations or warranties made by the Selling Entities or any other Person with respect to the execution and delivery of this Agreement, the Purchased Assets, the Business or the transactions contemplated hereby. The Buyer has not relied on any representation, warranty or other statement by any Person on behalf of the Selling Entities, other than the representations and warranties of the Selling Entities expressly contained in Article V. Buyer acknowledges and agrees that the representations and warranties set forth in Article V are made solely by the Selling Entities, and no Affiliate of the Selling Entities, Seller's Representative or other Person shall have any responsibility or Liability related thereto.

Section 7.21 Collection of Accounts Receivable.

(a) As of the Closing Date, each Selling Entity hereby (i) authorizes the Buyer or any Buyer Designee to open any and all mail addressed to any Selling Entity relating to the Business or the Purchased Assets and delivered to the offices of the Business or otherwise to Buyer or any Buyer Designee if received on or after the Closing Date and (ii) appoints the Buyer, any Buyer Designee or its attorney-in-fact to endorse, cash and deposit any monies, checks or negotiable instruments received by the Buyer or any Buyer Designee after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by the Buyer after the Closing, as the case may be, made payable or endorsed to any Selling Entity or Selling Entity's order, for the Buyer's or any Buyer Designee's own account.

(b) As of the Closing Date, each Selling Entity agrees that any monies, checks or negotiable instruments received by any Selling Entity after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by the Buyer after the Closing, as the case may be, shall be held in trust by such Selling Entity for the Buyer's or any Buyer Designee's benefits and accounts, and promptly upon receipt by a Selling Entity of any such payment, such Selling Entity shall pay over to the Buyer or its designee the amount of such payments without any right of set off or reimbursement. In addition, the Buyer agrees that, after the Closing, it will hold and will promptly transfer and deliver to the Seller, from time to time as and when received by the Buyer or its Affiliates, any cash, checks with appropriate endorsements, or other property that the Buyer or its Affiliates may receive on or after the Closing which properly belongs to the Selling Entities hereunder, including any Excluded Assets.

(c) As of the Closing Date, the Buyer or any Buyer Designee shall have the sole authority to bill and collect Accounts Receivable that are Purchased Assets and accounts receivable relating to work performed by the Buyer after the Closing.

(d) Notwithstanding anything to the contrary contained hereto, any Buyer Designees who acquire any Accounts Receivable that are Purchased Assets hereunder shall be express third party beneficiaries of this Section 7.21.

Section 7.22 Cooperation with Financing and Title Insurance. In order to assist the Buyer with obtaining debt financing for the Business following the Closing and one or more policies and/or a commitment to issue one or more policies of real estate title insurance with respect to the Owned Real Property, the Selling Entities shall, and shall cause the Acquired Subsidiary to, provide such assistance and cooperation as the Buyer may reasonably request, including cooperation in the preparation of documentation for a credit facility of the Buyer and/or its Subsidiaries that would be effective after the Closing (the "Post-Closing Credit Facility"), the preparation of any information memorandum or similar document, making senior management of Seller reasonably available for customary presentations and cooperation with prospective lenders in performing their due diligence, entering into customary agreements and entering into pledge and security documents, other definitive financing documents or other requested certificates or documents, it being understood and agreed, however, that neither the availability of third party financing, whether under the Post-Closing Credit Facility or otherwise, or the issuance of title insurance is a condition precedent to the Buyer's obligations hereunder. Notwithstanding anything in this Section 7.22 to the contrary, (a) no Selling Entity or Acquired Subsidiary shall be required to pay any commitment fee or similar fee or incur any liability with respect to obtaining the financing or the real estate title insurance described in this Section 7.22 prior to the Closing, (b) no officer, director or employee of any Selling Entity or the Acquired Subsidiary shall be required to execute any documents that will be effective prior to the Closing, and (c) no Selling Entity nor the Acquired Subsidiary shall be required to issue any information memoranda or to indemnify any Person in connection with any such financing. The Buyer shall reimburse the Selling Entities and the Acquired Subsidiary for all reasonable and documented out of pocket costs, fees and expenses incurred in connection with such assistance and cooperation. Without limiting the foregoing, no Selling Entity nor the Acquired Subsidiary shall be liable for any obligation incurred any connection with any such financing or title insurance

and the Buyer shall indemnify and hold harmless the Selling Entities and the Acquired Subsidiary therefrom. Prior to the Closing, the proposed lenders in connection with the marketing of the Post-Closing Credit Facility shall be permitted to use the Seller's name and logo on the cover of any information memorandum used in connection with the Buyer's obtaining the Post-Closing Credit Facility; *provided* that the Buyer and/or its Subsidiaries shall be identified as the borrowers under any such Post-Closing Credit Facility in the information memorandum and the Buyer shall indemnify the Selling Entities from any liability arising in connection therewith.

