ASSIGNMENT OF PATENTS, COPYRIGHTS, AND TRADEMARKS

This ASSIGNMENT OF PATENTS, COPYRIGHTS AND TRADEMARKS (this "Assignment"), is entered into and made effective as of March 2, 2011, by and among Field Logic Inc. (hereinafter referred to as "Assignor"), a corporation organized under and pursuant to the laws of Minnesota having its principal place of business at 1230 Poplar Avenue, Superior, Wisconsin 54880, and Out RAGE, LLC (hereinafter referred to as "Assignee"), a Delaware limited liability company having its principal place of business at 62 Walnut Street, Floor 3, Wellesley Hills, Massachusetts 02481.

WHEREAS, Assignor is sole and exclusive owner of all rights, title and interest in and to the following: (a) all patents and patent applications listed on the attached Schedule A(i) (collectively, the "Scheduled Patent Rights") and of any and all inventions and discoveries claimed, described or otherwise disclosed in any of the Scheduled Patent Rights (collectively, the "Inventions"); (b) the original works of authorship, and the copyrights worldwide therein, and the copyright registrations and copyright registration applications associated therewith identified on Schedule A(ii) attached hereto and made part hereof (collectively, the "Works"); and (c) the trademarks that are either unregistered, registered or are the subject of pending applications in various countries throughout the world, all of which are identified on Schedule A (iii) attached hereto and made part hereof (collectively, the "Marks"); and

WHEREAS, in connection with that certain Asset Purchase Agreement dated as of March 2, 2011 (the "Asset Purchase Agreement"), Assignee wishes to acquire from Assignor, and Assignor wishes to assign, transfer, convey and deliver to Assignee (a) any and all rights, title, and interests of Assignor throughout the world in and to the Scheduled Patent Rights and the Inventions; (b) the Works and all of rights, title and interest in and to said Works, including all copyrights and other proprietary rights therein and thereto conveyed by the U.S. Copyright Act of 1976, as amended, and by any equivalent foreign copyright statute and right; and (c) the Marks, together with all common law, statutory or other rights therein and all goodwill of the business associated with the use of, or symbolized by, the Marks in accordance with the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the payment of \$100.00 and the foregoing premises and the mutual covenants and agreements contained herein and in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, do hereby agree as follows:

1. Conveyance and Acceptance. Effective as of date hereof, Assignor hereby irrevocably, without reservation, sells, assigns, transfers, conveys and delivers to Assignee (and to Assignee's successors and assigns) and Assignee hereby accepts:

a. All of Assignor's rights, titles and interests throughout the world in, to, and under all of the following described in Sections 1(i) through (iv) (all of the following described in subsections (i) through (iv) below are collectively referred to as the "Assigned Rights"):

i. all Inventions and any and all modifications and improvements to any

such Inventions;

ii. all Scheduled Patent Rights and any and all patents that may issue based on, correspond to, or otherwise arise from, any such Scheduled Patent Rights, either directly or indirectly;

iii. any and all other patents, patent applications and other industrial property protections and applications therefor, in each case, that are filed or issue in the United States or in any other jurisdiction that are based on, or that otherwise relate to, any of the Assigned Rights described in Section 1(i) through Section 1(ii), including but not limited to, any and all provisional applications, non-provisionals, continuations, continuations-in-part, divisions, continuing prosecution applications, PCT applications and other convention applications, requests for continuing examination, substitutes, reissues, reexaminations, extensions, and renewals that issue or are filed in the United States or in any other jurisdiction that are based on, or that otherwise relate to, any of the Assigned Rights described in Section 1(i) through Section 1(ii); and

iv. any and all other rights relating to any of the Assigned Rights described in any of Sections 1(i) through (iii), including but not limited to, any and all priority rights and rights to claim the benefit of the filing date with respect to any and all such Assigned Rights under the International Convention for the Protection of Industrial Property or under any other convention, treaty, law, rule, regulation, agreement, instrument or understanding;

b. All of Assignor's rights, title and interest in and to the Works, including all copyrights and other proprietary rights therein worldwide, which shall include the exclusive worldwide right to register and publish all copyrights in such Works, to reproduce the Works in any manner, to adapt, modify or otherwise alter the Works, to transmit the Works, to prepare derivative works based on the Works in all forms now known or hereinafter invented, to distribute copies or reproductions of the Works, to display the Works publicly, to publicly perform the Works and to otherwise use or exploit the Works, in each case, through any and all means and methods and in any and all media now known and hereafter developed or devised, together with all moral rights and other rights of a similar nature or kind, for the unexpired present term of all copyrights and other rights in each such Works and any term granted thereafter to which said Works or any derivative work based thereon may be entitled to copyright protection, together with all rights to any and all proceeds, benefits, privileges, causes of action, and remedies relating thereto, all rights to bring an action, whether at law or in equity, for past, present or future infringement, misappropriation, misuse or other violation of any copyrights in such Works against any third party, all rights to recover damages, profits and injunctive relief for all past, present or future infringement, misappropriation, misuse, or other violation of any copyrights in such Works; and

c. All of Assignor's right, title and interest in and to the Marks in the jurisdiction set forth opposite each such Mark on Schedule A(iii), including all common law, statutory and other rights therein and all trademark registrations and trademark registration applications relating to the Marks, together with all rights to any and all proceeds, benefits, privileges, causes of action, and remedies relating to the Marks, all rights to bring an action, whether at law or in equity, for

infringement, dilution, misappropriation, misuse or other violation of the Marks against any third party, all rights to recover damages, profits and injunctive relief for all past, present or future infringement, dilution, misappropriation, misuse, or other violation of the Marks, and all goodwill of the business associated with the use of, or symbolized by, the Marks.

2. Recordation.

a. Assignor hereby authorizes and requests that:

i. Officials throughout the world whose duty it is to register and record ownership in intellectual property rights, including, without limitation, the Commissioner of the United States Patent and Trademark Office, record Assignee as the sole and exclusive assignee and owner of any and all of the Assigned Rights;

ii. The Commissioner of the United States Patent and Trademark Office, and empowered officials in any other country, issue any and all letters patent that may be granted upon any of the Assigned Rights to Assignee, for the sole and exclusive benefit of Assignee;

iii. Assignee record this Assignment with the U.S. Copyright Office and with all other relevant Governmental Authorities; and

iv. Assignee record this Assignment with the U.S. Patent and Trademark Office, the Canadian Intellectual Property Office, and all other applicable foreign trademark offices or other relevant governmental authorities.

b. Assignor hereby grants the Assignee the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
