RELEASE OF SECURITY INTEREST IN PATENT AND TRADEMARK PROPERTIES

This Release of Security Interest ("Release") is made and entered into as of July 12, 2011 (the "Effective Date"), between **Off Madison Ave, Inc.**, ("OMA") and **ReGen Biologics, Inc.** (hereinafter "ReGen" and, together with OMA, the "Parties").

WHEREAS, on June 24, 2010, the Superior Court of the State of Arizona (Case No. CV2010-009079) issued an Order awarding a judgment lien (the "Lien") against ReGen, until satisfaction of the default judgment ("Judgment") awarded in that case, against the United States patent registrations and applications ("Patent Properties") listed on **Exhibit A** and the United States trademark registrations and applications ("Trademark Properties") listed on **Exhibit B** (hereinafter collectively the "Intellectual Property");

WHEREAS, the Lien was recorded in the United States Patent and Trademark Office ("USPTO"): (a) with respect to the Patent Properties, on July 7, 2010, under Reel/Frame No. 024640/0641, and (b) with respect to the Trademark Properties, on July 7, 2010 under Reel/Frame No. 004238/0146; and

WHEREAS, the Parties have reached a settlement on terms memorialized in a settlement agreement dated April 22, 2011 (the "Settlement Agreement") and, pursuant to: (i) such Settlement Agreement; and (ii) the terms of the Lien, OMA hereby acknowledges and agrees that the Judgment is fully satisfied and desires to terminate the Lien and release any security interest created therein, and assign any rights OMA may have acquired in the Intellectual Property back to ReGen.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, OMA and ReGen agree as follows:

1. OMA hereby releases, acquits and forever discharges ReGen and its stockholders, officers, directors, agents, representatives, attorneys, employees, parents, subsidiaries, divisions, affiliates, predecessors, successors, assigns, parents, subsidiaries, all entities controlled by or controlling ReGen, and all persons or entities acting by, through, under or in concern with any of them, from any and all claims that OMA has ever had, or now has, including the Lien and any and all security interests, liens and encumbrances granted to or otherwise arising in favor of OMA (the "Released Liens") with respect to the following items:
 - a. each of the Patent Properties referred to in **Exhibit A**;
 - b. each of the Trademark Properties referred to in **Exhibit B**, along with all of the goodwill of the business connected with the use of, and symbolized by, each such Trademark Property; and
 - c. all products and proceeds of the foregoing, including any claim by ReGen against third parties for past, present or future infringement of any Patent Property, or past, present or future infringement or dilution of any Trademark Property, listed

on **Exhibit A** or **Exhibit B**, or for injury to the goodwill associated with any Trademark Property.

The Released Liens are hereby released, terminated, forever discharged and removed and are of no further force and effect, and OMA assigns to ReGen any remaining security interest OMA has in ReGen's right, title, and interest in, to and under the Intellectual Property and the items listed in (a), (b) and (c) of this **Section 1**.

2. ReGen currently and hereafter holds and will hold title to the Intellectual Property in the same manner as if the Lien was never awarded and recorded with the USPTO.
3. OMA hereby authorizes and requests that the Commissioner of Patents and Trademarks of the United States record the foregoing release with the USPTO;
4. This Release has been executed and delivered by OMA for the purpose of terminating, releasing, removing, or otherwise eliminating the security interest of OMA with respect to the Intellectual Property.
5. This Release: (i) shall be binding upon OMA's legal representatives, successors, and assigns, and (ii) may be executed in several parts, each of which shall be an original and all of which taken together shall constitute one and the same agreement.