The respective obligations of each Party to effect the sale and purchase of the Purchased Assets and to consummate the other transactions contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing of the following conditions:

(h) the Bankruptcy Court shall have entered the Vendor Support Order authorizing not less than \$7,000,000 in payments to vendors and other suppliers and service providers to the Selling Entities.

Any condition specified in this Section 8.3 may be waived by the Seller; *provided* that no such waiver shall be effective against the Seller unless it is set forth in a writing executed by the Seller.

Section 8.4 Frustration of Closing Conditions. None of the Selling Entities or Buyer may rely on or assert the failure of any condition set forth in Article VIII to be satisfied if such failure was proximately caused by such Party's failure to comply with this Agreement in all material respects.

ARTICLE IX TERMINATION; WAIVER

Section 9.1 Termination. This Agreement may be terminated at any time prior to the Closing by:

(a) mutual written consent of the Seller and the Buyer;

(b) the Seller or the Buyer, if:

(i) there shall be any Law that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited (unless the consummation of the transactions contemplated hereby in violation of such Law would not reasonably be expected to have a Material Adverse Effect); or

(ii) consummation of the transactions contemplated hereby would violate any nonappealable final order, decree or judgment of the Bankruptcy Court, the Canadian Court or any other Governmental Authority having competent jurisdiction;

provided that the Party seeking to terminate this Agreement pursuant to this Section 9.1(b) shall have used its commercially reasonable efforts to challenge such Law, order, decree or judgment;

(c) the Seller if:

(i) any of the representations and warranties of Buyer contained in Article VI shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on and as of such subsequent date), and the condition set forth in Section 8.3(b) would not then be satisfied; or

(ii) Buyer shall have failed to perform or comply with any of the covenants or agreements contained in this Agreement to be performed and complied with by the Buyer and the condition set forth in Section 8.3(a) would not then be satisfied;

provided, however, that if an inaccuracy in any of the representations and warranties of the Buyer or a failure to perform or comply with a covenant or agreement by the Buyer is curable by the Buyer within ten (10) Business Days after the date of written notice from the Seller to the Buyer of the occurrence of such inaccuracy or failure, then the Seller may not terminate this Agreement under this Section 9.1(c) on account of such inaccuracy or failure (x) prior to delivery of such written notice to the Buyer or during the ten (10) Business Day period commencing on the date of delivery of such notice or (y) following such ten (10) Business Day period, if such inaccuracy or failure shall have been fully cured during such ten (10) Business Day period;

(d) the Buyer if:

(i) any of the representations and warranties of the Selling Entities contained in Article V shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on and as of such subsequent date), and the condition set forth in Section 8.2(b) would not then be satisfied; or

(ii) any of the Selling Entities shall have failed to perform or comply with any of the covenants or agreements contained in this Agreement to be performed and complied with by the Selling Entities and the condition set forth in Section 8.2(a) would not then be satisfied;

the Buyer may not terminate this Agreement under this Section 9.1(d) on account of such inaccuracy or failure (x) prior to delivery of such written notice to the Seller or during the ten (10) Business Day period commencing on the date of delivery of such notice or (y) following such ten (10) Business Day period, if such inaccuracy or failure shall have been fully cured during such ten (10) Business Day period;

(e) by the Seller or the Buyer, if the Bankruptcy Court approves a Restructuring Transaction or an Alternative Transaction or the sale of all or substantially all of the assets of the Selling Entities or of the Purchased Assets to a Person (or group of Persons) other than the Buyer or an Affiliate of the Buyer;

(f) the Buyer or the Seller, if the Bankruptcy Case is dismissed or converted to a case under Chapter 7 of the Bankruptcy Code and neither such dismissal nor conversion expressly contemplates the transactions provided for in this Agreement, or if the CCAA Case is dismissed prior to the entry of the Canadian Sale Approval and Vesting Order or converted to a receivership or a bankruptcy under the Bankruptcy and Insolvency Act (Canada) and neither such dismissal nor conversion contemplates the transactions provided for in this Agreement;

