3. Rights of Administrative Agent and Secured Parties; Limitations on Administrative Agent's and Secured Parties' Obligations.

(a) Debtors Remain Liable under Accounts and Contracts. Anything herein to the contrary notwithstanding, the Debtors shall remain liable under each of the Accounts and Contracts to observe and perform all the conditions and obligations to be observed and performed by them thereunder, all in accordance with the terms of any agreement giving rise to each such Account and in accordance with and pursuant to the terms and provisions of each such Contract. No Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) or under any Contract by reason of or arising out of this Security Agreement or the receipt by such holder of any payment relating to such Account or Contract pursuant hereto, nor shall any Secured Party be obligated in any manner to perform any of the obligations of any Debtor under or pursuant to any Account (or any agreement giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

(b) Notice to Account Debtors and Contracting Parties. Upon the request of the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, the Debtors shall notify account debtors on the Accounts and parties to the Contracts that the Accounts and the Contracts have been assigned to the Administrative Agent for the ratable benefit of the Secured Parties and shall indicate on all billings that payments in respect thereof shall be made directly to the Administrative Agent. The Administrative Agent may in its own name or in the name of others communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, amount and terms of any Accounts or Contracts.

(c) Analysis of Accounts. The Administrative Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtors shall furnish all such assistance and information as the Administrative Agent may require in connection therewith.

(d) Collections on Accounts. Subject to the further provisions of this Section 3(d), the Administrative Agent hereby authorizes the Debtors to collect the Accounts, subject to the Administrative Agent's written discretion and control, from the account debtors. Prior to the occurrence of an Event of Default, the Proceeds of Accounts so collected by the Debtors shall be received and held by the Debtors in trust for the Administrative Agent and the Secured Parties but may be applied by the Debtors in their discretion towards payment of the Obligations or other corporate purposes in accordance with the Loan Documents. Upon the occurrence and

during the continuance of an Event of Default, the authority hereby given to the Debtors to collect the Proceeds of Accounts in trust for the Administrative Agent and the Secured Parties may be terminated by the Administrative Agent at any time if so directed by the Administrative Agent in writing and the Debtors shall deliver to the Administrative Agent on the date of receipt thereof by a Debtor all Proceeds in the form of cash, checks, drafts, notes and other remittances received in payment of or on account of a Debtor's Accounts. Following receipt by the Administrative Agent any such Proceeds shall be deposited in a special bank account (the "Cash Collateral Account") of the Company or a Debtor (as determined by the Administrative Agent) maintained with the Administrative Agent over which the Administrative Agent alone shall have power of withdrawal. All Proceeds other than cash shall be deposited in precisely the form in which received, except for the addition thereto of the endorsement of the applicable Debtor when necessary to permit collection of the items, which endorsement the Debtors agrees to make. The Debtors will not commingle any such Proceeds with any of the Debtors' other funds or property but will hold them separate and apart from any other funds or property and upon an express trust for the Administrative Agent until deposit thereof is made in the Cash Collateral Account.

4. Representations and Warranties. Each Debtor hereby represents and warrants that:

(a) Title; No Other Liens. Except for the Lien granted to the Administrative Agent for the ratable benefit of the Secured Parties pursuant to this Security Agreement and Permitted Liens, the Debtors own or have the power to transfer rights in each item of the Collateral free and clear of any and all Liens or claims of others. No security agreement, financing statement or other public notice with respect to all or any part of the Collateral is on file or of record in any public office, except such as may have been filed in favor of the Administrative Agent, for the ratable benefit of the Secured Parties, pursuant to this Security Agreement or as may be permitted pursuant to the Credit Agreement.

(b) Perfected First Priority Liens. The Liens granted pursuant to this Security Agreement constitute perfected Liens on the Collateral in favor of the Administrative Agent, for the ratable benefit of the Secured Parties, which are prior to all other Liens on the Collateral in existence on the date hereof (other than Permitted Liens) and are enforceable as such against all creditors of and purchasers from the Debtors and against any owner or purchaser of the real property where any of the Equipment is located and any present or future creditor obtaining a Lien on such real property.

(c) Accounts. The amount represented by the Debtors to the Administrative Agent or the other Secured Parties in any accounts receivable aging and in other reports requested by or furnished to the Administrative Agent or the other Secured Parties as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount actually owing by such account debtor or debtors thereunder. No amount payable to a Debtor under or in connection with any Account is evidenced by any Instrument or Chattel Paper which has not been delivered to the Administrative Agent. As of the Closing Date, the Debtors keep their records concerning the Accounts at the location or locations set forth in Schedule IV.

