### Section 1 Defined Terms

Unless otherwise defined herein, terms defined in the U.S. Collateral Agreement and used herein have the meaning given to them in the U.S. Collateral Agreement.

## Section 2 Grants of Security Interests in Intellectual Property Collateral

- (A) **Grant of Security Interest.** As security for the prompt and complete payment and performance in full when due (whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code) of all Liabilities, Grantor hereby pledges, assigns, transfers and grants to the Collateral Agent, for its benefit and for the benefit of the Secured Parties, a continuing security interest in and Lien on all of its right, title and interest in, to and under all Intellectual Property included in the Collateral (including, without limitation, those items listed on Schedule I, Schedule II and Schedule III hereto) (the "**Intellectual Property Collateral**"), whether now owned or existing or hereafter acquired or arising.
- (B) **Certain Exclusions.** Notwithstanding anything herein to the contrary, in no event shall the Intellectual Property Collateral include and Grantor shall not be deemed to have granted a Security Interest in, any of its right, title or interest in any Intellectual Property if the grant of such Security Interest constitutes or results in the abandonment or, invalidation of or rendering unenforceable any of its right, title or interest therein or results in a breach of the terms of, or constitutes a breach or default under such Intellectual Property, including any Trademark application filed in the United States Patent and Trademark Office on the basis of Grantor's "intent to use" such Trademark, solely to the extent that granting a Security Interest or other Lien in such Trademark application prior to such filing would adversely affect the enforceability or validity, or result in the cancellation or voiding, of such Trademark application, unless and until acceptable evidence of use of the Trademark has been filed with and accepted by the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. §§ 1051, et seq.) whereupon, the Intellectual Property Collateral shall include, and Grantor shall be deemed to have granted a Security Interest in such Trademark application.

## Section 3 U.S. Collateral Agreement

The Security Interests granted pursuant to this Agreement are granted in conjunction with the Security Interests granted to the Collateral Agent pursuant to the U.S. Collateral Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Security Interests granted to it in the Intellectual Property Collateral made and granted hereby are more fully set forth in the U.S. Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the U.S. Collateral Agreement, the terms of the U.S. Collateral Agreement shall govern.

## Section 4 Counterparts

This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

**Section 5     Governing Law**

**THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES  
HEREUNDER ARE GOVERNED BY, AND SHALL BE CONSTRUED AND  
ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF  
NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS  
LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICT OF  
LAWS PRINCIPLES THAT WOULD REQUIRE APPLICATION OF ANOTHER LAW.**