(g) the Buyer or Seller, if the Closing shall not occurred by 5:00 p.m. (New York time) on August 31, 2009 (the "Termination Date"); *provided*, (i) that the Seller shall not be entitled to terminate this Agreement pursuant to this Section 9.1(g) if, at the time of such termination, Buyer would then be entitled to terminate this Agreement pursuant to Section 9.1(d) (subject only to delivery of notice and the opportunity to cure, if curable, required by Section 9.1(d)), and (ii) that the Buyer shall not be entitled to terminate this Agreement pursuant to this Section 9.1(g) if, at the time of such termination, Seller would then be entitled to terminate this Agreement pursuant to Section 9.1(c) (subject only to delivery of notice and the opportunity to cure, if curable, required by Section 9.1(c)); or

(h) the Buyer, if at any time after the DIP Facility Effective Date (regardless of any subsequent event or condition), (i) the Combined Availability (as defined in the form of DIP Facility attached as Exhibit J hereto) is less than \$10,000,000 or (ii) the Selling Entities cease to have access to at least \$10,000,000 of Loans or Letters of Credit (as defined in the form of DIP Facility attached as Exhibit J hereto).

Section 9.2 Procedure and Effect of Termination. In the event of termination of this Agreement by either Seller or Buyer pursuant to Section 9.1, written notice thereof shall forthwith be given by the terminating Party to the other Party and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned, without further action by any of the Parties; *provided, however*, that (a) no Party shall be relieved of or released from any Liability arising from any intentional breach by such Party of any provision of this Agreement and (b) this Section 9.2, Section 7.2(d), Section 7.3 and Section 7.11, Article X and the Confidentiality Agreement shall remain in full force and effect and survive any termination of this Agreement.

Section 9.3 Extension; Waiver. At any time prior to the Closing, the Selling Entities, on the one hand, or the Buyer, on the other hand, may, to the extent permitted by applicable Law

(a) extend the time for the performance of any of the obligations or other acts of the Buyer (in the case of an agreed extension by the Selling Entities) or the Selling Entities (in the case of an agreed extension by the Buyer), (b) waive any inaccuracies in the representations and warranties of the Buyer (in the case of a waiver by the Selling Entities) or the Selling Entities (in the case of a waiver by the Buyer) contained herein or in any document delivered pursuant hereto, (c) waive compliance with any of the agreements of the Buyer (in the case of a waiver by the Selling Entities) or the Selling Entities (in the case of a waiver by the Buyer) contained herein, or (d) waive any condition to its obligations hereunder. Any agreement on the part of the Selling Entities, on the one hand, or the Buyer, on the other hand, to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of the Selling Entities or the Buyer, as applicable. The failure or delay of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights, nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise of any rights hereunder.

No assignment by any Party (including an assignment by Buyer to any Buyer Designee) shall relieve such Party of any of its obligations hereunder. Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement, and all claims and causes of action arising out of, based upon, or related to this Agreement or the negotiation, execution or performance hereof, shall be governed by, and construed, interpreted and enforced in accordance with, the Laws of the State of Delaware, without regard to choice or conflict of law principles that would result in the application of any Laws other than the Laws of the State of Delaware.

Section 10.7 Acknowledgement and Release.

(a) The Buyer acknowledges that the Selling Entities are the sole Persons bound by, or liable with respect to, the obligations and Liabilities of the Selling Entities under this Agreement and the other Transaction Documents, and that no Affiliate of any Selling Entity or any of their respective subsidiaries or any current or former officer, director, stockholder, agent, attorney, employee, representative, advisor or consultant of any Selling Entity or any such other Person shall be bound by, or liable with respect to, any aspect of this Agreement and the other Transaction Documents.

(b) The Seller acknowledges that except as provided pursuant to the Limited Guaranty, the Buyer and any Buyer Designee are the sole Persons bound by, or liable with respect to, the obligations and Liabilities of the Buyer and any such Buyer Designee under this

Agreement and the other Transaction Documents, and that no Affiliate of the Buyer or any current or former officer, director, stockholder, agent, attorney, employee, representative, advisor or consultant of the Buyer shall be bound by, or liable with respect to, any aspect of this Agreement and the other Transaction Documents.