(d) Contracts. Neither any Debtor nor (to the best of the Debtors' knowledge) any other party to any material Contract is in default or is likely to become in default in the performance or observance of any of the material provisions thereof except, with respect to any default by a party other than a Debtor, where such default would not reasonably be expected to have a Material Adverse Effect. The Debtors have fully performed in all material respects all of their obligations under each material Contract. The right, title and interest of the Debtors in, to and under each Contract are not subject to any defense, offset, counterclaim or claim which would materially adversely affect the value of such Contract as Collateral, nor have any of the foregoing been asserted or alleged against any Debtor as to any material Contract. No amount payable to a Debtor under or in connection with any Contract is evidenced by any Instrument or Chattel Paper which has not been delivered to the Administrative Agent.

(e) Inventory. The types, amounts and valuations of the Inventory or any other information regarding the same represented by the Debtors in any reports requested by or furnished to the Administrative Agent, the Lenders or the other Secured Parties will at such time be accurate to the best of the Debtors' knowledge. As of the Closing Date, the Debtors keep records concerning the Inventory at the location or locations listed on Schedule V. As of the Closing Date, the Inventory is kept at the locations listed on Schedule VI hereto.

(f) Equipment. As of the Closing Date, the Equipment is kept at the locations listed on Schedule VII hereto.

(g) Chief Executive Office; Place of Organization. As of the Closing Date, the locations of each of the Debtor's chief executive office, chief place of business, form of and place of organization are set forth on Schedule VIII.

(h) Commercial Tort Claims. As of the Closing Date, each of the Debtors' Commercial Tort Claims are set forth on Schedule IX.

(i) Farm Products. None of the Collateral constitutes, or is the Proceeds of, Farm Products.

(j) Patents, Trademarks and Copyrights. Schedule I hereto includes all registered Copyrights and applications for registration of Copyrights owned by a Debtor in its own name as of the date hereof. Schedule II hereto includes all Patents and applications for registration of Patents owned by a Debtor in its own name as of the date hereof. Schedule III hereto includes all registered Trademarks and applications for registration of Trademarks owned by a Debtor in its own name as of the date hereof. To the best of the Debtors' knowledge, each Copyright, Patent and Trademark is valid, subsisting, unexpired, enforceable and has not been abandoned, provided that Debtors may abandon any Copyright, Patent or Trademark if it determines in its business judgment that such Copyright, Patent or Trademark is not material. Except as set forth in any such Schedule, none of such Copyrights, Patents or Trademarks is the subject of any licensing or franchise agreement. No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of any material Copyright, Patent or Trademark. Except as set forth in any such Schedule, no action or proceeding is pending (i) seeking to limit, cancel or question the validity of any

material Copyright, Patent or Trademark, or (ii) which, if adversely determined, would have a material adverse effect on the value of any material Copyright, Patent or Trademark.

(k) Power and Authority; Authorization. Each Debtor has the corporate or other power and authority and the legal right to execute and deliver, to perform its obligations under, and to grant the Lien on the Collateral pursuant to, this Security Agreement and has taken all necessary corporate or other action to authorize its execution, delivery and performance of, and grant of the Lien on the Collateral pursuant to, this Security Agreement.

(l) Enforceability. This Security Agreement constitutes a legal, valid and binding obligation of each Debtor enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally.

(m) No Conflict. The execution, delivery and performance of this Security Agreement will not violate any provision of any Requirement of Law or Contractual Obligation of a Debtor and will not result in the creation or imposition of any Lien on any of the properties or revenues of a Debtor pursuant to any Requirement of Law or Contractual Obligation of the Debtor, except as contemplated hereby.

(n) No Consents, etc. No consent or authorization of, filing with, or other act by or in respect of, any arbitrator or Governmental Authority and no consent of any other Person (including, without limitation, any stockholder or creditor of a Debtor), is required in connection with the execution, delivery, performance, validity or enforceability of this Security Agreement (except for the filing of the UCC financing statements).

