**TRADEMARKS ASSIGNMENT**

This Trademarks Assignment ("**Assignment**") is entered into by and between Tidal Software LLC., a California limited liability company ("**Tidal**"), and Cisco Systems, Inc., a California corporation ("**CSI**").

**WHEREAS**, pursuant to a prior Asset Transfer Agreement between Tidal and CSI (the "**Asset Transfer Agreement**"), certain intellectual property rights, including without limitation all rights, title and interest in and to the Tidal Marks (as defined below), were assigned previously to CSI.

**NOW, THEREFORE**, Tidal and CSI agree as follows and confirm that:

"**Tidal Marks**" means all of Tidal's trademarks, service marks, trade names, trade dress, logos, designs and slogans, in word mark, stylized and/or design formats, including without limitation Tidal's trademark registrations and applications (except for Tidal's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office) and any and all of Tidal's common law rights in the aforementioned items, together with all goodwill associated with and symbolized by the aforementioned items, including without limitation the marks identified in Schedule 1 attached hereto and all of the goodwill associated with and symbolized by such marks.

Tidal has assigned and transferred, and CSI has received and accepted, all of Tidal's rights, title and interest throughout the world in and to the Tidal Marks and all the rights, claims and privileges pertaining to the Tidal Marks, including without limitation: the registrations and applications pertaining thereto (except for Tidal's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the Tidal Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of Tidal in all matters related thereto.

Tidal hereby authorizes and requests the United States Commissioner of Patents and Trademarks and the relevant officials of foreign countries to implement this Assignment.

**IN WITNESS WHEREOF**, Tidal and CSI have caused this Assignment to be made as of the date of the Aset Transfer Agreement referenced above.
