**RELEASE OF SECURITY INTEREST  
IN INTELLECTUAL PROPERTY (SECOND LIEN)**

This Release of Security Interest in Intellectual Property (this "Second Lien Release"), dated as of February 25, 2011, is made by Credit Suisse AG, Cayman Islands Branch, in its capacity as second lien administrative agent (together with its successors, in such capacity, the "Second Lien Administrative Agent"), in favor of Carestream Health, Inc., a Delaware Corporation (the "Grantor"). All capitalized terms used, but not otherwise defined herein, shall have the meanings ascribed to them in the Second Lien Pledge and Security Agreement (as defined below).

WHEREAS, pursuant to that certain Pledge and Security Agreement (Second Lien), dated as of April 30, 2007, by and among the Second Lien Administrative Agent, the Grantor and certain other parties thereto (as may be amended, modified, supplemented, extended, renewed, restated or replaced, the "Second Lien Pledge and Security Agreement"), the Grantor and certain other parties granted to the Second Lien Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in and to the Collateral;

WHEREAS, pursuant to the terms and conditions set forth in the Second Lien Pledge and Security Agreement, the Second Lien Administrative Agent and the Grantor entered into that certain Intellectual Property Security Agreement (Second Lien), dated as of April 30, 2007 (as may be amended, modified, supplemented, extended, renewed, restated or replaced, the "Second Lien IP Security Agreement"), for filing and recordal of the security interest granted under the Second Lien Pledge and Security Agreement with respect to the Intellectual Property and Intellectual Property Licenses and General Intangibles of like nature included in the Collateral (collectively, the "IP Collateral");

WHEREAS, the Second Lien IP Security Agreement was duly filed and recorded with the United States Patent and Trademark Office on July 27, 2007 at reel/frame 019773/0319 and 3589/0001; and

WHEREAS, the Second Lien Administrative Agent wishes to release, discharge, relinquish, terminate and dissolve any and all security interests, liens and encumbrances in and to the IP Collateral;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Second Lien Administrative Agent agrees as follows:

1. The Second Lien Administrative Agent hereby irrevocably releases, discharges, relinquishes, terminates and dissolves any and all security interests, liens and encumbrances granted by Grantor to the Second Lien Administrative Agent, for the ratable benefit of the Secured Parties, under the Second Lien Pledge and Security Agreement and the Second Lien IP Security Agreement with respect to the IP Collateral, including, without limitation, the patents and pending patent applications, the trademark registrations and applications for registrations therefor, and the copyright registrations, in each case, identified on Exhibit A attached hereto.

2. The Second Lien Administrative Agent hereby authorizes and requests that the Commissioner of Patents and Trademarks of the United States and the Register of Copyrights of the United States accept and record this Second Lien Release.

3. This Second Lien Release shall be binding upon the Second Lien Administrative Agent's legal representatives, successors, and assigns.

IN WITNESS WHEREOF, this Release is duly executed by the Second Lien Administrative Agent in favor of the Grantor by and through the Second Lien Administrative Agent's authorized officers as of the date first written above.