5. Covenants. Each Debtor covenants and agrees with the Administrative Agent, the Lenders and the other Secured Parties that, from and after the date of this Security Agreement until the Obligations are paid in full, and the Revolving Credit Commitments are terminated, and there are no Letters of Credit outstanding it will:

(a) Notices; Further Documentation; Authorization to File Financing Statements. Notify the Administrative Agent in writing at any time that it opens, acquires, obtains, or becomes the beneficiary of any type of Collateral (or rights therein) to the extent the Administrative Agent and the Secured Parties will not at that time have, and continuously thereafter (subject to the filing of continuation statements, if necessary) maintain, a perfected first priority security interest in (subject to Permitted Liens) such Collateral, including in any event but not limited to: all Deposit Accounts, Securities Accounts and Commodity Accounts and other Investment Property; all Commercial Tort Claims; all Instruments, Documents, Tangible Chattel Paper and Electronic Chattel Paper; all other Collateral in the possession of a third party; and all Letter-of-Credit Rights and other Supporting Obligations. At any time and from time to time, upon the written request of the Administrative Agent, and at the sole expense of the Debtors, promptly (i) deliver to the Administrative Agent all letters of credit and other Supporting Obligations, Instruments, Chattel Paper, Documents and Investment Property (including any necessary endorsements) that at any time is part of the Collateral or becomes Proceeds of any Collateral, and (ii) execute and deliver such further instruments, agreements and documents and take such further action as the Administrative Agent may reasonably request for

the purpose of obtaining, preserving, and enforcing the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, executing and delivering and using commercially reasonable efforts to cause third parties to execute and deliver to the Administrative Agent security agreements, pledge agreements, control agreements, bailee acknowledgments, assignments and waivers, all in form and substance reasonably satisfactory to the Administrative Agent. Each Debtor will mark all Chattel Paper with a legend indicating that the Administrative Agent has a security interest in the Chattel Paper.

Each Debtor also hereby authorizes the Administrative Agent to file any Uniform Commercial Code financing or continuation statement without the signature of such Debtor to the extent permitted by applicable law. Any financing or continuation statements may describe the Collateral as “all assets”, “all personal property” or similar designation. Each Debtor hereby ratifies any filing by the Administrative Agent of financing statements prior to the date hereof with respect to the Collateral. A carbon, photographic, facsimile or other reproduction of this Security Agreement shall, to the extent permitted by applicable law, be sufficient as a financing statement for filing in any jurisdiction.

(b) Indemnification. Pay, and save the Administrative Agent, the Lenders, the other Secured Parties and their directors, officers, employees, advisors and agents (collectively, the “Indemnified Parties”) harmless from, any and all liabilities, costs and expenses (including, without limitation, reasonable legal fees and expenses) (i) with respect to, or resulting from, any delay in paying any and all excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral, (ii) with respect to, or resulting from, any delay in complying with any Requirement of Law applicable to any of the Collateral or (iii) in connection with any of the transactions contemplated by this Security Agreement. In any suit, proceeding or action brought by the Administrative Agent, any Lender or any of the other Secured Parties under any Account or Contract for any sum owing thereunder, or to enforce any provisions of any Account or Contract, the Debtors will save, indemnify and keep the Administrative Agent, each Lender, each other holder of the Obligations and each other Indemnified Party harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction of liability whatsoever of the account debtor or obligor thereunder, arising out of a breach by a Debtor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such account debtor or obligor or its successors from a Debtor.

(c) Maintenance of Records. Keep and maintain at its own cost and expense true, correct and complete records of the Collateral in all material requests, including, without limitation, a record of all payments received and all credits granted with respect to the Accounts. For the Administrative Agent’s and the other Secured Parties’ further security, the Administrative Agent, for the ratable benefit of the Secured Parties, shall have a security interest in the Debtors’ books and records pertaining to the Collateral, and, at any time during which an Event of Default shall have occurred and be continuing, the Debtors shall turn over any such books and records to the Administrative Agent or to its representatives during normal business hours at the request of the Administrative Agent.

(d) Limitation on Liens on Collateral. Not create, incur or permit to exist, will defend the Collateral against, and take such other action as is necessary to remove, any Lien or

claim on or to the Collateral, other than Permitted Liens, and will defend the right, title and interest of the Administrative Agent, the Lenders and the other Secured Parties in and to any of the Collateral against the claims and demands of all Persons whomsoever.

(e) Limitations on Dispositions of Collateral. Not sell, transfer, lease or otherwise dispose of any of the Collateral, or attempt, offer or contract to do so except as expressly permitted pursuant to the Credit Agreement.