Section 10.8 SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

(a) Any action, claim, suit or Legal Proceeding arising out of, based upon or relating to this Agreement or the transactions contemplated hereby other than the CCAA Case and the proceedings related thereto shall be brought solely in the Bankruptcy Court (or any court exercising appellate jurisdiction over the Bankruptcy Court). Each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court (or any court exercising appellate jurisdiction over the Bankruptcy Court) in respect of any action, claim, suit or Legal Proceeding arising out of, based upon or relating to this Agreement or any of the rights and obligations arising hereunder, and agrees that it will not bring any action arising out of, based upon or related thereto in any other court; *provided, however*, that, if the Bankruptcy Case and the CCAA Case are dismissed, any action, claim, suit or Legal Proceeding arising out of, based upon or relating to this Agreement or the transactions contemplated hereby shall be heard and determined solely in the Chancery Court of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware and any direct appellate court therefrom). Each Party hereby irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any such action, claim, suit or Legal Proceeding, (a) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve process in accordance with Section 10.3, (b) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) to the fullest extent permitted by applicable Law, any claim that (i) the suit, action or Legal Proceeding in such court is brought in an inconvenient forum, (ii) the venue of such suit, action or Legal Proceeding is improper or (iii) this Agreement or any other agreement or instrument contemplated hereby or entered into in connection herewith, or the subject matter hereof or thereof, may not be enforced in or by such courts. Each Party agrees that notice or the service of process in any action, claim, suit or Legal Proceeding arising out of, based upon or relating to this Agreement or any of the rights and obligations arising hereunder or thereunder, shall be properly served or delivered if delivered in the manner contemplated by Section 10.3.

(b) EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY AND ALL RIGHT SUCH PARTY MAY HAVE TO TRIAL BY JURY IN ANY ACTION, CLAIM, SUIT OR LEGAL PROCEEDING BETWEEN THE PARTIES HERETO ARISING OUT OF, BASED UPON OR RELATING TO THIS AGREEMENT OR THE NEGOTIATION, EXECUTION OR PERFORMANCE HEREOF.

Section 10.9 Counterparts. This Agreement may be executed by facsimile and in one or more counterparts, and by the different Parties in separate counterparts, each of which when

executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and which shall become effective when one or more counterparts have been signed by each of the Parties and delivered (by facsimile or otherwise) to the other Parties.

Section 10.10 Incorporation of Schedules and Exhibits. All Schedules and all Exhibits attached hereto and referred to herein are hereby incorporated herein by reference and made a part of this Agreement for all purposes as if fully set forth herein.

Section 10.11 Entire Agreement. This Agreement (including all Schedules and all Exhibits) and the Confidentiality Agreement constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings among the Parties with respect thereto.

Section 10.12 Remedies. The Parties agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms or was otherwise breached and that monetary damages may not be an adequate remedy for any breach or threatened breach of any of the provisions of this Agreement. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, and any such injunction shall be in addition to any other remedy to which any Party is entitled, at law or in equity.

Section 10.13 Seller Disclosure Schedule. It is expressly understood and agreed that (a) the disclosure of any fact or item in any section of the Seller Disclosure Schedule shall be deemed disclosure with respect to any other Section or subsection of this Agreement or the Seller Disclosure Schedule, (b) the disclosure of any matter or item in the Seller Disclosure Schedule shall not be deemed to constitute an acknowledgement that such matter or item is required to be disclosed therein, and (c) the mere inclusion of an item in the Seller Disclosure Schedule as an exception to a representation or warranty shall not be deemed an admission that such item represents a material exception or material fact, event or circumstance or that such item has had or would be reasonably likely to have a Material Adverse Effect.

Section 10.14 Mutual Drafting; Headings; Information Made Available. The Parties participated jointly in the negotiation and drafting of this Agreement and the language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent. If an ambiguity or question of intent or interpretation arises, then this Agreement will accordingly be construed as drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. The descriptive headings and table of contents contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement. To the extent this Agreement refers to information or documents to be made available (or delivered or provided) to Buyer or its Representatives, the Selling Entities shall be deemed to have satisfied such obligation if the Seller or any of its Representatives has made such information or document available (or delivered or provided such information or document) to Buyer or any of its Representatives, whether in an electronic data room, via electronic mail, in hard copy format or otherwise.

Section 10.15 No Third Party Beneficiaries.

Except as expressly provided in Section 7.21 and Section 10.7, this Agreement shall be binding upon and inure solely to the benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

Section 10.16 Bulk Sales Law.

Subject to the provisions of the Canadian Sale Approval and Vesting Order, which shall waive compliance with Canadian bulk sales legislation, the Buyer hereby waives compliance by the Selling Entities with the requirements and provisions of any "bulk-transfer" Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets to the Buyer. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Purchased Assets and the Equity Interests shall be free and clear of any security interests in the Purchased Assets, including any liens or claims arising out of the bulk transfer laws, and the parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order.
