TRADEMARK SECURITY AGREEMENT

dated as of May 24, 2011 (this “**Agreement**”), between Chrysler Group LLC, a Delaware limited liability company (the “**Company**”), and Citibank, N.A., a national banking association, as Collateral Agent (in such capacity, the “**Collateral Agent**”).

Reference is made to (a) the Indenture dated as of May 24, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the “**Indenture**”), among the Company, CG Co-Issuer Inc. (a Delaware corporation and wholly-owned subsidiary of the Company, the “**Co-Issuer**” and, together with the Company, the “**Issuers**”), the guarantors party thereto, Wilmington Trust FSB, as Trustee, and Citibank, N.A., as the Collateral Agent, paying agent, registrar and authenticating agent, and (b) the Collateral Agreement dated as of May 24, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the “**Collateral Agreement**”), among the Company, the Co-Issuer, the Collateral Agent and the grantors party thereto.

Pursuant to the terms of the Indenture, the Issuers will issue 8% Secured Senior Notes due 2019 and 8¼% Secured Senior Notes due 2021 (the “**Notes**”), and the Issuers’ obligations under the Indenture and Notes will be guaranteed by the Guarantors. The Issuers and the Guarantors will derive substantial benefits from the transactions contemplated by the Indenture. The Grantors (including the Company) that are Guarantors have agreed, pursuant to the Indenture, and Chrysler Investment Holdings LLC, in light of the direct and indirect benefits it will receive from the transactions contemplated by the Indenture, to grant a security interest in the Collateral for the benefit of the Holders to secure the payment and performance of the Secured Obligations set forth in the Indenture, subject to the terms of the Intercreditor Agreement, including with respect to the relative rights and priorities in respect of the Collateral.

Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Indenture or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.04 of the Indenture also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Company, pursuant to the Collateral Agreement did grant, and hereby acknowledges such grant, to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by the Company or in, to or under which the Company now has or at any time hereafter may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(a) all trademarks, service marks, trade names, and logos, all registrations and recordings thereof, and all applications for registration and recording filed in connection therewith, including registrations and applications for registration in the United States Patent and Trademark Office, and all extensions or renewals thereof, including those listed on Schedule I, and all goodwill associated therewith or symbolized thereby.

SECTION 3. Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Company hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Governing Law. This agreement, and the rights and obligations of the parties hereunder, shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without regard to conflicts of laws principles that would result in the application of any law other than the law of the State of New York.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
