## TRADEMARK ASSIGNMENT

This Trademark Assignment is made as of March 28, 2011 ("Effective Date") by and among Amplified Music Services, Inc., a Delaware corporation (the "Company"), Tune Up Media, Inc., a Delaware corporation ("TuneUp" and together with Company, "Assignors") and Gracenote Inc., a Delaware corporation, residing at 2000 Powell Street Suite #1500, Emeryville, CA 94608, USA (hereinafter, "Assignee").

WHEREAS, Assignors entered into an Asset Purchase Agreement dated March 28, 2011 (the "Purchase Agreement") with Assignee;

WHEREAS, Assignors are the owner of all right, title, and interest in and to the trademarks listed in Exhibit A ("Marks"), including, but not limited to, the right to recover for past and future infringement throughout the world;

WHEREAS, pursuant to the Purchase Agreement, the parties have agreed, *inter alia*, that Assignee will acquire all right, title and interest in and to the Marks throughout the world; and

WHEREAS, Assignors are willing to assign to Assignee all right, title and interest as Assignors may possess in and to the Marks throughout the world.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, said Assignors make the following assignment and agree as follows:

### Assignment.

- a. Assignors do hereby sell, assign, convey and transfer unto Assignee, its successors and assigns, the entire right, title and interest, anywhere in the world, in and to the Marks, and to any trademarks from which the Marks are derived and including, without limitation, the goodwill associated with the marks, the right to sue for and recover damages for any past, present or future infringement of the Marks, to have and to hold the same, unto Assignee, its successors, assigns and nominees, for the full duration of all such rights, and any renewals and extensions thereof, as fully and entirely as the same would have been held by Assignors has this assignment and transfer not been made.
- b. Assignors agree that Assignee shall have the rights to register its rights in the Marks, in its name, in the United States Patent and Trademark Office and in any and all other countries of the world.
- c. Assignors hereby constitute and appoint Assignee as Assignors' true and lawful attorney in fact for the sole purpose of this Trademark Assignment, with full power of substitution in Assignors' name and stead, to take any and all reasonable steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto. This

includes, but is not limited to, any rights with respect to the Marks that may have accrued in Assignors' favor from the respective date of first creation of any of the Marks to the Effective Date of this Trademark Assignment, including without limitation, any rights in derivative works thereof to the Effective Date of this Trademark Assignment. Assignors hereby declare that the foregoing power is coupled with an interest and as such is irrevocable.

- d. Assignors covenant that they are the sole owner of the Marks and that they have full power to make the present assignment.
- e. Assignee hereby acknowledges that Assignors are not making any representation or warranty with respect to the Marks being conveyed hereby except as specifically set forth in this Trademark Assignment and the Purchase Agreement.

If any provision of this Trademark Assignment shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Trademark Assignment shall otherwise remain in full force and effect and enforceable.