(f) Limitations on Modifications, Waivers, Extensions of Contracts and Agreements Giving Rise to Accounts. Not (i) amend, modify, terminate or waive any provision of any Contract or any agreement giving rise to an Account in any manner which would reasonably be expected to materially adversely affect the value of the Contracts or Accounts as Collateral except, if no Event of Default shall exist, in the ordinary course of business based on its reasonable business judgment, (ii) fail to exercise promptly and diligently each and every material right which it may have under each Contract and each agreement giving rise to an Account (other than any right of termination) except, if no Event of Default shall exist, in the ordinary course of business based on its reasonable business judgment or (iii) fail to deliver to the Administrative Agent a copy of each material demand, notice or document received by it relating in any way to any Contract or any agreement giving rise to an Account and which would individually or in the aggregate reasonably be expected to have a Material Adverse Effect.

(g) Limitations on Discounts, Compromises, Extensions of Accounts. Not grant any extension of the time of payment of any Accounts, compromise, compound or settle the same for less than the full amount, or release wholly or partially any Person liable for the payment thereof, or allow any credit or discount whatsoever thereon other than in the ordinary course of business as generally conducted by the Debtors over a period of time.

(h) Further Identification of Collateral. Furnish to the Administrative Agent and the other Secured Parties from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Administrative Agent may reasonably request, all in reasonable detail.

(i) Notices. Advise the Administrative Agent promptly, in reasonable detail, at its address set forth in the Credit Agreement, (i) of any Lien (other than Permitted Liens) on, or claim asserted against, any of the Collateral and (ii) of the occurrence of any other event which would reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the Liens created hereunder.

(j) Changes in Locations, Name, Place of Organization, etc. Unless it shall have given the Administrative Agent at least 30 days prior written notice thereof, no Debtor will (i) change the location of its chief executive office or chief place of business from that specified in Schedule VIII attached hereto or remove its books and records from the location specified in Schedule VIII hereto, (ii) permit any of the Inventory or Equipment to be kept at a location other than those listed on Schedules VI and VII hereto, (iii) change its name, identity or corporate structure to such an extent that any financing statement filed by the Administrative Agent in connection with this Security Agreement would become seriously misleading or (iv) change the state of its organization.

(k) Patents, Trademarks and Copyrights.

(i) Except with respect to any Trademark or Copyright that it shall reasonably determine is not of material economic value to it (either itself or through licenses) (A) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) employ such Trademark or Copyright with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Administrative Agent, for the ratable benefit of the Secured Parties, shall obtain a perfected security interest in such mark pursuant to this Security Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark or Copyright may become invalidated.

(ii) Not, except with respect to any Patent that it shall reasonably determine is not of material economic value to it, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated.

(iii) Notify the Administrative Agent immediately if it knows, or has reason to know, that any application or registration relating to any material Patent, Trademark or Copyright may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding its ownership of any material Patent, Trademark or Copyright or its right to register the same or to keep and maintain the same.

(iv) Whenever a Debtor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, report such filing to the Administrative Agent within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Administrative Agent, each of the Debtors shall execute and deliver any and all agreements, instruments, documents, and papers as the Administrative Agent may reasonably request to evidence the Administrative Agent's and the Secured Parties' security interest in any Patent, Trademark or Copyright and the goodwill and general intangibles of such Debtor relating thereto or represented thereby, and each of the Debtors hereby constitutes the Administrative Agent, its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full and the Revolving Credit Commitments are terminated and there are no Letters of Credit outstanding. The Administrative Agent shall provide the applicable Debtor a complete and correct copy of any such writings executed and/or filed pursuant to the foregoing power of attorney unless an Event of Default shall have occurred and is continuing; provided that the failure to do so shall in no way affect, limit or invalidate the execution or filing by the Administrative Agent of such writings for the foregoing purposes.

(v) Take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Patents, Trademarks and Copyrights, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability, except to the extent that the applicable Debtor has determined in its business judgment that such Patent, Trademark or Copyright is not material.

(vi) In the event that any Patent, Trademark or Copyright included in the Collateral is infringed, misappropriated or diluted by a third party, promptly notify the Administrative Agent after it learns thereof and shall, unless it shall reasonably determine that such Patent, Trademark or Copyright is not of material economic value to it, which determination it shall promptly report to the Administrative Agent, promptly sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as it shall reasonably deem appropriate under the circumstances to protect such Patent, Trademark or Copyright.

6. Administrative Agent's Appointment as Attorney-in-Fact.

(a) Powers. Each Debtor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Debtor and in the name of such Debtor or in its own name, from time to time in the Administrative Agent's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement, and, without limiting the generality of the foregoing, each Debtor hereby gives the Administrative Agent the power and right, on behalf of such Debtor, without notice to or assent by such Debtor, to do the following:

(i) in the case of any Account, at any time when the authority of such Debtor to collect the Accounts has been curtailed or terminated pursuant to Section 3(d) hereof, or in the case of any other Collateral, at any time when any Event of Default shall have occurred and is continuing, in the name of such Debtor or its own name, or otherwise, to take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account, Instrument, General Intangible or Contract or with respect to any other Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Account, Instrument, General Intangible or Contract or with respect to any other Collateral whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Collateral (other than Permitted Liens), to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or any part of the premiums therefor and the costs thereof; and

(iii) upon the occurrence and during the continuance of any Event of Default, (A) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (B) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) to sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any proceeds thereof and to enforce any other right in respect of any Collateral; (E) to defend any suit, action or proceeding brought against such Debtor with respect to any Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as the Administrative Agent may deem appropriate; (G) to assign any Patent or Trademark (along with the goodwill of the business to which any such Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine; and (H) to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and to do, at the Administrative Agent's option and such Debtor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's and the Secured Parties' Liens thereon and to effect the intent of this Security Agreement, all as fully and effectively as such Debtor might do.

Each Debtor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable. The Administrative Agent shall provide the applicable Debtor a copy of any writing executed and/or filed pursuant to the foregoing unless an Event of Default shall have occurred and is continuing; provided the failure to do so shall in no way affect, limit or invalidate the execution and/or filing by the Administrative Agent of such writings for the foregoing purposes.

(b) Other Powers. Each Debtor also authorizes the Administrative Agent, the Lenders and the other Secured Parties, at any time and from time to time, to (i) execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral and (ii) file such UCC financing statements, forms and similar instruments as the Administrative Agent may from time to time deem reasonably necessary or desirable to protect the security interests of the Lenders and the other Secured Parties.

(c) No Duty on Administrative Agent or Holders' Part. The powers conferred on the Administrative Agent, the Lenders and the other Secured Parties hereunder are solely to protect the Administrative Agent's, the Lenders' and the other Secured Parties' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Lender or any Secured Party to exercise any such powers. The Administrative Agent, the Lenders and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents

shall be responsible to the Debtors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

7. Performance by Administrative Agent of Debtors' Obligations. If a Debtor fails to perform or comply with any of its agreements contained herein and the Administrative Agent, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of the Administrative Agent incurred in connection with such performance or compliance, together with interest thereon at a rate per annum equal to the Default Rate, shall be payable by the Debtors to the Administrative Agent on demand and shall constitute Obligations secured hereby.

8. Remedies.

(a) If an Event of Default shall occur and be continuing and all applicable notice and cure periods shall have expired, the Administrative Agent, on behalf of the Secured Parties may exercise, in addition to all other rights and remedies granted to it or them in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Debtors or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent, any Lender or any other Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Any Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Debtors, which right or equity is hereby waived and released. Each Debtor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at the Debtors' premises or elsewhere. The Administrative Agent shall apply the net proceeds (to the extent actually received in cash) of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Administrative Agent may elect, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without limitation, Section 9615 of the Code, need the Administrative Agent account for the surplus, if any, to the Debtors. To the extent permitted by applicable law, each Debtor waives all claims, damages and demands it may acquire against the Administrative Agent or any Secured Party arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral

shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition. The Debtors shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent, any Lender or any other Secured Party to collect such deficiency.

(b) Each Debtor agrees, upon the occurrence and during the continuation of an Event of Default, to take any actions that the Administrative Agent may request in order to enable the Administrative Agent to obtain and enjoy the full rights and benefits granted to the Administrative Agent (for itself and for the ratable benefit of the Secured Parties) under this Agreement, the other Loan Documents and any other document relating to the Obligations. Without limiting the generality of the foregoing, each Debtor shall upon the occurrence and during the continuation of an Event of Default, at such Debtor's sole cost and expense, assist in obtaining all approvals which are then required by law for or in connection with any action or transaction contemplated by this Agreement or Article 9 of the Uniform Commercial Code as in effect in any applicable jurisdiction.

(c) For the purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Debtor hereby grants to the Administrative Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Debtors), to use, license or sublicense any of the Collateral consisting of Intellectual Property then owned or thereafter acquired by such Debtor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, subject, in the case of Trademarks, to the observance of standards of quality and inspection in connection with the use of such Trademarks as are sufficient to maintain the validity and enforceability of such Trademarks. The use of such license by the Administrative Agent shall be exercised, at the option of the Administrative Agent, only upon the occurrence and during the continuation of an Event of Default; provided, however, that any license, sublicense or other transaction entered into by the Administrative Agent in accordance therewith shall be binding upon the Debtors notwithstanding any subsequent cure of any Event of Default.

9. Limitation on Duties Regarding Preservation of Collateral. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9207 of the Code or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. No Secured Party, nor any of their respective directors, officers, employees or agents, shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Debtor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Paragraph Headings. The paragraph headings used in this Security Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such holder would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

14. Waivers and Amendments; Parties Bound; Governing Law. None of the terms or provisions of this Security Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Debtors and the Administrative Agent, provided that any provision of this Security Agreement may be waived by the Administrative Agent in a written letter or agreement executed by the Administrative Agent or by telex or facsimile transmission from the Administrative Agent. This Security Agreement shall be the joint and several obligation of each Debtor, and each Debtor shall have made all of the representations, warranties, covenants and agreements contained herein. This Security Agreement shall be binding upon the successors and permitted assigns of the Debtors and shall inure to the benefit of the Administrative Agent and the other Secured Parties and their respective successors and assigns. **THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE SUBSTANTIVE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA.**

15. Notices. All notices hereunder to the Debtors, the Administrative Agent or any of the other Secured Parties to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered or sent in the manner and to the respective addresses as provided in subsection 9.2 of the Credit Agreement, provided that any such notices to a Debtor other than the Company shall be sent in care of the Company.

16. Authority of Administrative Agent. The Debtors acknowledge that the rights and responsibilities of the Administrative Agent under this Security Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative

Agent of any option, right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Security Agreement shall, as between the Administrative Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreement with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Debtors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and the Debtors shall not be under any obligation, or entitlement, to make any inquiry respecting such authority.

17. Submission to Jurisdiction; Waivers.

(a) Each Debtor hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Security Agreement, or for recognition and enforcement of any judgment in respect thereof to the non-exclusive general jurisdiction of the courts of the Commonwealth of Pennsylvania, the courts of the United States of America for the Eastern District of Pennsylvania, and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the address referred to in Section 15 hereof or at such other address of which the Administrative Agent shall have been notified;

(iv) waives and hereby acknowledges that it is estopped from raising any objections based on forum non conveniens, any claim that any of the above-referenced courts lack proper venue or any objection that any of such courts lack personal jurisdiction over it so as to prohibit such courts from adjudicating any issues raised in a complaint filed with such courts against such Debtor concerning this Security Agreement;

(v) acknowledges and agrees that the choice of forum contained in this paragraph shall not be deemed to preclude the enforcement of any judgement obtained in any forum or the taking of any action under this Security Agreement to enforce the same in any appropriate jurisdiction;

(vi) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this subsection any special, exemplary or punitive or consequential damages; and

(vii) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(b) Each party hereto hereby unconditionally waives trial by jury in any legal action or proceeding referred to in paragraph (a) above.

18. Counterparts. This Security Agreement may be executed by one or more of the parties to this Security Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Security Agreement signed by all the parties shall be lodged with the Company and the Administrative Agent.

19. Further Assurances. The parties acknowledge their intent that, upon the occurrence and during the continuation of an Event of Default, the Administrative Agent shall receive, to the fullest extent permitted by all Requirements of Law and governmental policy, all rights necessary or desirable to obtain, use or sell the Collateral, and to exercise all remedies available to it under this Agreement, the Uniform Commercial Code as in effect in any applicable jurisdiction, or other applicable law. The parties further acknowledge and agree that, in the event of any change in law or governmental policy occurring subsequent to the date hereof that affects in any manner the Administrative Agent's rights of access to, or use or sale of, the Collateral, or the procedures necessary to enable the Administrative Agent to obtain such rights of access, use or sale, the Administrative Agent and the Debtors shall amend this Agreement in such manner as the Administrative Agent shall request, in order to provide to the Administrative Agent such rights to the greatest extent possible consistent with all Requirements of Law and governmental policy.

20. Additional Subsidiaries Pursuant to and in accordance with Section 5.15 of the Credit Agreement, each Domestic Subsidiary that was not in existence or not a Subsidiary on the Closing Date is required to enter into this Agreement as a Debtor. Upon execution and delivery by the Administrative Agent and such Domestic Subsidiary of a Joinder, such Domestic Subsidiary shall become a Debtor hereunder with the same force and effect as if originally named as a Debtor herein. The execution and delivery of any such instrument shall not require the consent of any other Loan Party. The rights and obligations of each Debtor hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary as a Debtor under this Agreement.
